government from getting its hands on significant portions of your wins How to figure the odds on the various lotteries and the typical scratch off tickets How to find positive expectation scratch off games during special promotions Gambling for Winners Ward Wilson, This book is for you only if you gamble to make money If your idea of fun and entertainment includes giving away your hard earned money to casinos I can't help you If you enjoy sitting in a mindless bright lights dingy trance while you drop quarters down a slot this book is not for you If you think casinos are built and run by stupid people you better stay out of them If you think you can beat a blackjack dealer by wild assed guessing think again If you play poker just because it's now so popular you don't need my book If you believe you can just happen to be lucky enough to beat the odds you live in a fantasy world and you'd hate this book for destroying your illusions But if you're hard headed serious willing to work and tired of the mainstream gambling books that simply teach you how to lose less rather than win If you understand casinos don't stay in business by giving out more money than they take in This is an extensive examination of the most popular forms of gambling If you can find any positive expectation bets and how Some of the material is controversial Some of it is unique It's not for beginners If you don't already know how to play blackjack or craps buy and read the basic books first This one assumes you know and understand the rules of play If you have emotional or psychological issues around money my strong advice is don't gamble If you want to believe casinos are playgrounds built for your amusement this is not the book for you I use statistical concepts and common sense to strip away the bright lights and glamor to reveal the mathematical realities of gambling For the most part it's not pretty Not if you want to make money instead of lose it But there are opportunities there for people willing to work hard and understand the obstacles so they can surmount them If you're still an emotional child needing the adrenaline rush and excitement of winning money this is not for you And not only the casinos want to take your money hordes of online scammers selling bogus systems online also are after the money belonging to would be pro gamblers Until you can enter a casino and remain blind to the red carpeting the flashing lights dingy slots and the entire aura of glamorous partying you'll remain a loser If you have enough money to pay for a mirage that's up to you Most people don't **Get the Edge At Low-Limit Texas Hold'em** Bill Burton, 2004-03-25 Low Limit Texas Hold'em is the fastest growing casino poker game But new player often come to the poker rooms completely unprepared to play a winning game This book is filled with strategies for success **Gaming in Online Casinos** Nicolae Sfetcu, 2014-05-10 Internet casino guide best gambling on net and casino bonus Online casinos also known as virtual casinos are the online version of land based brick and mortar casinos They allow you to play casino games through the Internet Some online casinos provide various games while others only provide only one type of game Online poker is also very popular and there are many dedicated companies that provide this activity *I Am A Card Counter* Frank Scoblete, 2014-05-01 With the help of the easy to master steps in this book even a novice gambler can go from being a traditional blackjack player to a card counter an advantage player with a true edge over the house For a dozen years Frank Scoblete was a devastating card counter

consistently beating casinos in Las Vegas Atlantic City and Tunica Mississippi and angering the casino bosses by knowing more about how to win money than almost anyone who ever challenged a casino He employed sophisticated methods including card counting and little known advantage play techniques to turn the tables on the house Now Frank known as an icon of the gambling industry shares with readers everything he knows about beating casinos at blackjack including techniques for one two four six and eight deck games such as end play the fat finger method card groupings and several card counting systems that are easy to learn but powerful and effective to play I Am a Card Counter is an essential resource for any gambler looking to succeed at the blackjack table Sharp Shooter Marianne Delacourt,2016-05-28 Tara Sharp should be just another unemployable twenty something ex private schoolgirl but she has the gift or curse as she sees it of reading people s auras The trouble is auras sometimes tell you things about people they don t want you to know When a family friend recommends Mr Hara s Paralanguage School Tara decides to give it a whirl and graduates with flying colours So when Mr Hara picks up passes on a job for a hot shot lawyer she jumps at the chance despite some of his less than salubrious clients Tara should know better than to get involved when she learns the job involves mob boss Johnny Vogue But she s broke and the magic words retainer and bonus have been mentioned Soon Tara finds herself sucked into an underworld situation that has her running for her life Sharp Shooter is a hilarious action packed novel and Tara Sharp is Triple F Funny Fast Feisty

Get the Edge at Blackjack John May,2001 This book is a blackjack nuclear bomb There is information in it that has never appeared anywhere except in the secret world inhabited by a handful of elite professional blackjack players Learn real strategies that not only the casinos don t want you to know but that many of the greatest blackjack players would prefer to keep all to themselves **A Gambling Guide** Nicolae Sfetcu,2014-05-03 Gambling as a betting action wagering money or something of material value on an event with an uncertain outcome with the primary intent of winning additional money or material goods A guide about what is gambling with a special section for online gambling casino games with both beatable casino games poker blackjack video poker with progressive jackpot pai gow poker sports betting horse racing parimutuel slot machines and other gambling machines and unbeatable casino games baccarat craps roulette keno casino war faro pachinko sic bo let it ride 3 card poker 4 card poker red dog Caribbean stud poker etc and non casino gambling games bingo lottery mahjong backgammon bridge etc Fixed odds gambling in sports is also present in this book with horse racing greyhound racing football particularly association football American football and rugby golf tennis cricket baseball basketball ice hockey snooker motor sports boxing darts cross country skiing and biathlon Please don t forget to take a look to the legality of the gambling and online gambling as well as to the articles warnings and links dedicated to the gambling addiction Extreme cases of problem gambling may cross over into the realm of mental disorders **Macdougall on Dice and Cards - Modern Rules, Odds, Hints and Warnings for Craps, Poker, Gin Rummy and Blackjack** Mickey MacDougall,2014-07-07 This text contains a detailed treatise on card and dice games providing information on odds tips

tactics and rules for a number of popular games including poker Gin Rummy and Blackjack A great book sure to appeal to those with a keen interest in such games this text constitutes a valuable addition to collections of gaming literature and makes for a must have book for those intent on mastering these games Many old books such as this are increasingly expensive and rare and we hope that by republishing this book here we are increasing its accessibility to all who are interested in its lessons This text was originally published in 1944 and is proudly republished now complete with a new introduction to the subject
