Saperstein, 2003 **Berdan's United States Sharpshooters in the Army of the Potomac, 1861-1865 (Classic Reprint)** C. A. Stevens, 2016-09-16 Excerpt from Berdan's United States Sharpshooters in the Army of the Potomac 1861-1865 It is a pretty difficult matter to write a history of such an organization as ours composed of so many companies from different states and there must be many things left out that would add interest to the work Nevertheless the writer most sincerely hopes that in its general character after making due allowance for possible errors the history will be satisfactory as it is as impartial and truthful as the historian could possibly make it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com

com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Second United States Sharpshooters in the Civil War Gerald L. Earley,2009-04-22 The Second United States Sharpshooters was a hodgepodge regiment composed of companies raised in several New England states The regiment was trained for a specific mission and armed with specially ordered breech loading target rifles This book covers the origin recruitment training and battle record of the regiment and features 32 photographs four battlefield maps and a regimental roster

The 2nd U.S. Sharpshooters at Gettysburg Mark W. Allen,2024-10-16 The many works on the Battle of Gettysburg have neglected the role of the 2nd U S Sharpshooters known for their extensive training and specialized tactics This history is the first to explore the actions on July 2 1863 of this Union Army regiment largely composed of men from Maine Michigan Minnesota New Hampshire Pennsylvania and Vermont Drawing on newly discovered primary sources this book seeks to clarify mysteries such as the identity of the non commissioned officer who met with Company B of the 20th Maine and the location of Major Homer R Stoughton during the battle Following the understrength regiment as it confronts two Confederate brigades this thorough historical narrative presents a long untold story of the Battle of Gettysburg

The Massachusetts Andrew Sharpshooters Alden C. Ellis, Jr.,2012-01-09 Named for Massachusetts governor John Albion Andrew who prevented these two companies from joining the nationalized Berdan s sharp shooters so that their families could continue to receive state aid the Andrew Sharpshooters often transferred from unit to unit as the need for their unique long range shooting skills changed This first chronicle of the Massachusetts Andrew Sharpshooters details their day to day activities and their courageous service at Seven Pines Antietam Fredericksburg Chancellorsville Gettysburg and numerous other Civil War battles Thorough historical and genealogical information on every man who served in the unit completes this study of these significant but overlooked foot soldiers

Thirteen Months at Manassas/Bull Run Don Johnson,2013-09-19 This Civil War history focuses on Prince William County Virginia where two of the war s greatest engagements were fought thirteen months apart The First and

Second Battles of Manassas are described in profound detail but so are the lives of resident families as a cloud of despair hangs over their lands The book captures the experiences of leaders and privates the good and the bad while revealing horrific accounts of civilian victims largely undisclosed until the writing of this book [Return to Bull Run](#) John J.

Hennessy,2014-10-30 This comprehensively researched well written book represents the definitive account of Robert E Lee s triumph over Union leader John Pope in the summer of 1862 Lee s strategic skills and the capabilities of his principal subordinates James Longstreet and Stonewall Jackson brought the Confederates onto the field of Second Manassas at the right places and times against a Union army that knew how to fight but not yet how to win Publishers Weekly **The Rifle**

Musket in Civil War Combat Earl J. Hess,2016-07-11 The Civil War s single shot muzzle loading musket revolutionized warfare or so we ve been told for years Noted historian Earl J Hess forcefully challenges that claim offering a new clear eyed and convincing assessment of the rifle musket s actual performance on the battlefield and its impact on the course of the Civil War Many contemporaries were impressed with the new weapon s increased range of 500 yards compared to the smoothbore musket s range of 100 yards and assumed that the rifle was a major factor in prolonging the Civil War Historians have also assumed that the weapon dramatically increased casualty rates made decisive victories rare and relegated cavalry and artillery to far lesser roles than they played in smoothbore battles Hess presents a completely new assessment of the rifle musket contending that its impact was much more limited than previously supposed and was confined primarily to marginal operations such as skirmishing and sniping He argues further that its potential to alter battle line operations was virtually nullified by inadequate training soldiers preference for short range firing and the difficulty of seeing the enemy at a distance He notes that bullets fired from the new musket followed a parabolic trajectory unlike those fired from smoothbores at mid range those rifle balls flew well above the enemy creating two killing zones between which troops could operate untouched He also presents the most complete discussion to date of the development of skirmishing and sniping in the Civil War Drawing upon the observations and reflections of the soldiers themselves Hess offers the most compelling argument yet made regarding the actual use of the rifle musket and its influence on Civil War combat Engagingly written and meticulously researched his book will be of special interest to Civil War scholars buffs re enactors and gun enthusiasts alike **God's**

Almost Chosen Peoples George C. Rable,2010-11-29 Throughout the Civil War soldiers and civilians on both sides of the conflict saw the hand of God in the terrible events of the day but the standard narratives of the period pay scant attention to religion Now in God s Almost Chosen Peoples Lincoln Prize winning historian George C Rable offers a groundbreaking account of how Americans of all political and religious persuasions used faith to interpret the course of the war Examining a wide range of published and unpublished documents including sermons official statements from various churches denominational papers and periodicals and letters diaries and newspaper articles Rable illuminates the broad role of religion during the Civil War giving attention to often neglected groups such as Mormons Catholics blacks and people from the Trans

Mississippi region The book underscores religion's presence in the everyday lives of Americans north and south struggling to understand the meaning of the conflict from the tragedy of individual death to victory and defeat in battle and even the ultimate outcome of the war Rable shows that themes of providence sin and judgment pervaded both public and private writings about the conflict Perhaps most important this volume the only comprehensive religious history of the war highlights the resilience of religious faith in the face of political and military storms the likes of which Americans had never before endured

The Civil War Letters of General Robert McAllister James I. Robertson, Jr.,1998-10-01 Not a flamboyant leader or a braggart General Robert McAllister was one of the quietly efficient commanders whose noble gallantry ultimately proved to be the salvation of the Union He took part in all but two engagements of the Army of the Potomac and was twice wounded and three times promoted for heroism on the battlefield Not daring to keep a diary that might fall into enemy hands McAllister wrote daily to his wife and daughters providing an intricately detailed description of his wartime ordeal for posterity Refined by James I Robertson Jr's expert editing the 637 letters presented here provide a comprehensive look at the experiences of the Army of the Potomac and one often overlooked Civil War general

Gettysburg Allen Guelzo,2014-02-11 Winner of the Guggenheim Lehrman Prize in Military History An Economist Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year The Battle of Gettysburg has been written about at length and thoroughly dissected in terms of strategic importance but never before has a book taken readers so close to the experience of the individual soldier Two time Lincoln Prize winner Allen C Guelzo shows us the face the sights and the sounds of nineteenth century combat the stone walls and gunpowder clouds of Pickett's Charge the reason that the Army of Northern Virginia could be smelled before it could be seen the march of thousands of men from the banks of the Rappahannock in Virginia to the Pennsylvania hills What emerges is a previously untold story of army life in the Civil War from the personal politics roiling the Union and Confederate officer ranks to the peculiar character of artillery units Through such scrutiny one of history's epic battles is given extraordinarily vivid new life

Gettysburg Allen C. Guelzo,2013 From the acclaimed Civil War historian and coinciding with 150th anniversary of the legendary battle an intimate and richly readable account that draws the reader into the muck and grime of Gettysburg

Silent Witness Ron Field,2017-10-19 Compiled by an acclaimed Civil War historian this beautiful volume illustrated with stunning photography examines America's deadliest conflict through the camera's lens The Civil War changed America forever It shaped its future and determined its place in history For the first time in military history the camera was there to record these seismic events from innovations in military and naval warfare to the battles themselves the commanders at critical moments in the battle and the ordinary soldier tentatively posing for his first ever portrait on the eve of battle Displaying many rare images unearthed by the author an acclaimed Civil War historian this beautiful volume explores how the camera bore witness to the dramatic events of the Civil War It reveals not only how the first photographers plied their trade but also how photography helped shape the outcome of the war and how it was reported to anxious families

across the North and South
