Back in Beirut, Karim reacquaints himself with his brother Nassim, now married to his former love Hind, and old friends from the leftist political circles within which he once roamed under the nom de guerre Sinalcol. By the end of his six-month stay, he has been reintroduced to the chaos of cultural, religious, and political battles that continue to rage in Lebanon. Overwhelmed by the experiences of his return, Karim is forced to contemplate his identity and his place in Lebanon's history. The story of Karim and his family is born of other stories that intertwine to form an imposing fresco of Lebanese society over the past fifty years. *Broken Mirrors* examines the roots of an endemic civil war and a country's unsettled past.

*Shattered Mirrors* Stephanie Davis, 2015-01-21 The image of a person standing in front of a shattered mirror, staring down at the pieces, wondering the next move. No one ever that I have known attempts to put a shattered mirror back together. In fear of getting cut on the hand or foot, we sweep up the pieces, being sure to cover that floor with a fine-toothed comb as to avoid wayward shards later. Ultimately, all that's shattered and broken is disposed of. Any image in a shattered mirror is broken and also distorted. It is unclear, and you can barely see yourself. You finally purchase another mirror, one that allows for a more quality view of oneself and is not so easily broken. In order to give love, you have to know love. Vain usage supports misconceptions and employs ignorance that spirals into abusive behaviors and addictions. Will Jewel survive the positive change imposing upon
