Shattering the Gods Within David F Allen, 2018-12-23 In this book the second edition of the second book of his classic trilogy renowned Christian psychotherapist Dr David F Allen teaches us about the many false gods that are waiting to be raised up as deities within us We learn how to identify them and how they must be shattered so that we ultimately find our way into the worship of the true God The starting point in this journey is understanding this important truth Life is wounded This principle is the underlying explanation for our constant creation of false gods Unmanageable unbearable and seemingly inescapable pain is the reason we are forever shoving our faith aside and granting god like status to both our pleasures and our problems Life is wounded and in this book Dr Allen helps the reader understand the inextricable connection between our pain and our false gods These pseudo gods are false illusions of reality they must ultimately shatter or be shattered The shattering may be a result of illness disappointment death or some other tragedy or God himself might explode our box of illusions The shattering of one's pseudo gods is always painful leaving a hole in one's soul and an emptiness of heart We become vulnerable to depression suicide or other self destructive behaviors e.g. drugs or alcohol But at this point of extreme vulnerability we can also be open to true faith in God In a Christian context the coming of Christ the Holy Son of God is the most powerful antidote to idolatry or pseudo gods From the opening chapters on Life is Wounded and The Creation of a Pseudo God Dr Allen presents the reader with the false gods of modern culture Narcissism The God of Self Image Conformity The God of Fitting In Materialism The Visible God The Sacredness of the Affect Anger Addiction and Sexuality Extraordinary Illusions Facing the Wounded Self But the reader is not left in despair Out of more than four decades as a psychiatrist and a lifetime of understanding human nature through the stories in the Holy Scriptures Dr Allen brings hope in Broken Idols Coping with Defeat and Facing Giants Character Amidst Chaos Ultimately with Dr Allen as our guide we are led to God's

Performing Gods in Classical Antiquity and the Age of Shakespeare Dustin W. Dixon,John S. Garrison,2021-05-20 The gods have much to tell us about performance When human actors portray deities onstage such divine epiphanies reveal not only the complexities of mortals playing gods but also the nature of theatrical spectacle itself The very impossibility of rendering the gods in all their divine splendor in a truly convincing way lies at the intersection of divine power and the power of the theater This book pursues these dynamics on the stages of ancient Athens and Rome as well on those of Renaissance England to shed new light on theatrical performance The authors reveal how gods appear onstage both to astound and to dramatize the very machinations by which theatrical performance operates Offering an array of case studies featuring both canonical and lesser studied texts this volume discusses work of Aeschylus Sophocles Euripides Aristophanes and Plautus as well as Beaumont Heywood Jonson Marlowe and Shakespeare This book uniquely brings together the joint perspectives of two experts on classical and Renaissance drama This volume will appeal to students and enthusiasts of literature classics theater and performance studies The Gods Are Broken! Jeffrey K. Salkin,2022-05-17 The story of Abraham smashing his father s idols might be the most important Jewish story ever told and the key to how Jews define themselves In a work at once deeply erudite and wonderfully accessible Rabbi Jeffrey K Salkin conducts readers through the life and legacy of this powerful story and explains how it has shaped Jewish consciousness Offering a radical view of Jewish existence The Gods Are Broken views the story of the young Abraham as the primal trauma of Jewish history one critical to the development of a certain Jewish comfort with rebelliousness and one that happening in every generation has helped Jews develop a unique identity Salkin shows how the story continues to reverberate through the ages even in its connection to the phenomenon of anti Semitism Salkin s work combining biblical texts archaeology rabbinic insights Hasidic texts some never before
