Shattering The Myth Of Race Genetic Realities And Biblical Truths:

Shattering the Myth of Race Dave Unander, 2000 Geneticist Dave Unander argues that the term race implies greater differences among groups of human beings than is separated by genetic evidence Exploring how science has been abused to justify racism this book weaves together science and history to offer foundations for biblical and theological perspectives as questions of race

One Race One Blood (Revised & Updated) Ken Ham, 2010-11-01 It is a rarely discussed fact of history that the premise of Darwinian evolution has been deeply rooted in the worst racist ideology since its inception This significant book gives a thorough account of the effects of evolution on the history of the United States including slavery and the Civil rights movement and goes beyond to show the global harvest of death and tragedy that still finds its roots in Darwin s destructive writings The tragic legacy of Darwins controversial speculations on evolution has led to terrible consequences taken to the deadliest extremes One Race One Blood reveals the origins of these horrors as well as the truth revealed in Scripture that God created only one race You will discover Nazi Germany used evolutionary concepts to justify the extermination of unfit people groups such as Jews Gypsies and Slavs The origins of people groups the genetics of skin color and the biblical truths on interracial marriage Eye opening discussion on racism and its roots in the hearts and minds of millions still today Within these compelling pages Dr A Charles Ware president of Crossroads Bible College and Ken Ham president of Answers in Genesis examine the historical roots of racism that have permeated evolutionary thought and the Bible s response to this disturbing issue This is a crucial and timely study that profoundly addresses the Christian worldview regarding race from a compassionate and uniquely compelling perspective

The Humanisation of Slavery in the Old Testament Thomas Schirrmacher, 2018-05-10 The Humanisation of Slavery in Old Testament Law by David L Baker Slavery Human Dignity and Human Rights by John Warwick Montgomery Slavery in the Old Testament in the New Testament and Today by Thomas Schirrmacher Three scholars discuss slavery in the Old Testament and a Christian view of slavery They argue that slavery in the OT had not much in common with Roman Greek Muslim or modern European slavery as the slaves were protected by the legal system They believe that there is a road from the humanisation of slavery in the OT through the soft opposition against slavery in the New Testament to the abolition of slavery by Christians and in Christian

nations The last essay contains a longer section on The Role of Evangelicals in the Abolition of Slavery that summarizes the research of the last decades showing that the uncorrupted oppositions by pious people and the power of the masses without direct political influence changed history the first major human rights campaign of history Human Behavior Theory and Applications Elizabeth DePoy, Stephen French Gilson, 2011-09-21 In Human Behavior Theory and Applications authors Elizabeth DePoy and Stephen Gilson use a critical thinking approach to engage students to think in depth about theory and its use in social work practice With a strong focus on diversity this book expands its theory coverage to include progressive and the most cutting edge contemporary thinking The authors skillfully introduce theory critically examine each theory including developmental theories environmental theories diversity theories systems theories and new and emerging theories and then apply each theory to social work practice providing a synthesis of classical and contemporary theory for scholarly analysis and application to professional intellectual and social action **No Longer Slaves** Brad Ronnell

Braxton, 2015-03-15 No Longer Slaves brings the ancient New Testament message into conversation with African American culture Twenty centuries after Paul penned Galatians American culture in general and American Christianity in particular continue to struggle with the problem of race relations Our challenges are not identical to those faced by Paul and the Galatians Yet when one reads Galatians through the lens of African American experience striking similarities emerge In No Longer Slaves Brad Braxton helps us see that race relations is a central issue in Galatians Paul believes that Christ came in order to unite Jews and Gentiles The church was intended to be a multi ethnic community in which persons of different backgrounds co existed harmoniously Any effort to compel Gentiles to live as Jews is an invalidation of the freedom of the Gospel Galatians offers us a portrait of an early Christian leader and community sorting out complex social issues No Longer Slaves explores the concept of liberation in African American experience It entails a discussion of American slavery Rather than depicting African Americans simply as victims of the crimes of slavery and segregation Braxton describes the creative cultural and religious responses of African Americans to their oppression He employs a type of reader response theory that considers the experiences of the reading community as a lens through which texts are read His discussion of methodology exposes the reader to some of the issues in the current debate without becoming burdensome to the non specialist The remainder of the book is an interpretation of Paul's letter to the Galatians Although Braxton takes seriously the original context of Galatians and his exegesis engages the Greek text he offers a contemporary theological reading that privileges the history experiences and concerns of African Americans Those who are concerned about the connection between Christianity and ethnicity will find this interpretation intriguing and challenging Chapters in Liberation and African American Experience are Introduction Liberation Rationales and Definitions Blackness Biology and Ideology and African American Biblical Interpretation Chapters in A Reading Strategy for Liberation are Reader Response Criticism and Black and Womanist Theologies The Bible and Authority in Reader Response Criticism and The African American Christian Interpretive

Light, 2012 This book is a must read for serious Christians hoping to obey the Great Commission to make disciples in Africa Vernon strikes an admirable balance between academic depth and practical application helping us to appreciate the interface between the gospel of Jesus Christ and the traditional African worldview I heartily recommend this book to all thinking Christian leaders in Africa pastors teachers and missionaries Kevin G Smith DLitt PhD Vernon Light wrote this book with an apostolic passion in the way the apostles presented and proclaimed the Gospel to world religions and cultures It is an exciting study of African traditional religion and

its relation to Christianity It shows that for Christianity to thrive and be relevant biblically and transformationally in Africa firstly Christian scholars and theologians are needed who understand and address Africa s traditional heritage and Western modern postmodern and pluralistic ideologies and secondly the Gospel must be contextually relevantly meaningfully and practically taught through an effective discipleship program The book based on extensive research and massive use of resources is a valuable tool for students pastors scholars and theologians interested in the state of Christianity and religious change in Africa Professor Yusufu Turaki PhD Much more than being a useful resource this is a book with a mission Like Jeremiah of old Jer 20 9 Vernon is a man with a passion and message from God to the society to which God has called him Like Jeremiah Vernon is totally convinced of the absolute truth of his message in the midst of a myriad of conflicting opinions and that his message will change society from disaster to hope Would that it is heard Professor David T Williams DTh The Rev Vernon E Light BSc BDHons MTh is a member of the academic staff at the South African Theological Seminary
