She Is Born A Celebration Of Daughters:

She Is Born Virginia Kroll, 2010-07-01 *She Is Born* is a lyrical celebration of daughters everywhere. Through fluid prose and magical illustrations, this book describes the many traditions used to welcome daughters all over the world. She will be heralded with pink balloons strung on porch railing or animals drawn in the sand. Her name will be proclaimed in a church, a temple, or a grove of trees. Filled with rich cultural details, this book both inspires and educates. Above all, it rejoices in and affirms the powerful bond between mothers and daughters in every land and time.

My Perfect Daughter Sarah A. Denzil, Maddie is my savior. My angel. But could she also be a killer? The bond between Zoe and her adopted daughter Maddie is stronger than family. It's stronger than blood. It was forged twelve years earlier the night five-year-old Maddie helped Zoe escape the torture and imprisonment of her brutal serial killer father. But you can't erase the past, and when the police call Zoe late at night to tell her that one of Maddie's classmates has died during a school camping trip, her first thoughts aren't for the safety of her daughter. Instead, Zoe is ashamed to find herself wondering: Could Maddie have killed her? Because as much as she's tried to raise the perfect daughter, Zoe can't ignore the truth: Maddie's biological father was a sadistic sociopathic killer, and judging by her recent attitude and behaviour, perhaps the apple doesn't fall far from the tree. As secrets and betrayal lead to Zoe's perfect life crumbling around her, she doesn't just question what kind of monstrous mother she must be to ever suspect her daughter capable of murder. She also starts wondering who Maddie's next victim might be.

My Perfect Daughter is the latest powerhouse psychological thriller from the mistress of twists, Sarah A. Denzil, a must-read author for fans of Gillian Flynn, Frieda McFadden, and Paula Hawkins. What readers are saying about *My Perfect Daughter*: What a whirlwind of a ride that was! Goodreads reviewer. Unto the Daughters Karen Tintori, 2008-07-08. Karen Tintori thought she knew her family tree. Her grandmother Josie had emigrated from Sicily with her parents at the turn of the century. They settled in Detroit and with Josie's nine siblings worked to create a home for themselves away from the poverty and servitude of the old country. Their descendants were proud Italian Americans. But Josie had a sister nobody spoke of. Her name was Frances and at age sixteen she fell in love with a young barber. Her father wanted her to marry an older don in the neighborhood mafia, a marriage that would give his sons a leg up in the mob. But Frances eloped with her barber and when she returned home a married woman, her fate was sealed. Even eighty years and two generations later, Frances was not spoken of and her memory was suppressed. *Unto the Daughters* is a historical mystery and family story that unwraps the many layers of family honor, memory, and fear to find an honor killing in turn of the century Detroit. Tracing the history and insular world of Italian immigrants back to the old country, Karen Tintori shows what they came from, what they hoped for, and how the hopes and dreams of America fell far short for her great aunt Frances. Nearly every family has a skeleton in its closet, an ancestor who sins against custom and tradition and pays a double price: ostracism or worse at the time and obliteration from the memory of succeeding generations. Few of these transgressors paid a higher price than Frances Costa, who was brutally murdered by

her own brothers in a 1919 Sicilian honor killing in Detroit And fewer yet have had a more tenacious successor than Frances's great niece Karen Tintori who refused to allow the truth to remain forgotten This is a book for anyone who shares the conviction that all history in the end is family history Frank Viviano author of Blood Washes Blood and Dispatches from the Pacific Century Switching back and forth between rural Sicily and early 20th century Detroit Unto the Daughters reads like a nonfiction version of the film Godfather II if it had been told from the point of view of a female Corleone In exploring her own family's secret history Karen Tintori gives voice not just to her victimized aunt but to all Italian American daughters and wives silenced by the power of omerta Half gripping true crime story half moving family memoir Unto the Daughters is both fascinating and frightening packed with telling details and obscure folklore that help bring the suffocating world of a Mafia family to life Eleni N Gage author of North of Ithaca
