Melissa Thompson, Summer Newell, 2021-04-01 Motherhood after Incarceration Community Reintegration for Mothers in the Criminal Legal System explores the relationships of women who have been recently released from prison or jail with their children immediately after periods of incarceration The analysis draws on in depth interviews with 39 women who are mothers and who had recently been released in the Portland Oregon metropolitan area Using data collected from these interviews the authors address three interrelated questions 1 How does incarceration affect mother child bonds 2 What obstacles interfere with successful reintegration of these mothers into the community 3 Do mothers who regain immediate custody of their children after incarceration reintegrate better than those with delayed or no resumption of child custody Implications of these findings for policy are explored The research results demonstrate the struggles justice involved mothers experience over time as they seek to reintegrate into the community and resolve their relationships with their children while also struggling with employment housing family relationships and avoiding situations that might ultimately lead to recidivism The authors suggest that policies for reducing recidivism among reentering women should provide more resources for

housing childcare mental health and job training and coaching Further there are often behavioral and emotional repercussions associated with the lengthy separation of mother and child which highlights the need for parenting support for these mothers and their children including social and emotional counseling and resources directed toward the maintenance of family ties This book s detailed look at motherhood after incarceration both for mothers with custody and without will appeal to academics policy makers community advocates and activists and undergraduate and postgraduate students in social science courses on correctional policy gender and crime and social work

**TRUE CRIME: I FELL ASLEEP! Sarah Boone 'Suitcase Killer'** Beccy Lockes, True Crime, 2025-01-12 Worst Hangover Ever Learn everything there is to know about this gripping True Crime After four years sitting in jail Sarah I Fell Asleep Boone is found Guilty of Second Degree Murder for going upstairs to bed and leaving her partner trapped in a suitcase It was never a murder mystery so why did it take four and a half years to finally bring her case to trial Because of Sarah Boone that s why I mean I ve always been a straight A student I am an outstanding mother to my son I excel at everything I would not do that Including all 30 of her snark filled letters to the attorneys who faithfully represented her and to the respected judges who presided over her criminal case and family court I Fell Asleep patches together Suitcase Killer Sarah Boone s real story Beginning with her 911 call 12 hours after leaving him trapped police interviews at the scene and the closely following interrogations by Orange County homicide detectives we can see how her story changes From trivial things to important things like their drinking habits their history of domestics and exactly what happened that night and why Initially it appears an unfortunate accident after a drunk loving couple decided it would be funny to play hide and seek But as Sarah Boone s story evolves it becomes far more sinister This isn t an accident this is a True Crime for the ages Well I didn t completely lock it I mean I left it open for his fingers I left enough in there for him to get out Through transcripts of the early police interactions with Sarah and witness interviews taken a few days later with ex husband and neighbors a picture develops of her true character and how she lives her life Never one to be downtrodden Sarah fights her corner viciously We can read this in her letters to the judges complaining about her attorneys and how the Judge is trampling my constitutional rights We can see from her letters to the family court judge there is nothing she will not complain about Her forced stint at representing herself in court shows a certain knack for the legal profession but even Sarah was not so arrogant she thought it would be a good idea to represent herself at trial Luckily she is saved at the last minute by an attorney from Tennessee Hear her testimony at trial Hear her turn down a plea deal Hear her jaw dropping remorseless speech at sentencing in front of the victim s friends and family With Sarah she can go through nine attorneys and still thinks she isn t the problem She can leave a man to die inside a zipped suitcase by going upstairs to bed and falling asleep and still blame the man Get your snark shoes on and dive into the True Crime ridiculousness of Sarah Suitcase Killer Boone

**Elements of Power** KD Lumsden, 2023-06-28 Their friend Yace has vanished like a whisper on the breeze Had Irwin touched her while she lay unconscious from the fright endured he could

have ground out the old entity Lord and Master Dephen Ishik from her body from her mind He hated regretting things he had not done But worse he hated hearing the maddening sounds from the metal that rang everywhere like a terrible bout of vertigo followed by a throbbing headache Bad things could happen if he didn't keep his Metalist powers in check if they didn't stay out of PCP hands But they must find Yace With the chase begun there are few breadcrumbs to follow it seems that Clan Duin birds have picked them up and scattered them to the winds In their frantic search for Yace Kipp brings up past events finding fault with Irwin's volatile actions Doubt in one other will arise if they cannot come together with decisions if they cannot trust each other They cannot have doubt If they do then Lord and Master Dephen Ishik wins And if the elderly Telepath wins Irwin and Kipp will surely die Yet Irwin is resourceful even when he feels overwhelmed by it all He must be or everything could crumble or worse they will be captured and locked away taken to the worse place imaginable and killed He knows to keep himself in check but with soldiers surrounding finding Yace's trail is a challenge And the deeper into PCP territory they travel the worse their odds of survival are But if they don't save Yace from her mentally manipulative father her odds of survival drop to zero Will they be able to save her before that happens
