Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God's salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism's exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism's internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God's free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently

reflective of the commitments of each perspective regarding God's sovereignty, salvific love, foreknowledge and man's freedom, this so a person can make an informed choice about Calvinism. **Bible Doctrine** Wayne A. Grudem, 2014-10-28

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God, The Doctrine of God, The Doctrine of Man, The Doctrine of Christ, The Doctrine of the Application of Redemption, The Doctrine of the Church, The Doctrine of the Future. Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand and it's packed with solid biblical answers to your most important questions. Publishers Weekly, 1905

The Cross Douglas Vickers, 2010-04-02 A question has challenged the human conscience for two thousand years: How are we to explain the presence of Jesus Christ in this world? Or who indeed was Jesus Christ? A man like the rest of men? Or was he a divine Person? Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said: "Never man spoke like this man." The early church confirmed the apostles' declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment. Christ, Jesus, the apostle to the Gentiles, explained: "I came into the world to save sinners." In The Cross: Its Meaning and Message in a Postmodern World, Douglas Vickers sees the cross as the watershed of history. The divine objectives that the cross addressed bear vitally on the human condition, vitiated as that is by the entailment of sin. In an age in which postmodernist claims have rejected absolute criteria of truth and validity, the Christ of the cross provides the only refuge for those burdened by the search for meaning. The Cross explores the way of reconciliation between God and man. It affirms the apostolic claim that in Christ are hid all the treasures of wisdom and knowledge. Theologia Revere Franklin Weidner, 1902

Impeccability and Temptation Johannes Grössl, Klaus von Stosch, 2021-04-12 In Christian theology, the teaching that Christ possessed both a human and divine will is central to the doctrine of two natures, but it also represents a logical paradox, raising questions about how a person can be both impeccable and subject to temptation. This volume explores these questions through an analytic theology approach, bringing together 15 original papers that explore the implications of a strong libertarian concept of free will for Christology. With perspectives from systematic theologians, philosophers, and biblical scholars, several chapters also offer a comparative theology approach, examining the concept of impeccability in the Muslim tradition. Therefore, this volume will be of interest to scholars and graduate students working in analytic theology, biblical scholarship, systematic theology, and
