*Mid-Faith Crisis* Jason Hague, Catherine McNiel, 2025-06-03 Navigating the Storm Understanding the Crisis of Faith Many of us embarked on our spiritual journeys filled with hope and certainty only to find ourselves questioning the very foundation of our beliefs as life unfolded The faith that once seemed unshakeable may falter in the face of broken trust unanswered prayers and the harsh realities of worldly suffering But you're not alone mid-faith crises are a shared human experience that can feel isolating yet are a crucial part of our spiritual journey In *Mid Faith Crisis* authors Catherine McNiel and Jason Hague provide a compassionate exploration of this challenging phase With backgrounds in theology and personal narratives of their own spiritual upheavals they guide readers through the complex landscape of doubt and disillusionment *Mid Faith Crisis* candidly addresses the often unspoken realities of faith's evolution offering solace and practical insights for navigating through turbulent waters Through storytelling and reflection McNiel and Hague offer practices and disciplines that help reclaim what is genuine and discard what is not They reassure us that the crisis of faith is not an endpoint but a transformative stage that can lead to a more sincere and robust belief system If you're in the midst of a spiritual reevaluation *Mid Faith Crisis* will serve as a beacon of hope reminding us that while the road may be rocky the destination holds the promise of deeper faith and connection

Chaplain McNiel *Fearing Bravely* and pastor Hague *Aching Joy* deliver an approachable guide to tackling crises of faith They trace how even strong religious identities can be dismantled by life challenges or new perspectives resulting in a death of faith that leaves believers feeling lost and isolated Arguing that this uncomfortable stage can be a productive period in one's spiritual journey the authors unpack how readers can harness feelings of betrayal to seek new heroes of faith often those quietly doing good away from the spotlight and use their doubts to create a more honest intimate relationship with God

Haynes, 2017-04-19 Biblical literacy is fundamental to one's religious quest or spiritual journey Many readers with good intentions get lost or get bogged down trying to read through the Bible on their own If so this is your book For each of the thirty-nine books of the Old Testament this book has an introduction its historical and cultural setting a chapter by chapter synopsis of its content its eternal truths that supersede time and golden texts that are worthy of your memorization If you want to see the Bible in the context of its geopolitical world this is your book If you need to extract the eternal truths that supersede the biblical culture this is your book If you'd like to have a personal Bible of memorable golden texts this is your book If you need help as a teacher or preacher this is your book If you need to enhance your understanding of the Bible as the Word of God for the people of God this is your book This book reflects excellent scholarship but it is designed for all ages and stages from millennials to octogenarians      *The God-Image* Lionel Corbett, 2021-11-01 This book describes the development of images of God beginning in antiquity and culminating in Jung's notion of the Self an image of God in the psyche that Jung calls the God within Over the course of history the Self has been projected onto many local gods and goddesses and given different names and attributes These deities are typically imagined as existing in a heavenly realm but Jung's approach recalls them to their origins in the objective psyche This book shows how Jung's approach avoids many of the philosophical problems produced by traditional anthropomorphic images of God and describes the myriad symbolic ways in which the Self may appear independently of doctrinal images of God By focusing on the empirical psychological manifestations of the Self Jung's approach avoids arguments for and against the existence of a metaphysical God      **The Western Literary Messenger** , 1852      **Putnam's Monthly** , 1855
