Living Chinese Philosophy Roger T. Ames, 2024-10-01. In *Living Chinese Philosophy*, Roger T. Ames uses comparative cultural hermeneutics as a method for contrasting classical Greek ontology, the science of being in itself, with classical Chinese zoetology, the art of living, which is made explicit in the *Yijing* or *Book of Changes*. Parmenides, Plato, and Aristotle give us a substance ontology grounded in being qua being or being per se, to which he on that guarantees a permanent and unchanging subject as the substratum for the human experience. This substratum or essence includes its purpose for being, telos, and defines the what it means to be a thing of this kind, eidos, of any particular thing, thus setting a closed, exclusive boundary and the strict identity necessary for a particular thing to be this and not that. In the *Book of Changes*, we find a vocabulary that makes explicit cosmological assumptions that are a stark alternative to this substance ontology. It also provides the interpretive context for the canonical texts by locating them within a holistic, organic, and ecological worldview. To provide a meaningful contrast with this fundamental assumption of on or being, we might borrow the Greek notion of zoe or life and create the neologism zoeology as the art of living, shengshenglun. This cosmology begins from living, sheng, itself as the motive force behind change and gives us a world of boundless becomings, not things that are, but events that are happening, a contrast between an ontological conception of human beings and a process conception of what the author calls human becomings.

Meanwhile, a radical cleric has been elected president of Pakistan.

and upon taking power sets off a rapidly escalating conflict with India As the situation spins quickly out of control it becomes clear that India is only days from resorting to a nuclear response one that will have unimaginably disastrous results for the world at large With only days to head this off the President sends in his best people including Jessica Tanzer to do whatever it takes to restore the fragile peace to the region Tanzer has only one viable option to set up and execute a coup d etat in Pakistan and only one man in mind to lead the team that will try to pull off this almost unimaginable task in the nerve wrackingly short time frame Dewey Andreas If that is Jessica can even get to Dewey and if Dewey can get out of Australia alive
