Mafia Fix:

Mafia Fix Warren Murphy, Richard Sapir, 2023-09-01 The Mafia is making a power play on US soil smuggling in four shipping containers full of the finest Turkish heroin right under the Fed's noses. It's a shipment large enough to turn a generation into addicts and elevate the Cosa Nostra to new heights. This is a clear and present danger to the future of the nation; the only course for the President is to pick up a very special phone and to ask CURE to send in The Destroyer. The Destroyer is Remo Williams, an ex-cop who should be dead but instead fights for a top secret government law enforcement organisation. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.

The Fix Declan Hill, 2010-04-13 The Fix is the most explosive story of sports corruption in a generation. Intriguing, riveting and compelling, it tells the story of an investigative journalist who sets out to examine the world of match-fixing in professional soccer. From the Introduction: Understand how gambling fixers work to corrupt a soccer game and you will understand how they move into a basketball league, a cricket tournament or a tennis match, all places by the way that criminal fixers have moved into. My views on soccer have changed. I still love the Saturday morning game between amateurs, the camaraderie and the fresh smell of grass. But the professional game leaves me cold. I hope you will understand why after reading the book. I think you may never look at sport in the same way again.

Mafia Fix Richard Sapir, Warren Murphy, 1974

The Fix is in Brian Tuohy, 2010 Skeptical fan Brian Tuohy believes that the hugely profitable sports leagues have covered up the truth behind their operations: that professional sports are not all about fair play but sometimes corrupt interactions with mass media and players in the sports machine. And Tuohy can back these charges with an explicitly cited history of backroom dealings in football, baseball, basketball, hockey and car racing. THE FIX IS IN provides the shadow history of the sports world and the way it interacts with media and gambling operations.

The Passion Patrick Keddle, 2018-03-30 In 1981 a young semi-professional footballer known as Imam Beckenbauer for his piety and his dominant style of play has his career cut short after a confrontation with Turkey's military junta. His name was Recep Tayyip Erdogan and three decades later he is Turkey's most powerful ruler since Atatürk. Turkey is a nation obsessed with football. From the flares which cover the stadium with multi-coloured smoke and often bring play to a halt to the conductors' ultras who lead the walls of sound at matches, Turkish football has always been an awesome spectacle. And yet in this politically fraught country caught between the Middle East and the West, football has also always been so much more. From the fan groups resisting the government in the streets and stands to ambitious politicians embroiling clubs in Machiavellian shenanigans, football in Turkey is a site of power, anger and resistance. Journalist and football obsessive Patrick Keddle takes us on a wild journey through Turkey's role in the world's most popular game. He travels from the streets of Istanbul where fans dodge tear gas and water cannons to the plains of Anatolia where women are fighting for their rights to wear shorts and play sports. He

meets a gay referee facing death threats Syrian footballers trying to piece together their shattered dreams and Kurdish teams struggling to play football amid war The Passion also tells the story of the biggest match fixing scandal in European football and sketches its murky connections to the country's leadership In doing so he lifts the lid on a rarely glimpsed side of modern Turkey Funny touching and beautifully observed this is the story of Turkey as we have never seen it before *The Union* Peter David Perry,2025-02-26 Tells the story of corruption within organized labor and provides an authoritative look inside the union's computer system and the secret methods used to syphon millions from their trust funds Chris Vincent the union's trusted computer software vendor has been drawn into a trap between the Union and the FBI He has discovered the Union's secrets conspiracies and how organized labor attains power and how their computers enable them to move millions into the hands of the labor leaders the politicians and the Mafia Chris must find the courage to find a path to save his business and restore his self respect He must choose between loyalty and betrayal without violating his honor code Marco Richards is the FBI analyst on his most important field assignment who must hack into the union's computer and find evidence of the union's illicit schemes Does he follow lawful FBI policies and procedures or does he follow the rogue directives of his superiors Chris and Marco are headed on a collision course yet they are drawn together by their personal values They struggle to save their careers and all they have worked for as each must choose between who they really are or what they may become Do they live by their own personal honor code or do they betray the trust of those around them Murder extortion and corruption during secret lunches and dinners where deals are made and the reader is sitting at the table and experiencing the taste and special service of several famous New York restaurants Tells the story of the growth in labor unions illustrated around factual historical events and locations One can never know what the unexpected can bring or the lessons one would learn as they travel along a path toward the unknown Chris and Marco realize that they are mere pawns in a deadly game of survival The reader will need to decide who are the real criminals and what is the real crime A story of loyalty betrayal and personal discovery based on real life experiences Chinese Puzzle Warren Murphy,Richard Sapir,2023-09-01 An international incident nearly reaches boiling point when a Chinese diplomat is killed and the Communist Chairman's advisor is kidnapped all on US soil But help is on hand for the state department off the books and outside the law Remo Williams is The Destroyer an ex cop who should be dead but instead fights for the secret government law enforcement organisation CURE Trained in the esoteric martial art of Sinanju by his aged mentor Chiun Remo is America's last line of defence Now Remo and Chiun must save the abducted adviser and compromise the conspiracy all while the US and China prepare for nuclear war and an assassin seeks to take The Destroyer down Can they solve the puzzle before it's too late Breathlessly action packed and boasting a winning combination of thrills humour and mysticism the Destroyer is one of the bestselling series of all time Continental Divide Warren Murphy,R.J. America leaving CURE baffled Is a bloom of renegade algae eating away the bridge supports If so why is the water still safe Are the bridges being targeted by terrorists If so why are the targets deserted This would normally be a job for the Department of Transportation not the assassin s art of Sinanju but after a great scientist is abducted by aliens and a team of amateur detectives and their dog start nosing around for clues the mystery suddenly gets deeper weirder and much more dangerous than Remo and Chiun ever expected With America s roadways on the verge of the greatest traffic jam in history and the moon wreaking havoc on Remo s behavior Remo and Chiun run into an old friend they had hoped never to see again Remo had better get his head in the game and fast or his years of Sinanju training will be nothing more than water under the bridge
