Cardinal Nguyen Van Thuan Elisabeth Nguyen Thi Thu Hong, Stefaan Lecleir, 2025-03-28 This definitive biography of the heroic life of Servant of God Cardinal Thuan is told by his sister Elisabeth with Father Stefaan Lecleir in the context of his family life, priesthood and prison life and the very challenging times in which he lived. It focuses especially on his profound spiritual life, his great suffering during a thirteen-year imprisonment by the Communists, his strong capacity for friendship with his enemies and his deep veneration for Christ in the Eucharist. Elisabeth also reveals moving, miraculous events that she witnessed in his life. This inspirational account tells about the cardinal's family and how it played a central role in Vietnam's history, including his grandfather who was minister to the emperor and his mother who was a special assistant to his uncle Ngo Dinh Diem, president of Vietnam. The assassinated Diem is much better understood as the book discusses his deep Catholic faith and strong devotion to his country in extremely difficult circumstances. The rich family history shows how Cardinal Thuan came from a lineage of courageous Vietnamese Christians, martyrs of the past and present. This is a thorough, well-documented biography of a towering modern spiritual figure. It includes numerous testimonies of those who knew him personally and provides unprecedented material on the life of Cardinal Thuan. **Problems of Communism**, 1990

Wings of Judgment Ronald Schaffer, 1988-09-29 A disturbing and perceptive study of the strategy, outcome and choices behind the American bombing policies of World War II. The author analyses the explanations and moral arguments used by America's military leaders to justify the attacks on Dresden, Berlin and Hiroshima. **Social life in the British army, by a British officer [W.E. Cairnes]**. William Elliot Cairnes, 1900 **Military Law Review**, Between Home and the Front Smithsonian National Postal Museum, 2022-09-06 The personal letters of Americans during the Civil War preserve first-person records of news, people and emotions that humanize the horrific events of the war and provide unique insights into the conflict's effects on individuals, families, communities and America. Often, however, only the letters sent home survived, leaving half of the story missing. *Between Home and the Front* presents previously unpublished letters from the Walters family's collection held by the Smithsonian's National Postal Museum, which include the exchange of correspondence between the home front and front line, a perspective not often seen. *Between Home and the Front* gives us a glimpse into the poignant questions, answers and sentiments Private David Walters of the 5th Indiana Cavalry and his wife Rachel shared in their correspondence. The letters from David give details about some of the lesser-known actions of the western theater of combat, such as Morgan's Raid. The letters by Rachel Walters record how she managed the household and a young child while becoming a hub of communication for the family, often receiving missives from David's brothers Isaac and John Wesley, both of whom served with Indiana units and relaying the information to others. From the early letters describing a Civil War soldier's

enlistment to his widow's struggle in the aftermath of the war the letters of the Walters family add incomparable details to the study of the Civil War Between Home and the Front offers not only unique first person accounts from those that experienced the Civil War but also meticulous annotations that provide valuable historical context for the events people and material culture described in the letters Against Everything Mark Greif,2016-09-13 *Against Everything* is a thought provoking study and essential guide to the vicissitudes of everyday life under twenty first century capitalism Mark Greif is one of the most exciting writers of his generation In this invigorating collection he challenges us to rethink the ordinary world and take life seriously in short to stay honest in dishonest times In a series of coruscating set pieces he asks why we put ourselves through the pains of exercise what our concerns about diet or sex does for our fundamental worth what political identity the hipster might possess and what happens to us when we listen to Radiohead or hip hop Counter intuitive and revelatory in his insights Greif revels in the contradictions arising between our desires and the excuses we make to console ourselves His work demands we have the courage to be against everything to change our vantage on everyday life find it wanting and demand something better *Army Information Digest* ,1946 Citizen Soldiers and the Key to the Bastille Julia Osman,2015-01-06 Showcasing French participation in the Seven Years War and the American Revolution this book shows the French army at the heart of revolutionary social and cultural change Osman argues that efforts to transform the French army into a citizen army before 1789 prompted and helped shape the French Revolution **The Greenwood Encyclopedia of Daily Life in America** Randall M.
