The Real History Of The Rosicrucians Arthur Edward Waite, 2021-10-20 The Real History Of The Rosicrucians Arthur Edward Waite This is Arthur Edward Waite's study of the elusive Rosicrucians a secret society of which the first public notice was in early 17th century Germany Was this an actual organization or just a fantasy No actual Rosicrucians ever surfaced but there was plenty of documentation about them The problem is that these documents are for the most part obviously fictional In time a mythology grew up around the Rosicrucians Today there are groups which claim the name These date at the most to the late 19th century although they usually claim pro forma to go back as far as Egypt or Atlantis The Rosicrucians have also been woven by conspiracy theorists into their web alongside the Freemasons Illuminati Templars and so on even though there is not a shred of evidence for this
