Milwaukee Epicure:

Milwaukee Epicure, 1983-84 Elliott Wolf, 1983 **The Flavor of Wisconsin** Harva Hachten, Terese Allen, 2013-09-03

The Wisconsin Historical Society published Harva Hachten's *The Flavor of Wisconsin* in 1981. It immediately became an invaluable resource on Wisconsin foods and foodways. This updated and expanded edition explores the multitude of changes in the food culture since the 1980s. It will find new audiences while continuing to delight the book's many fans. And it will stand as a legacy to author Harva Hachten who was at work on the revised edition at the time of her death in April 2006. While in many ways the first edition of *The Flavor of Wisconsin* has stood the test of time very well, food-related culture and business have changed immensely in the twenty-five years since its publication. Well-known regional food expert and author Terese Allen examines aspects of food cooking and eating that have changed or emerged since the first edition, including the explosion of farmers markets, organic farming and sustainability, the slow food movement, artisanal breads, dairy, herb growers, and the like, and how relatively recent immigrants have contributed to Wisconsin's remarkably rich food scene.

Milwaukee, a Half Century's Progress, 1846-1896, 1896 **Putting Down Roots** Marcia C. Carmichael, 2013-11-06

Culture and history can be passed from one generation to the next through the food we eat, the vegetables and fruits we plant and harvest, and the fragrant flowers and herbs that enliven our gardens. The plants our ancestors grew tell stories about their way of life. Wisconsin's nineteenth-century settlers arrived in the New World in search of new opportunities and the chance to create a new life. These European immigrants and Yankee settlers brought their traditional foodways with them, their family recipes, and the seeds, roots, and slips of cherished plants to serve as comfort food in the truest sense. This part of our collective history comes alive at Old World Wisconsin's recreated nineteenth-century heirloom gardens. In *Putting Down Roots*, historical gardener Marcia C. Carmichael guides us through these gardens, sharing insights on why the owners of the original houses, be they Yankee settlers, German, Norwegian, Irish, Danish, Polish, or Finnish immigrants, planted and harvested what they did. She shares timeless lessons with today's gardeners and cooks about planting trends and practices, garden tools used by early settlers, popular plant varieties, and favorite flavors of Wisconsin's early settlers, including recipes for such classics as Irish soda bread, pierogi, and Norwegian rhubarb custard. *Putting Down Roots* celebrates the diversity and rich ethnic settlement of Wisconsin. It's also a story of holding fast to one's traditions and adapting to new ways that nourished one's family so they could flourish in their new surroundings.

Wallace's American Trotting Register ... John Hankins Wallace, 1904 *Milwaukee*, 1982 *An Illustrated Description of Milwaukee*, 1890 **The International Confectioner**, 1928 *The Dog Fancier*, 1922 **Wisconsin Cheese** Martin Hintz, Pam Percy, 2008-02-26. Breads, salads, pasta, fondue, quesadillas, pizza, and quiche are our favorite comfort foods. And all have something in common: they're better with cheese. Multimillion-dollar marketing campaigns and international awards, not to mention those infamous Cheeseheads, have made Wisconsin cheese famous. That heritage is celebrated in this book that includes more than 100 recipes, cheesemaking, and

eating history and trivia suggested wine pairings a source list of fine cheese retailers and much more
