The Mind Guide Tamunofiniarisa Brown, 2014-08-29 Issues discussed in this book reflect not only research work but also experience by the author to guide the mind of individuals who had been prejudiced by mind sets, training, doctrines, beliefs, and peers. Some individuals had accepted poverty and believed they will never be rich. Some others had accepted defeat in life and lay blame on their surroundings, friends, and families instead of blaming it on their lack of persistence, perseverance, self-improvement, and unceasing prayers. However, after reading this book, you will hone your thoughts. You can think yourself into success or into poverty. You can think yourself into progress or retrogression. Our mind sets are the powerhouse of our actions; success and failure in all areas of our lives—love, faith, sex, business, education, profession, marriage, friendship, etc.—The perspectives in this book are the issues of fears, the four Idols that prejudice

understanding emotional pitfall love faith sex and anger power of knowledge truth and reality power of thoughts cultural and ethnic miscues perseverance persistence prayers peers mental capability information quality and more and their respective influences on individuals behaviours and successes The author concludes this book with final words of mind guide which encompass almost all the areas discussed in the preceding twelve 12 chapters *Macro-Mind Power* Rebecca

Clark,2023-12-07 Is there one fantastic Primal Power in the universe whose force can be harnessed and utilized to guide you to ultimate freedom and all the joys of triumphant living The answer is an unqualified Yes And it s called Macro Mind power Ancient philosophers always thought of man as a counterpart of the universe and expressed the idea of man s relationship to the universe by the use of two related words microcosm and macrocosm The former meant little universe and the latter large universe Upon studying this viewpoint we can understand the Macrocosm to represent the entire warp and woof of creation The Macrocosm is the known and the unknown the visible and the invisible stretching eternally and encompassing within its framework the entire schema of universes galaxies stars sun systems planets and monadic worlds Perhaps even worlds within worlds There are two manifestations of Macrocosmic Mind controlling all elements of the Universe 1 There is the Universal Consciousness or God Mind involving certain laws which were established in the beginning of creation and are unwritten but immutable laws of the Universe These laws are fixed in the Universal Consciousness and whenever there is no interference or no special application of the Universal Consciousness these laws are fulfilled by every element that we find existing in the universe 2 There is the creative power of man s mind which is a part of the Universal Creative Power and this mind power can affect the elements of the Universe by applying other Universal Laws and making the elements obey This remarkable book gives you the ancient and one time secret techniques for releasing the Macrocosmic Power of your mind Know this truth EVERY GOOD THING YOU ARE SEEKING IS ALREADY SEEKING YOU **Live and Let Live Under One**

G-O-D Devidas (Dev) Tahiliani,2016-03-15 Live and Let Live Under One G O D by Devidas Dev Tahiliani Why have so many wars been fought in the name of Religion How can we eradicate the extremists of all religions The answer is to teach young people about Humanity and Spirituality Universal Religion The author has written this book to be adopted as a textbook in high schools all over the world Our world today is dominated by religions that require blind faith and obedience Humans will continue to abuse each other until we understand that we share a responsibility to ourselves and to each other The power of our inner spirituality is called humanism We can each follow our own path and share our faith with others without hatred scorn or violence and accept other paths as equally valid to our own It is good to have some kind of faith but we must follow it with reason Mind Power The Secret of Mental Magic William Walker Atkinson,2025-04-16 Mind Power The Secret of Mental Magic by William Walker Atkinson is a groundbreaking exploration into the power of the mind and its ability to shape reality First published in the early 20th century Atkinson s work offers readers a profound examination of mental dynamics delving deeply into themes of consciousness thought and the art of visualization As a cornerstone in the field of New Thought

philosophy this book provides timeless insights that continue to resonate with individuals seeking to unlock the full potential of their mental faculties At the heart of Mind Power is the premise that the mind is a powerful tool that when harnessed effectively can lead to transformative changes in one's life Atkinson emphasizes that our thoughts create our realities thus by changing our thinking patterns we can fundamentally alter our circumstances and experiences The book acts as a guide to understanding the relationship between thought and material manifestation urging readers to be mindful of their mental processes and the vibrations they send into the universe Atkinson's compelling prose introduces readers to the art of mental magic a term he uses to describe the ability to influence one's surroundings through the conscious direction of thought He outlines techniques such as visualization affirmation and creative imagination as essential tools for manifestation By practicing these techniques readers are encouraged to envision their goals and desires clearly believing in their attainment as if they were already part of their reality Atkinson presents practical exercises and affirmations empowering individuals to take an active role in shaping their destinies Additionally Mind Power delves into the concept of concentration and its effectiveness in harnessing mental energy Atkinson argues that focused thought can produce remarkable outcomes allowing individuals to direct their mental energy towards their desires He provides valuable insights on overcoming distractions and honing one's ability to focus which he identifies as crucial for achieving success in any endeavor A significant aspect of Atkinson's writing is the inclusion of metaphysical principles and the exploration of universal laws governing the mind He addresses topics such as the Law of Attraction suggesting that like attracts like and that thoughts can attract corresponding experiences Throughout the book Atkinson emphasizes the importance of maintaining a positive mental state and cultivating a mindset grounded in abundance health and success ultimately advocating for joy and fulfillment in life The book's structure is designed to guide readers progressively through the concepts presented leading to a deeper understanding of mental power and its applications Atkinson's insights are supported by thought provoking examples making the material easily digestible for readers of all backgrounds Each chapter builds upon the last ensuring that the reader evolves in their understanding of how to wield their mental faculties with precision and intention Mind Power The Secret of Mental Magic stands as a transformative work that continues to inspire individuals to tap into their inner strengths and capabilities Atkinson's rich legacy within the field of personal development and metaphysical thought is palpable in this text making it a vital contribution to the genre of self improvement and spiritual wisdom For those seeking to enhance their lives through the conscious application of mental power this book serves as a practical and inspirational manual on the journey toward self mastery
