**Ruth Hall, Carole Oglesby**

## **Minding The Body Psychotherapy In Cases Of Chronic And Life Threatening Illness:**

**Minding the Body** Ellyn Kaschak, 2014-01-27 Support and empower women who are coping with the pain fear and stigma of serious disease Being diagnosed with cancer chronic fatigue syndrome or fibromyalgia is a traumatic event that takes place at a time when the patient is already feeling physically and often emotionally drained Minding the Body combines feminist and social constructionist approaches to offer an intimate look into the ways a therapist can help clients cope with the pain fear and stigma of serious disease Minding the Body offers an alternative to the reductive view of the mind body connection and also examines the potential for growth that such experiences often allow The essays gathered here show how an effective therapist can help the client deal with the painful and difficult emotions that exacerbate illness while learning the emotional and spiritual lessons illness can teach Minding the Body presents both theoretical views and personal accounts of illness including scholarly discussions of the issues involved in autoimmune disorders a therapist's personal experience of chronic fatigue syndrome a personal and professional exposition of a woman's struggles with injury illness and managed care co written by client and therapist suggestions for understanding the social construction of illness and treating disease from a social constructivist point of view narratives reflecting on the change and growth of therapists diagnosed with cancer and other serious illnesses By looking at illness in the context of mind body society and medical establishment Minding the Body will help therapists doctors nurses counselors and clients deal with the grief disappointment and frustration of chronic and life threatening illness 100 Questions & Answers About Chronic Illness Robert A. Norman, Linda Ruescher, 2009-11-24

**Biracial Women in Therapy** Cathy Thompson, Angela R Gillem, 2019-07-18 Get a unique perspective on the female biracial experience Biracial Women in Therapy Between the Rock of Gender and the Hard Place of Race examines how physical appearance cultural knowledge and cultural stereotypes affect the experience of mixed race women in belonging to and being accepted within their cultures This unique book combines empirical research theoretical papers and first person narrative to address issues relevant to providing therapy to biracial women and girls helping therapists and counselors develop a treatment framework based on sociocultural factors Researchers practitioners and academics provide insight into the biracial reality taking multiple aspects of clients lives into account rather than looking for simple hierarchies of well being based on race Biracial Women in Therapy is a building block for mental health practitioners in the construction of theory and practice in working with biracial females The book examines how a biracial woman's racial ethnic identity intersects with her gender and sexual identity to affect her sense of belonging and acceptance addressing issues of appearance social class disability power and guilt and dating and marriage Topics addressed in the book include the complexities of multiple minority status how ethnic differences affect biracial adolescents issues encountered by biracial women from a sociohistorical context biracial women's attitudes toward counseling stereotypes of marginalization and identity confusion a multicultural feminist approach to counseling and a first person narrative of one author's racial and

sexual identity development Biracial Women in Therapy Between the Rock of Gender and the Hard Place of Race is a one of a kind resource for counselors therapists researchers and academics seeking insight into unique issues of mixed race women

**Women with Visible and Invisible Disabilities** Martha Banks, Ellyn Kaschak, 2014-01-14 This thoughtful collection addresses the issues faced by women with disabilities examines the social construction of disability and makes suggestions for the development and modification of culturally relevant therapy to meet the needs of disabled women Written in an accessible style with a minimum of jargon this book provides clinical material from the perspectives of psychotherapists clients personal assistants and health administrators Women with Visible and Invisible Disabilities also highlights the importance of considering age ethnicity and sexual orientation in its examination of feminist approaches to assessment psychotherapy disability management coping and discusses how the Americans with Disabilities Act impacts employment and education for women

The Next Generation Ellyn Kaschak, 2018-10-24 Shape a better future with the insights of the third wave Is feminism still necessary How can older feminists and younger ones find a common ground to discuss issues that affect them both What does it mean to be a third wave feminist The Next Generation explores these and other issues that deeply concern feminist therapists of all ages This powerful book examines the psychological and cultural context of the third wave of feminism The young feminists whose voices are heard in The Next Generation grew up in a very different world than the feminists who came of age in the 1960s and 1970s Dialogues between older and younger feminists explore conflicting cultural images of the feminist establishment as successful freedom fighters or angry anti sex activists The Next Generation discusses the issues young feminists face including the false sense that feminism is no longer necessary the social and historic context of young women s lives finding and sharing power in the therapeutic relationship building healthy mentoring relationships creating psychotherapy partnerships with adolescent girls The Next Generation offers a fruitful dialogue between older women who remember the bitter battles for the ERA and younger feminists who take for granted women s presence on the Supreme Court Each generation builds on the foundations of the past and the feminist psychotherapists represented in this volume offer fresh insights and techniques appropriate for the way we live now The Next Generation is an essential resource for therapists and feminists of any age

A New View of Women's Sexual Problems Ellyn Kaschak, Leonore Tiefer, 2014-02-25 Take a new look at women s sexuality This fascinating book looks at the wide ranging therapeutic social and political implications of the new paradigm of women s sexuality International in scope and multidisciplinary in approach A New View of Women s Sexual Problems examines the theoretical and practical effects of the landmark document produced by the Working Group on a New View of Women s Sexuality The book brings together gender theory psychology social science and medicine in a powerful cultural critique of the reigning medical approach to women s sexual health International experts from India Costa Rica Israel the US and many other cultures place this revolutionary idea in cultural and political context as well as extrapolating fresh new treatment options for dealing with women s sexual

problems A New View of Women's Sexual Problems analyzes the new paradigm's implications in many fields including family medicine couples counseling for straight and lesbian partners STD prevention and sexual health issues sex therapy sex education feminist theory developmental psychology

From Menarche to Menopause Joan Chrisler, 2014-06-11 From Menarche to Menopause The Female Body in Feminist Therapy examines the latest research on the menstrual cycle and women's reproductive health This timely volume focuses on women in therapy who are disconnected from or even repelled by their own bodies due to cultural attitudes abuse trauma or the natural aging process Experts in the fields of psychology and women's health unite to celebrate the physical life stages of women and girls and to offer practical advice for therapists to use when addressing negativity caused by appearance age menstrual symptoms or reproductive concerns In this book you will gain new understanding about the effects on a woman's mental health that transitional life stages can cause from preadolescence through the childbearing years to menopause The suggestions in From Menarche to Menopause can help women resist the bombardment of negative messages and misleading information they receive about their bodies and their reproductive concerns This helpful resource can also assist you in opening new lines of communication between mothers and daughter women and men and women and other women From Menarche to Menopause discusses how to handle topics such as self loathing caused by media and cultural messages that affect women's acceptance of their bodies overcoming a daughter's reluctance to discuss sensitive topics of bodily maturation menstruation and emerging sexual development helping women men and couples cope with infertility assisting women in overcoming a disappointing birth experience providing therapeutic care to women and couples who experience perinatal loss addressing perimenopause in midlife women and the concerns negative attitudes and uncertainty of this transition This unique book fills the gap in feminist therapy literature with practical advice concerning the functions of women's bodies that can be used within the therapy context From Menarche to Menopause includes extensive references and several book reviews to further your research and provide reading and other resources you can recommend to your clients This practical resource on women's reproductive health as it relates to mental health is an important addition to the bookshelves of feminist psychologists clinical practitioners social workers and health practitioners as well as faculty and students of these disciplines

The Invisible Alliance Ellyn Kaschak, 2021-02-25 Explore the relationship between psychology and spirituality from a feminist perspective From the editor There are forces in the universe about which we know nothing and can learn nothing through empiricism and material means Such forces can be invoked in the process of therapy to assist in healing to deepen experience and to free us from the confining limits of the human mind This is a book about the spiritual within each of us and about spirituality as it extends beyond any of us to embrace all of us It deals with inspiration and passion sorrow and loss meaning and depth It focuses upon the relationship between matters of spirit and of psychology leading to new treatments within the parameters of psychotherapy that extend its vision far beyond the treatment of affliction The Invisible Alliance Psyche and Spirit in Feminist

Therapy provides you with a comprehensive review of multiculturalism and its relationship with feminism and spirituality and explores ways to incorporate Jewish principles and beliefs into feminist therapy the application of religious sources of passion and perspective to parenting and working with children ways to combine Christian and Wiccan philosophies in therapy a provocative approach for integrating Christian biblical teachings into feminist therapy for survivors of sexual abuse ways that Buddhist ideas can enrich the understanding of the self and identity a case study of ancient healing traditions used by Latinas criteria for therapists to use in deciding whether to work with clients dealing with spiritual religious issues or refer them to someone more appropriate a way to use the power of ritual to heal and give more meaning to important life transitions

*You Don't LOOK Sick!* Joy Selak, Steven Overman, 2005-03-08 Coming to terms with this reality was a lot like accepting the death of a loved one You Don t LOOK Sick Living Well with Invisible Chronic Illness chronicles a patient s true life accounts and her physician s compassionate commentary as they take a journey through the three stages of chronic illness Getting Sick Being Sick and Living Well This resource helps you focus on building a meaningful life that contains illness as opposed to a life of frustration and fear Designed for patients in at all stages of the chronic illness journey this book will also be illuminating for caregivers and loved ones From the book I ve learned that having a chronic illness is not a prison sentence It does not mean I must spend the rest of my life feeling depressed and angry locked away from the world inside my little sick box It does not mean that I am useless and no longer have any gifts to share but it may mean that I must develop some new ones You Don t LOOK Sick addresses practical aspects of chronic illness such as hiring a doctor managing chronic pain coping with grief and the loss of function winning battles with health and disability insurers countering the social bias against the chronically ill recognizing the limitations of chronics illness care and charting a path for change In You Don t LOOK Sick Living Well with Invisible Chronic Illness you will find stories dialogue humor examples and analogy of the three stages to illustrate a challenging but navigable journey You will also find suggested reading materials for learning to live well medical Internet resources illness specific Web sites names and addresses of national associations and a bibliography of medical books by topic The short chapters and straightforward language of the book will be helpful for readers who are weary and dispirited From the authors I ve learned that having a chronic illness is not a prison sentence It does not mean I must spend the rest of my life feeling depressed and angry locked away from the world inside my little sick box It does not mean that I am useless and no longer have any gifts to share but it may mean that I must develop some new ones Joy H Selak My goal is to work with patients so that like world class athletes they can perform at their peak capacity My job is more than giving answers I must educate counsel and encourage patients to set goals and implement a personal care program as well as take appropriate medications Dr Steven Overman The authors are experienced public speakers If you wish to inquire about their availability to speak to patients or health care professionals please contact Joy Selak by email at JoyWrites austin rr com **Intimate Betrayal** Ellyn Kaschak, 2014-01-02 Help ease the secret suffering of lesbians in abusive relationships

Why is woman on woman violence so often ignored or discounted Intimate Betrayal Domestic Violence in Lesbian Relationships uncovers the hidden problem of lesbians who hurt the women they love This long needed book brings together theory practice and research to suggest new and fruitful ways to understand prevent and treat this common problem Intimate Betrayal provides new empirical research into the psychological and sociocultural causes of abuse As several of the chapter authors demonstrate neither traditional feminist theories about power nor heterosexist paradigms explain the causes dynamics or treatment of this problem However the new research presented here suggests helpful diagnostic criteria and effective treatments Intimate Betrayal analyzes the factors that contribute to lesbian domestic violence including heterosexism and homophobia minority stress emotional isolation and lack of community ties revictimization of women who have previously suffered abuse The thorough literature review included reveals the paucity of attention that has been paid to this problem Intimate Betrayal suggests exciting new models for freeing women from domestic violence including the use of clinical and community resources and liberation theology Community activists counselors and psychologists will be intrigued by the insightful analysis of the root causes of lesbian on lesbian violence and the valuable treatment suggestions Researchers will welcome the new avenues it opens for additional research

Exercise and Sport in Feminist Therapy Ruth Hall, Carole Oglesby, 2014-01-14 Integrate physical activity into feminist therapy This book explores the healing use of exercise and sport as a helpful adjunct to therapy from several therapeutic orientations within the feminist context It looks at the ways that feminist orientations challenge the mind body dichotomy and explores the benefits of integrating physical activity exercise and sport into therapy From the editors The contributors to this book display a diversity of theory and research approaches including the integration of the exercise sport sciences and exercise physiology This volume is unique in that there has been comparatively little written about the use of exercise in therapy even though exercise is a wonderful and useful intervention tool in the treatment of depression stress anxiety disorders and chronic pain This book illustrates how exercise can be applied to inpatient and outpatient populations to the neurotic and to the chronically mentally ill Exercise can reduce the incidence of chronic diseases including diabetes and hypertension as well as address physical problems such as obesity Exercise can give one a sense of mastery and self confidence As our authors suggest exercise must be tailored to specific issues and client populations and diagnoses level of functioning age overall health and cultural context must all be taken into account Exercise and Sport in Feminist Therapy Constructing Modalities and Assessing Outcomes examines the theory supporting the use of physicality to enhance various types of psychotherapy psychoanalytic cognitive behavioral constructivist narrative and organismic systems practical methods of integrating exercise into varied orientations an exercise program for women with fibromyalgia a way to use exercise to enhance rehabilitation from breast cancer the use of exercise in group therapy for women suffering with chronic mental illness the tend and befriend model which can help clients to meet their exercise program responsibilities

**Handbook of Gender Research in Psychology** Joan C. Chrisler, Donald R.

McCreary,2010-03-12 Donald R McCreary and Joan C Chrisler The Development of Gender Studies in Psychology Studies of sex differences are as old as the eld of psychology and they have been conducted in every sub eld of the discipline There are probably many reasons for the popularity of these studies but three reasons seem to be most prominent First social psychological studies of person perception show that sex is especially salient in social groups It is the rst thing people notice about others and it is one of the things we remember best Fiske Haslam Stangor Lynch Duan Glass 1992 For example people may not remember who uttered a witty remark but they are likely to remember whether the quip came from a woman or a man Second many people hold rm beliefs that aspects of physiology suit men and women for particular social roles Men s greater upper body strength makes them better candidates for manual labor and their greater height gives the impression that they would make good leaders i e people we look up to Women s reproductive capacity and the caretaking tasks e g breastfeeding baby minding that accompany it make them seem suitable for other roles that require gentleness and nurturance Third the logic that underlies hypothesis testing in the sciences is focused on difference Researchers design their studies with the hope that they can reject the null hypothesis that experimental groups do not differ **Feminist**

**Periodicals** ,2001 Women as They Age Susan O Mercer,J Dianne Garner,2012-07-26 Explore the needs of older women and ways to provide for them Written by women about women and for women Women As They Age Second Edition highlights the realities of being an aging woman in a youth oriented male dominated society in which socioeconomic and gender stratification are the norm In the eleven years since the publication of the original Women as They Age there has been a great deal of research on the subject This second edition is inclusive and current providing valuable information on the needs and accomplishments of our present and future older population Here you ll encounter women from the mainstream and minorities of all kinds and come to a better understanding of their personal and family relationships their sexuality their concerns and their feelings about death and dying Public policies towards aging women are discussed as are psychological and sociological perspectives In its focus on older women Women As They Age Second Edition highlights the challenges that these women present to professionals whose job it is directly or indirectly to provide assistance to the vast array of aging and aged women This valuable multidisciplinary book aimed at students practitioners administrators and educators addresses crucial issues in social work nursing psychology sociology gerontology and economics New subjects covered in this edition include grandmothers raising grandchildren long term care for aging women the current status of public policy as it pertains to older women older women s changing perspectives on sexuality new issues surrounding death and dying Women as They Age Second Edition explores state of the art and developmental perspectives across the professions of sociology psychology social work and nursing Also provided is a close examination of the unique issues facing older women including public policy employment discrimination and social program adequacy and equity the relationship of older women to family sexuality and intimacy and special concerns of minority women This volume includes a practical resource guide that explores the services

available to older women While addressing the troublesome situations of older women worldwide *Women As They Age* Second Edition also celebrates their triumphs accomplishments and contributions G.K. Hall Women's Studies Index ,2001
