Armentrout, Stephanie Perkins and Simone Elkeles. Tough and independent seventeen year old Abby lets very few people into her inner circle. It's common knowledge in her Kentucky town that she deals drugs but not even her closest friends know why. But when a deal goes south and Abby's suddenly in danger she finds herself reluctantly forced to lean on daredevil Logan, a boy whose restless spirit matches her own. Logan has his own reasons for wanting to keep Abby at arm's length. But he never expected to find in her the one person who might help him face the demons he's tried so hard to run from. Together Abby and Logan will have to make a decision let their current circumstances weigh them down forever or fight for the future they both thought was impossible. Originally published in July 2016 **Scott Mountain** Bill

Reamer, 2014-09-25 **Scott Mountain** is a sequel to Bill Reamer's novel *The Dates*. The story continues into the lives of the next generation with natural and supernatural ties to the past. The characters discover as they maneuver down life's winding path that the path is fraught with crossroads. Each crossroad requires a decision, a choice. In making decisions, the right thing to do is the right thing to do no matter the cost. At times the cost can be high. Choices always carry consequences. Love can be gained or lost. Friends made or enemies created. There can be joy or heartache, fame or shame, life or death. Once a crossroad is negotiated, lives are never the same. Lives will be better or worse but they can never be the same. If you believe, more is expected. Reading **Scott Mountain** will fortify those beliefs. If you're not a believer, **Scott Mountain** can start you down that noble path. **The S-2 Project** Jennifer Ferranno, 2004-03 Susan Kelsey has an ideal life. She has a career with an electronics development firm in a big city, a nice home, and a new car. Coming from a small town, Susan finds herself uneasy with the city's crime rate. Being a pacifist, she is stunned to discover she is being stalked by a thief and the police are unable to identify him. When the thief turns out to be a mass murderer who is targeting the highly classified S-2 Project, her salvation comes in the form of an agent for Homeland Security. Their worlds and their ideas on law enforcement are totally opposite but even Susan realizes he is her only chance to survive. Neither of them counted on their emotions to get in the way and although opposites are supposed to attract, can Susan forget that the man who stole her heart carries a gun everywhere. When the tables are turned, can she find the strength to do what it takes to save the agent's life. **The New Kid** Eliot

Schreier, 2007-09-04 At fifteen years old, Humphrey has spent his life as the new kid moving from town to town as his parents keep losing jobs. The latest move brings him to Haven, Florida, where his family rents a motel room for lack of money. Humphrey's half sister, Gretchen, escaped the family's itinerant lifestyle long ago and is now graduating from

Harvard College and pining for a Harvard boy who broke her heart When fate offers Gretchen a chance to go abroad both brother and sister find themselves with the opportunity to leave their problems behind and travel to Italy But the siblings Roman holiday takes a sinister turn when what was supposed to be a glamorous jaunt has fateful consequences The New Kid is an account of love family sexual awakening and the peculiarly dangerous twists life can take a deftly written novel from the acclaimed author of Glamorous Disasters Truth, Trust And Relationships Barbara R. COMMENTS FROM THE EDITOR I found it to be a very moving and in fact a haunting story There is both humor and love so it is not unmitigated It reminds me of Dorothy Allison's *A Bastard Out of Carolina* in some ways It is not that the story or characters resemble hers but it is similar in telling a story that may be hard for people to hear So many will feel that this story needs to be told
