The Trail to Crazy Man Louis L'Amour, 1986-08-01 A WORD FROM LOUIS L AMOUR Almost forty years ago when my fiction was being published exclusively in pulp western magazines I wrote several novel length stories which my editors called magazine novels In creating them I became so involved with my characters that their lives were still as much a part of me as I was of them long after the issues in which they appeared became collector's items Pleased as I was about how I brought the characters and their adventures to life in the pages of the magazines I still wanted the reader to know more about my people and why they did what they did So over the years I revised and expanded these magazine works into fuller length novels that I published in paperback under other titles These particular early magazine versions of my books have long been a source of great speculation and curiosity among many of my readers so much so of late that I'm now pleased to collect three of them in book form for the first time I hope you enjoy them
