George Frideric Handel

My 3 Angels:

My 3 Angels, by Sam and Bella Spewack; Based on *La Cuisine Des Anges* by Albert Husson Samuel Spewack, Bella Cohen Spewack, 1953 *The Three Angels' Good News* Sherrilee Fish, Three heavenly angels streak across the expanse of the starry heavens and penetrate earth's atmosphere to bring an urgent message to human beings to prepare them for Jesus' return from heaven to earth. This three-part symbolic message is found in Revelation 14, the heart of the prophecies of the book of Revelation. Believers in the second advent of Christ in the mid-nineteenth century discovered this message and began sharing it with others. Over time many of the children and grandchildren of those believers have lost their connection with that message and its relevance for them in a complex post-modern world. Author Sherrilee Fish unpacks the message of those angels for young people so that they can understand that the God who loves them was willing to save them at great cost and that He wants them to happily wait for the glorious return of Jesus to the earth. He also wants to give them the antidote to the dreaded mark of the beast and the marks of faithfulness of the people that Jesus will take with Him to heaven. Share its message with your children or let them read it on their own. Agur's Prayer Robert Topliff, 1854 **Three Angels, One**

Message John T. Anderson, 2012. Now would be a good time to remember the angels' instructions. The Three Angels Message comprises only seven of Revelation's 404 verses, a tiny percentage of what John the revelator recorded. Yet as God's final warning to a world enamored with sin, these cryptic messages are highly significant. What exactly is God warning the world about, though? And how is this warning relevant to you considering what is currently happening in our world? If it's so important, why isn't this portion of Scripture as well known as the Ten Commandments or the golden rule? Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used. His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God's warning is to every human on this planet today. *My Three Angels* /by Sam and Bella Spewack, 1954 - House Program Grand Theatre Collection (University of Guelph), 1954
