Pentecostals And Power:

Spirit and Power Donald E. Miller, Kimon H. Sargeant, Richard Flory, 2013-08-15 An exploration of the global growth and social and political impact of Pentecostalism *Pentecostal Power* Calvin Smith, 2010-11-26 During the 1980s an explosion of Pentecostalism across Latin America attracted considerable attention among sociologists political scientists and regional experts eventually spreading to other academic disciplines Indeed ongoing spectacular growth and the social and political impact of the movement have strongly challenged secularization theory Yet while studies exploring the phenomenon are plentiful many limit their analysis to a single country issue or the perspective of a particular discipline Thus this edited volume provides readers with a multidisciplinary and continent wide treatment of the nature and effects of Latin American Pentecostalism including a theological analysis notably absent in most studies by various experts with published work in the field and as such represents an important contribution to the current literature **Pentecostals and Power** Bernard

Rossier, 1989-03-01 **Power in Powerlessness** Martin Lindhardt, 2012-01-20 In this study of a Pentecostal denomination in urban Chile Martin Lindhardt steps back from classical instrumentalist explanations of Pentecostal growth in Latin America and offers a comprehensive analysis of the ritual and quotidian practices through which adherents live their religiosity on an everyday basis **A Pentecostal Hermeneutic for the Twenty First Century** Kenneth

Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

Spirit and Power William W. Menzies, Robert P. Menzies, 2000 This book is a fresh scholarly and definitive look at what Pentecostals believe and why **Pentecostal Power** Calvin Smith, 2010-11-26 Since the 1980s an explosion of

Pentecostalism across Latin America has attracted considerable attention across various academic disciplines This edited volume provides a multidisciplinary and continent wide treatment of Latin American Pentecostalism by various experts representing an important contribution to the current literature *Intra-African Pentecostalism and the Dynamics of Power* Amos B. Chewachong, 2024-10-29 In an era when African Pentecostalism stretches its vibrant mosaic across continents Intra African Pentecostalism and the Dynamics of Power examines the pulsating heart of this phenomenon within Africa itself The book explores the complex interplay of faith and power through the lens of Nigeria s Winners Chapel and its expansion into Cameroon What compels a movement to evangelize fervently within its own continent making it both the preacher and the

audience The book exposes the reverse missionary flow to the northern hemisphere as a backdrop for a more profound story unravelling within Africa Here the mother church exerts a magnetic pull ensuring fidelity as charismatic leaders like Bishop Oyedepo maintain their spiritual gravitas It is a story not just of spirituality but of strategic moves and socio political undercurrents that shape identities and beliefs Employing rich narratives and rigorous research this book looks in depth at Winners Chapel s transnational missions highlighting the complexities of allegiance identity and the propagation of the prosperity gospel It challenges readers to see beyond conventional religious discourse into the depths where faith intersects with culture and power The book invites us to understand the multi dimensional influence of African Pentecostalism and to grasp the nuances of a faith that is transforming the continent from within *Pentecostal Theology and the Christian Spiritual Tradition* Simon Chan,2000-01-01 This book deals with the problem of Pentecostal traditioning Traditioning has been ineffective thus far because the richness of Pentecostal faith and experience has been inadequately captured in the classical Pentecostal doctrines of Spirit baptism and glossolalia A more adequate understanding of the key theological symbol of Pentecostalism glossolalia emerges when it is interpreted in the light of Christian spiritual tradition Within this larger tradition glossolalia can be seen as bringing together both the ascetical and contemplative dimensions of the Christian life Chan thus explores the shape of Pentecostal ecclesiology as traditioning community **A Guide to Pentecostal Movements for Lutherans** Sarah Hinlicky Wilson,2016-07-06 In just over a century Pentecostalism has rocketed from its humble beginnings in an interracial congregation on Azusa Street in Los Angeles to a global movement counting more than six hundred million members Confronted with the bewildering array of Pentecostal Charismatic and Neocharismatic beliefs and practices Lutherans are often at a loss as to how to think about Pentecostals much less how to engage them in positive ways that build up the whole body of Christ In this guide Lutherans will find tools for just such an engagement Building on a foundation of Pentecostalism s history and varieties Wilson undertakes an in depth survey of biblical teaching on baptism the Holy Spirit and spiritual gifts The guide then brings innovative new lenses to bear on the questions at stake the use of church history in defending denominational borders right and wrong approaches to prosperity the power of the Spirit and corruptions of power and the role of experience in theological discernment Written in a style accessible to laity and clergy alike this guide will strengthen Lutherans appreciation of their own tradition while enabling them to encounter Pentecostals as fellow believers in the salvation given by the triune God *Pentecostals and Charismatics in Latin America and Latino Communities* Néstor Medina,2015-09-30 Pentecostal charismatics in Latin America and among Latinos communities that share profound historical linguistic and cultural roots This compilation brings together practitioners and academics with pentecostal charismatic affiliations who analyse from within the development of the movement among these diverse communities **Nigeria - Politics, Religion, Pentecostal-Charismatic Power and Challenges** Akintayo Emmanuel,2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious

encounters in Africa The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non Arab Muslim world The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace Without a domain of tolerance love equity and justice Nigeria will continually be immured by pessimism parochialism cynicism and mutual suspicion Despite being the largest economy in Africa and the most populous Black country Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam The significance of this goes beyond the borders of Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement s historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement s political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal Charismatic Movement Their contextual missional landslide disheveled with complicated paradoxes in the way the Christian majority have responded to Muslims in northern Nigeria is anatomized The Nigerian Pentecostal Charismatic Movement s puissance to solve some of Nigeria political ideological cultural and spiritual dimensions of crisis and sectarian violence is achievable if the movement can mitigate her missiological hindrances The responses of Nigerian Pentecostal Charismatic Movement to Nigeria s socio political and ethno religious complexities can construct a great future for the soul of Nigeria They do not only have the capacity to provide the Christian alternatives to Nigeria s peculiarities they can also stimulate Nigeria s deification among other nations by continuing to disentangle from unscrupulousness and atrociousness embedded within a reproach and opprobrium to any people

Charismatic Renewal and Pentecostalism Isidore Iwejuo Nkwocha,2021-09-30 The Holy Spirit is a sine qua non in the life of the church and in all Christian life and experience The importance of the experiential and praxis oriented theology of the Charismatic Renewal and Pentecostalism cannot be overemphasized in the realization of the potentials of a Spirit animated church In fact Charismatic Renewal in the Nigerian Catholic Church is an essential part of the changing face of the Catholic Church in Nigeria This work is therefore using Charismatic and Pentecostal theology and praxes to argue for the renewal of the Nigerian Catholic Church It avers that the praxis oriented and experiential theology of the Charismatics and Pentecostals which characterize them as Spirit filled groups and churches are enabling the Nigerian Catholic Church to

realize the potentials of a Spirit driven church It upholds that the Nigeria Catholic Church through the Nigerian Catholic Charismatic Renewal which is an indispensable part of the changing face of the Catholic Church in Nigeria has wittingly or unwittingly begun the renewal of her pneumatological ecclesiological and liturgical doctrines and practices in accord with those of a truly Spirit animated church

The Evolution of a Pentecostal Scholar Martin Mittelstadt, 2024-10-14 This collection of previously published essays reveals a personal journey Two decades ago I could not have anticipated the twenty first century theological and methodological shifts in biblical studies In these essays I encourage readers to observe my evolution by way of adventures in Luke Acts In so doing I invite readers to reimagine a story not simply about the past but rich with possibilities

Political Pentecostalism Leandro L. B. Fontana, Markus Luber, 2021-08-13 The last decade has witnessed fundamental shifts in the relationship between religion and politics In this light religious symbols motifs justifications and practices are increasingly noticeable in political discourses as well as agendas particularly in the Global South with Pentecostal Christians standing out as salient actors Performative practices enacted in political contexts such as the anointing of state authorities prophecies warfare prayers etc have drawn the attention of numerous scholars worldwide The four surveys contained in this volume account for these developments in Africa Asia and Latin America and synoptically engage with the following question Can any meaningful nexus connecting multiple and apparently isolated nodes of Pentecostal engagement in the political sphere around the globe be identified In addition they do the groundwork for drawing parallels on a global level on the basis of which new light can be shed on fundamental changes in Pentecostal actorhood and self understanding Thus local developments and ethnographic studies are for the first time reflected upon from a global perspective

Pentecostalism as a Christian Mystical Tradition Castelo, Daniel, 2017 Informed reassessment of Pentecostalism as a mystical tradition of the church universal Pentecostalism says Daniel Castelo is commonly framed as evangelicalism with tongues or dismissed as simply a revivalist movement In this book

Castelo argues that Pentecostalism is actually best understood as a Christian mystical tradition Taking a theological approach to Pentecostalism Castelo looks particularly at the movement's methodology and epistemology as he carefully distinguishes it from American evangelicalism Castelo displays the continuity between Pentecostalism and ancient church tradition creating a unified narrative of Pentecostalism and the mystical tradition of Christianity throughout history and today Finally he uses a test case to press the question of what the interactions between mystical theology and dogmatics could look like

From Sin to Salvation Virginia Lieson Brereton, 1991-07-22 fascinating Theological Book Review By examining women's conversion experiences the author provides a corrective to the much popularized TV evangelism She examines the stories U S women have told of their profound realization of their sinfulness and the necessity of turning to God's grace and love for forgiveness

The Cambridge Companion to Pentecostalism Cecil M. Robeck, Jr, Amos Yong, 2014-08-11 Pentecostalism is one of the fastest growing religious movements in the world Groups in the United States dominated early Pentecostal histories but recent global manifestations have expanded and complicated the definition of Pentecostalism This volume provides a nuanced overview of Pentecostalism's various manifestations and explores what it means to be Pentecostal from the perspectives of both insiders and outsiders Leading scholars in the field use a multidisciplinary approach to analyze the historical economic political anthropological sociological and theological aspects of the movement They address controversies such as the Oneness Trinity controversy introduce new theories and chart trajectories for future research The Cambridge Companion to Pentecostalism will enable beginners to familiarize themselves with the important issues and debates surrounding the global movement while also offering experienced scholars a valuable handbook for reference

Pentecostal Theology Wolfgang Vondey, 2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition
