

ENJOY THE JOURNEY!

"It would be wonderful if we could stop pacing the aisles and counting the miles. Instead, we might climb more mountains, go barefoot more often, swim more rivers, watch more sunsets, laugh more, cry less. Life must be lived as we go along. The final destination will come soon enough." Delight in the following excerpts from the best-selling book *Enjoy the Journey!*

Part I: Our Search For Peace and Happiness (Cassette 1 Side A)

"We all seem to be searching for lasting peace and happiness in this life. But where can such happiness be found?" Lucile informs the listener that "it would be good to understand and internalize the concept that happiness comes when we step off the escalator of desire and say, 'This is enough. What I have will do. What I make of life and my relationship with the Lord Jesus Christ is what matters.'" Discover that joy and happiness are meant to be experienced along the way, not only at the end of the trip.

Part II: Love and Peace—A Way of Life (Cassette 1 Side B)

As we travel along life's road, "the wants and needs of human beings can usually be described with one word—love. Everyone needs and is searching for love." Lucile describes the healing power that love can have in our relationships, and reminds us that "love and peace are to be a way of life. It was Christ's greatest desire that we should love one another." Acquire a new perspective on how you can be more loving.

Part III: Accepting and Valuing Our Differences (Cassette 2 Side A)

"A significant number of marital problems center around one fact: men and women are totally different." Lucile explores these many differences with great humor, and teaches that accepting and relishing them is a key to enjoying our journey.

Part IV: Nourishing Your Marriage (Cassette 2 Side B)

Listen as Lucile compares marriage to planting and harvesting a tree. "Neither a tree nor a marriage survives by divine accident. No good marriage just happens or is the result of luck, or circumstance, or genetics. It is the result of proper care and nourishment." Learn techniques of "marriage maintenance" and "emotional first aid" that will help you to enjoy the journey!
