

THE FUTURE LIBRARIES

Libraries have faced a number of struggles and successes over the past few years, but one thing is clear: Libraries are willing to adapt and experiment in order to help their communities.

There are more than
121,000
libraries
in the U.S.

69% of Americans
continue to use
public libraries.

In 2011, American libraries
increased their library usage.

Americans rely on libraries for free access to books, magazines, e-books, DVDs, the Internet and other resources.

Americans are relying on libraries' free services more than ever, even now that the economy is recovering. Yet, many libraries' budgets face major cuts.

LIBRARY USAGE TRENDS

56 change in library visits (2005-2011)

E-BOOKS

The growing popularity of e-books has increased the demand for them in libraries.

Despite the demand for e-books, **LIBRARIES have limited access** to them.

Some of the nation's largest publishers refuse to sell e-books to libraries.

Other publishers have increased the prices libraries must pay for e-books.

Other publishers limit the number of times each e-book can be loaned to a patron.

OTHER SERVICES are popping up for lending and borrowing e-books, too

Kindle allows patrons to lend and borrow their e-books not only to friends, but to strangers as well. Learn more at <http://kindle.me/>

TECHNOLOGY AT THE LIBRARY

Many libraries are working to fulfill their communities' needs to provide technology services.

THIS IS important BECAUSE

In some communities, libraries are the only place to access free public Internet.

30 million Americans rely on libraries to find a job.

91% of libraries provide access to online job resources.

72% of libraries help patrons complete online job applications.

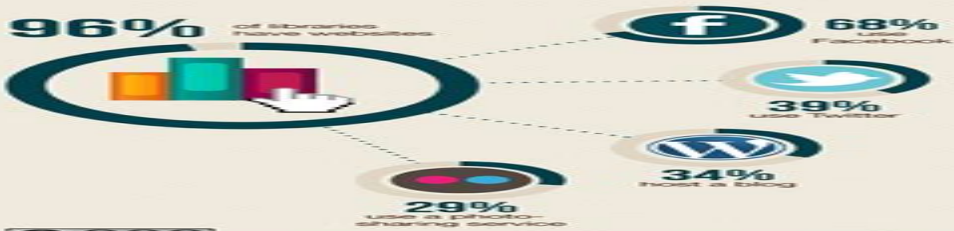

ACADEMIC LIBRARIES

School and academic libraries provide a number of resources to their students. Technology acquisitions appear to be leveling in school libraries around the country.

LIBRARIES & SOCIAL MEDIA

More and more libraries are now using social media.

LIBRARIES USE social media TO

Reading The Future A Future For Literature In Public Libraries

Judd E. Hollander

Reading The Future A Future For Literature In Public Libraries:

Readers, Reading, and Librarians William A. Katz, 2001 Readers Reading and Librarians reaffirms librarians enthusiasm for books and readers in the midst of the evolution of libraries from reading centers to information centers where librarians are now Web masters information scientists and media experts It explores the future of the book as a medium and examines reasons for the decline in pleasure reading and the need for librarians to sponsor book groups With nearly two hundred open ended interviews with readers who read for pleasure this book looks at how and why they choose or reject certain books

Public Library Quarterly Kansas City Public Library (Kansas City, Mo.), 1908 **Supporting Reading in Grades 6-12** Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6 12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork Supporting Reading Grades 6 12 A Guide addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today s constantly evolving technologies Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL s Standards for the 21st Century Learner *Planning Public Library Buildings* Michael Dewe, 2016-04-22 Planning a new or refurbished public library means considering not only facilities for collections services staff and users but examining also the local context reviewing the library image and developing relationships with other community facilities and agencies This book examines the entire gamut of challenges confronting the planning and development of contemporary public libraries their mission their roles and key issues such as lifelong learning social inclusion community and cultural needs regeneration and funding The helpful presentation and readable style guides the librarian through the preliminary information gathering and decision making process that ensures a successful library building for all concerned Using practical case studies plans and photographs the author tackles the critical issues of siting size plans and design concepts and provides a helpful guide to weighing up the alternatives of refurbished converted and new buildings Separate chapters focus on the planning briefing and construction process security safety and sustainability key characteristics of successful buildings identity decor and signage and interior layout and facilities The text draws together a vast resource of real library examples from all over the world which provide best practice models and lessons to

learn For funding authorities librarians and architects of public libraries this is a highly informative book that will help to ensure wise decision making and prevent costly mistakes **The Reading Society: A Journey Through Literary History** Pasquale De Marco,2025-07-12 Embark on a captivating journey through the history of reading from its ancient origins to its enduring impact on modern society in this comprehensive and illuminating book Discover how the written word has shaped civilizations ignited revolutions and transformed countless lives Within these pages you ll explore the remarkable evolution of reading from the clay tablets of ancient Sumer to the digital devices of today Witness the rise of mass literacy and the democratization of knowledge and uncover the factors that have fueled this remarkable transformation Meet the iconic figures who championed the power of reading from Aristotle and Plato to Shakespeare and Dickens and learn how their writings have shaped the course of human history Delve into the diverse literary genres that have emerged over time from epic poems and historical accounts to novels plays and scientific treatises Explore the neurological and psychological processes that underpin reading and discover how this essential human activity enhances our cognitive development emotional intelligence and sense of empathy Uncover the factors that influence our reading habits and preferences and gain insights into the ways in which our personal experiences cultural backgrounds and social contexts shape what we choose to read In an era dominated by digital distractions and shrinking attention spans this book serves as a timely reminder of the enduring importance of reading It examines the challenges facing the modern reader from the decline of print media to the proliferation of misinformation and offers strategies for promoting literacy and cultivating a love of reading in the digital age Through this exploration of the history significance and future of reading this book provides a profound appreciation for the transformative power of the written word It is an essential read for anyone interested in literature history education or the human condition If you like this book write a review **Annual Report of the Reading Public Library** Reading Public Library (Reading, Pa.),1928 **The Library World** ,1925 *Readers, Reading, and Librarians* Linda S Katz,2021-02-27 This vital book reaffirms librarians enthusiasm for books and readers in the midst of the evolution of libraries from reading centers to information centers where librarians are now Web masters information scientists and media experts *Readers Reading and Librarians* explores the future of the book as a medium With nearly two hundred open ended interviews with readers who read for pleasure this book looks at how and why they choose or reject certain books *Readers Reading and Librarians* examines reasons for the current decline in pleasure reading the need for librarians to sponsor book groups the current focus on electronic wonders balancing the missions of acting as an advisory service for readers and maintaining your library s technological services and much more **Reading and Reader Development** Judith Elkin,Briony Train,Debbie Denham,2003 Reader development focuses on readers rather than reading skills The purposes of reader development are to enhance the reading experience to make it a more pleasurable and creative act for the reader to increase people s confidence in their reading and to make reading a more communal activity by bringing readers together to share their experiences The

focus of reader development is pleasure reading which the authors interpret as reading fiction They observe that public libraries were not at the forefront of this movement but librarians are responding by changing library culture to focus on readers rather than books The ways in which librarians responded and additional responses they could undertake are described within the context of the broader social movements in the United Kingdom to promote reader development Three themes dominate the chapters First the authors tirelessly celebrate reading Reading is good Reading will make one happy Reading elevates The second theme is opportunism If society is paying attention to reading librarians should get on board and seize the opportunity to build their status and to secure the place of libraries as critically important institutions The third theme is social inclusiveness Librarians should always keep in mind the political dimensions of public library service and assure that all sectors of the populations share in the benefits of library service Readers in search of guidance concerning what librarians should do will find plenty of that here EDITOR *A Subject Index to Current Literature* Australian Public Affairs Information Service,
