Reading The Past In Late Antiquity:

Reading the Past in Late Antiquity Graeme Wilber Clarke, Brian Croke, Alanna Emmett Nobbs, Raoul Mortley, 1990 A Social and Cultural History of Late Antiquity Douglas Boin, 2017-12-18 2019 PROSE Award finalist in the Classics category A Social and Cultural History of Late Antiquity examines the social and cultural landscape of the Late Antique Mediterranean. The text offers a picture of everyday life as it was lived in the spaces around and between two of the most memorable and towering figures of the time: Constantine and Muhammad. The author captures the period using a wide lens including Persian material from the mid third century through Umayyad material of the mid eighth century C E. The book offers a rich picture of Late Antique life that is not just focused on Rome, Constantinople or Christianity. This important resource uses nuanced terms to talk about complex issues and fills a gap in the literature by surveying major themes such as power, gender, community, cities, politics, law, art and architecture, and literary culture. The book is richly illustrated and filled with maps, lists of rulers and key events. A Social and Cultural History of Late Antiquity is an essential guide that paints a rich picture of daily life in Late Antiquity that is not simply centered on Rome, Constantinople or Christianity. Balances a thematic approach with rigorous attention to chronology. Stresses the need for appreciating both sources and methods in the study of Late Antique history. Offers a sophisticated model for investigating daily life and the complexities of individual and group identity in the rapidly changing Mediterranean world. Includes useful maps, city plans, timelines and suggestions for further reading. A Social and Cultural History of Late Antiquity offers an examination of everyday life in the era when adherents of three of the major religions of today: Christianity, Judaism and Islam faced each other for the first time in the same environment. Learn more about A Social and Cultural History of Late Antiquity's link to current social issues in Boin's article for the History News Network. *A History of the Later Roman Empire, AD 284-700* Stephen Mitchell, Geoffrey Greatrex, 2023-06-20 A sweeping historical account of the Later Roman Empire incorporating the latest scholarly research. In the newly revised 3rd edition of A History of the Later Roman Empire 284-700 distinguished historians Geoffrey Greatrex and Stephen Mitchell deliver a thoroughly up to date discussion of the Later Roman Empire. It includes tables of information, numerous illustrations, maps and chronological overviews. As the only single volume covering Late Antiquity and the early Islamic period, the book is designed as a comprehensive historical handbook covering the entire span between the Roman Empire to the Islamic conquests. The third edition is a significant expansion of the second edition published in 2015 and includes two new chapters covering the seventh century. The rest of the work has been updated and revised, providing readers with a sweeping historical survey of the struggles, triumphs and disasters of the Roman Empire from the accession of the emperor Diocletian in AD 284 to the closing years of the seventh century. It also offers a thorough description of the massive political and military transformations in Rome's western and eastern empires. Comprehensive explorations of the latest research on the Later Roman Empire. Practical discussions of the tumultuous period ushered in by the Arab conquests. Extensive updates, revisions.

and corrections of the second edition Perfect for undergraduate and postgraduate students of ancient medieval early European and Near Eastern history A History of the Later Roman Empire 284 700 will also benefit lay readers with an interest in the relevant historical period and students taking a survey course involving the late Roman Empire [A Global History of History](#) Daniel Woolf,2011-02-17 An illustrated survey of global historical scholarship from the ancient world to the present for courses in theory and historiography [The Roman Empire at Bay, AD 180-395](#) David Stone Potter,2004 At the outset of the period covered by this book Rome was the greatest power in the world By its end it had fallen conclusively from this dominant position David Potter s comprehensive survey of two critical and eventful centuries traces the course of imperial decline [Reading Late Antiquity](#) Sigrid Schottenius Cullhed,Mats Malm,2018 The field of Late Antique studies has involved self reflexion and criticism since its emergence in the late nineteenth century but in recent years there has been a widespread desire to retrace our steps more systematically and to inquire into the millennial history of previous interpretations historicization and uses of the end of the Greco Roman world This volume contributes to that enterprise It emphasizes an aspect of Late Antiquity reception that ensues from its subordination to the Classical tradition namely its tendency to slip in and out of western consciousness Narratives and artifacts associated with this period have gained attention often in times of crisis and change and exercised influence only to disappear again When later readers have turned to the same period and identified with what they perceive they have tended to ascribe the feeling of relatedness to similar values and circumstances rather than to the formation of an unbroken tradition of appropriation [The Roman Empire at Bay, AD 180-395](#) David S. Potter,2004-07-31 Skilfully weaving together cultural intellectual and political history this detailed survey of two critical and eventful centuries travels the course of imperial decline A striking achievement of historical synthesis with a compelling interpretative line [Encyclopedia of Greece and the Hellenic Tradition](#) Graham Speake,2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the HellenicTradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world s merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence [Encyclopedia of Ancient Greece](#) Nigel Wilson,2013-10-31 Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era this thoroughly cross referenced and fully indexed work is

written by an international group of scholars This Encyclopedia is derived from the more broadly focused Encyclopedia of Greece and the Hellenic Tradition the highly praised two volume work Newly edited by Nigel Wilson this single volume reference provides a comprehensive and authoritative guide to the political cultural and social life of the people and to the places ideas periods and events that defined ancient Greece The Narrative Worlds of Paul the Deacon Christopher Heath,2025-10-01 Written as the Lombard kingdom was on the cusp of downfall at the hands of the Carolingian empire the works of Paul the Deacon c 720 799 are vital to understanding the history of Italy and Western Europe in the Middle Ages But until now scholars have tended to neglect the narrative structure of his texts which reflect in important ways his personal responses to the events of his time This study presents fresh interpretations of Paul s Historia Romana Vita Sancti Gregorii Magni Gesta Episcopum Mettensium and Historia Langobardorum by focusing on him as an individual and on his strategies of argumentation ultimately advancing a new conception of Paul as a dynamic author whose development of multiple lines of thought deserves closer examination
