Reading Woman Essays In Feminist Criti:

Reading Woman Mary Jacobus,1986 **Feminist Literary Criticism** Mary Eagleton,2014-06-06 Looks at the work of a range of critics including Elaine Showalter Kate Millett Gayatri Chakravorty Spivak and the French feminists The critical approaches encompass Marxist feminism and contemporary critical theory as well as other forms of discourse It also provides an overview of the developments in feminist literary theory and covers all the major debates within literary feminism including male feminism *Gender and Reading* Elizabeth A. Flynn,Patrocinio P. Schweickart,1986-02 An unprecedented encounter between feminist criticism reading research and reader response criticism I found Gender and Reading a valuable book to read as a feminist critic Valuable because it asserts our rights as women to read to read as women Valuable because it begins a dialogue among so many varieties of criticism and theory Susan Squier Women s Review of Books **A Concise Companion to Feminist Theory** Mary Eagleton,2008-04-15 The Concise Companion to Feminist Theory introduces readers to the broad scope of feminist theory over the last 35 years Introduces readers to the broad scope of feminist theory over the past 35 years Guides students along the cutting edge of current feminist theory Suitable for students and scholars of all fields touched by feminist thought Covers an exceptionally broad range of disciplines discourses and feminist positions Organised around concepts rather than schools of feminism *Readers and Reading* Andrew Bennett,2014-07-15 Much literary criticism focuses on literary producers and their products but an important part of such work considers the end user the reader It asks such questions as how far can the author condition the response of the reader and how much does the reader create the meaning of a text Dr Bennett s collection includes important essays from such writers and critics as Wolfgang Iser Mary Jacobus Roger Chartier Michel de Certeau Shoshana Felman Maurice Blanchot Paul de Man and Yves Bonnefoy It looks in turn at deconstructionist feminist new historicist and psychoanalytical response to the school The book then considers the act of reading itself discussing such issues as the uniqueness of any reading and the difficulties involved in its analysis **Men in Feminism (RLE Feminist Theory)** Alice Jardine,Paul Smith,2013-05-20 What are men doing in feminist discourse Although many feminists have commented on the relation actual or possible of men to feminist thinking and practice and although some male academics have written about feminism there has so far been little shared discussion Men in Feminism is the first substantial attempt to produce a dialogue between feminists and their male allies This lively book comprised of essays by both men and women is a controversial sally in the current debate over the future of feminist theory Its focus is one seemingly direct and yet surprisingly prickly question the actual and potential relationship of men to the now impressive and widely recognized body of feminist writing Each essay attempts to assess the benefits or damage of male participation in feminism several of the contributions stand in direct dialogue with others The editors present mediate and reflect upon the agreements and arguments in the book as well as between themselves as editors Their dialogue afterword draws together the questions at the heart of the volume Offering few comfortable answers

Men in Feminism will open up discussion of this theoretical and thoroughly political issue **Women, Reading, Kroetsch**

Theory Andrew Bennett, Nicholas Royle, 2014-07-10 Fresh original and compelling An Introduction to Literature Criticism
 and Theory is the essential guide to literary studies Starting at the beginning and concluding with the end the book covers
 topics that range from the familiar character narrative the author to the more unusual secrets pleasure ghosts Eschewing
 abstract isms Bennett and Royle successfully illuminate complex ideas by engaging directly with literary works so that a
 reading of Jane Eyre opens up ways of thinking about racial difference whilst Chaucer Raymond Chandler and Monty Python
 are all invoked in a discussion of literary laughter Each chapter ends with a narrative guide to further reading and the book
 also includes a glossary and bibliography The fourth edition has been revised to incorporate two timely new chapters on
