The Business of Watercolour Simon Fenwick, Greg Smith, 2018-12-17 First published in 1997 this volume will revolutionise the study of watercolour painting in Britain The Royal Watercolour Society archive constitutes a major academic resource covering two hundred years of the history of watercolour painting in Britain The rediscovery in 1980 of the Jenkins Papers the early records of the Society was a major find for the history of British art The archives are substantial and remarkably comprehensive Minutes of annual general meetings Council and committees are all intact extraordinarily the Society s catalogues for its own exhibitions have also survived with details of who bought the pictures and for how much It contains biographical information on several hundred artists who practised throughout the United Kingdom from the end of the eighteenth century to the present day Prepared by the archivist to the RWS Simon Fenwick this is not just a work of reference but an absorbing book to dip into again and again The Society of Painters in Water Colours as it was then titled was founded in 1804 to promote the interests of painters using watercolour and to provide a platform for members to sell their work As such its archives provide an excellent insight into the evolving debate on the status of the artists and their medium and an authoritative account of the way in which watercolour paintings were sold distributed and acquired The substantial introduction by Greg Smith surveys some of the purposes and practices of watercolour from 1750 to the present day and highlights key issues many yet to be examined relating to the study of watercolour His survey is arranged around a number of topics including the notion of watercolour as a British art collecting and display book illustration architectural drawing map making and topography antiquarian studies decorative arts printmaking portrait miniatures and drawings amateur practices and the changing status of the sketch *History of Modern Design Third Edition* David Raizman, 2023-08-31 This unparalleled and wide ranging book surveys the history of applied arts and industrial design from the eighteenth century to the present day exploring the dynamic relationship between design and

manufacturing and the technological social and commercial contexts in which this relationship has developed In this extensively revised and expanded third edition David Raizman addresses international questions more fully with the addition of six Global Inspiration sections that examine the contributions of non Western traditions rendering the very notion of a national design debatable The text also pays closer attention to issues of gender race and climate change and their impact on design With over 580 illustrations mostly in colour History of Modern Design is an inclusive well balanced introduction to a field of increasing scholarly and interdisciplinary research and provides students in design with historical perspectives of their chosen fields of study **The Art Amateur** ,1884 **The Illustrated London News** ,1879
