Bargaining for Brooklyn Nicole P. Marwell, 2009-05-15 When middle class residents fled American cities in the 1960s and 1970s government services and investment capital left too Countless urban neighborhoods thus entered phases of precipitous decline prompting the creation of community based organizations that sought to bring direly needed resources back to the inner city Today there are tens of thousands of these CBOs private nonprofit groups that work diligently within tight budgets to give assistance and opportunity to our most vulnerable citizens
