

THE REAL H. P. BLAVATSKY

A STUDY IN THEOSOPHY AND
A MEMOIR OF A GREAT SOUL

BY
WILLIAM KINGSLAND

The Author of this work was personally acquainted with Madame Blavatsky, and took an active part in the original Theosophical Movement. He discloses here the immense labour, the inflexible tenacity of purpose, the enormous sacrifices, and the great sufferings which H. P. Blavatsky exhibited and endured in carrying out the mission entrusted to her by "the Elder Brothers of the Race." All this is set out in contrast with the popular and vulgar misrepresentations and slanders with which the personality of this great Pioneer has been assailed, while at the same time the defects of that personality are freely acknowledged. It was the Great Soul behind that personality who was the Real H. P. Blavatsky; and what matters is not the personality but the teachings which she gave to the world, and which have found their justification in an enormous literature arising out of them, as well as in the hearts and lives of thousands.
