communities on the cusp of change before tractors and machines had taken over and modern medicines and antibiotics transformed veterinary work Along the way a beloved cast of characters emerges from the squabbling brothers Tristan and Siegfried to Herriot's hapless courtship and eventual family life with Helen Anderson But it's the animals which are at the heart of Herriot's stories Whether he's dodging a raging bull on a risky artificial insemination assignment becoming pen pals with Tricky Woo the spoilt Pekingese pooch or the inevitable trials and tribulations of lambing season there's never a dull moment in Herriot's company At times moving and often laugh out loud funny The Wonderful World of James Herriot will delight fans old and new I grew up reading James Herriot's books and I'm delighted that thirty years on they are still every bit as charming heartwarming and laugh out loud funny as they were then Kate Humble on the works of James Herriot
