Maverick Real Estate Financing Steve Bergsman, 2012-06-12 Praise for MAVERICK REAL ESTATE FINANCING Once you start reading you won't be able to put the book down. You will feel you are part of the deals that industry leaders have put together. This is a real book about real people and how they address risk and reward. Bruce S. Schonbraun, Managing Partner, The Schonbraun McCann Group LLP. Bergsman applies a journalist's logic to the complex world of commercial real estate, making it easier for outsiders to understand. He writes with the authority of a true insider. Brannon Boswell, Managing Editor, Shopping Centers Today. Congratulations! Finally, someone has written a book that reflects real estate finance in the twenty-first century. With the growing proliferation of real estate education in university business schools today, this book should be required reading. James D. Kuhn, President, Newmark Knight Frank. In *Maverick Real Estate Financing*, Steve Bergsman, author of the widely acclaimed *Maverick Real Estate Investing*, describes the various financing methods you can use to achieve real estate investment success. *Maverick Real Estate Financing* also introduces you to an innovative group of real estate professionals who have used these methods to build substantial fortunes. By listening to some of the world's most successful real estate Mavericks, including William Sanders, W.P. Carey, and Stephen Ross, you'll discover what sets them apart from the rest of the pack and learn how to apply their proven principles to your own real estate deals. Each chapter examines a different real estate financing technique and the Maverick who best exemplifies it. Some of the strategies and products discussed include Equity financing, Public and private REITs, Agency loans, UPREITs, Commingled capital, Retail site arbitrage, Conduit loans, Sale leasebacks, Distressed mortgages, Low income housing tax credits, LIHTCs. Wall Street and the Financial Crisis: pt. 1-4. Anatomy of a Financial Collapse, April 13, 2011. Report and Appendix (4 v.) United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Permanent Subcommittee on Investigations, 2010 **Global Trends in Real Estate Finance** Graeme Newell, Karen Sieracki, 2009-10-08 To operate effectively in today's dynamic global real estate markets, it is essential to understand the complex processes that underpin them. This up-to-date work, which brings together contributions from industry and academic experts from around the world, is a valuable corollary to effective investment decision making within the property sector and will be of interest to postgraduate property students, researchers, and practising real estate investors. Recent years have seen some rapid developments in the global scale and structure of real estate markets. Such transformations have been paralleled by significant changes in the financial structures and processes that serve these markets, including sophisticated new investment and finance structures and products. Examples of these include the real estate investment trusts, REIT products that have been developed in USA, Europe, and Asia; the range of unlisted products emerging in UK and Europe; and the innovative financing structures being

developed in many countries Global Trends in Real Estate Finance addresses this emerging complexity and sophistication in contemporary real estate markets by discussing the history merits and implications of a range of products and processes Also examined are the changes in the practices and environment needed to ensure the success of these property products including increased disclosure corporate governance market transparency and improved skills base Chapters are written by leading international contributors both academic and practitioner The context is explicitly international with a focus on UK Europe Asia Australia and the USA The aim is to identify specific market areas to describe the key innovations rather than simply providing a description of various geographical markets
