Roman Gabriel, Outstanding Pro Earl Gustkey, 1974-01-01 A biography of the North Carolina State football sensation who became star quarterback of the Los Angeles Rams and later of the Philadelphia Eagles **Strong Arm Tactics** John Maxymuk, 2016-04-05 Signal caller gunslinger field general the quarterback goes by many lofty nicknames It s arguably the toughest most high pressure position to play among all sports The quarterback touches the ball on every offensive snap is responsible for reading the defense adjusting the play and executing complex schemes that require tremendous physical and mental prowess He is expected to be the undisputed team leader whether he s an established veteran or an untested rookie If he succeeds he s the most likely player on the field to be canonized by fans and broadcasters If he fails he ll be vilified in the press and his home field fans will start cheering for the backup This book traces the interesting history of the professional quarterback from the early years when the quarterback was a blocker and the appellations quarterback halfback and fullback were literal and geographically correct to the modern day player who must be the eyes ears brains and of course the accurate strong arm of the offense The narrative history in Section I is rich with statistical analysis The author employs realistic metrics for statistical comparison across multiple eras and includes all time rankings as well as specific rankings among different styles of quarterbacks Section II compares quarterbacks within their respective eras putting their accomplishments in context with those of their contemporaries Section III breaks down the quarterback position team by team for current NFL franchises Appendices provide detailed passing records additional statistics on everything from relative passer ratings to fourth quarter comebacks and listings of first round draft picks trades involving quarterbacks awards and uniform numbers **Catalog of Copyright Entries. Distant Memories Danny Jones, 2008-04-22 The 26 men featured in this book have one thing in common They were all great football players These legends were the superstars of the NFL and AFL during the glorious 60s and the fun loving 70s However only 2 of these legends are in the Hall of Fame in Canton Ohio These stars revolutionized the game of Pro Football with their brilliant performances and were Pro Footballs biggest gate attractions As the years go by and the 60s and 70s have become a distant memory these outstanding football players and mavericks have been unappreciated and forgotten These heroes and legends of the fall contributed to the success of the NFL and made Pro Football the most popular and exciting sport in America

Distant Memories The NFLs Best Ever Players of the 60s and 70s focuses on Pro Footballs forgotten stars and legendary heroes from the glorious past Its about pioneers and great players from yesteryear I have always wanted to write a book like this Since I was a former amateur football player and have the knowledge and resources about football I thought I would be the right person to write this book and do it with class and style I have watched every football player in this book play every week and have seen all of the weekly highlight shows I have followed their entire careers and I have seen every touchdown they scored I watched all NFL and AFL games on TV in the 60s and 70s In 1970 when the AFL and NFL merged to become one league I watched every game on TV during the 70s I can remember my golden Sunday mornings and early afternoons when I played football during the 70s I always hurried home from my games so I could watch the NFL on TV You can ask my wonderful mother She knew where I was every Sunday afternoon during the football season when I was young I would like the players in this book to finally receive the recognition they deserve for their outstanding accomplishments Danny Jones <http://www.starsofthenfl.com/index.html>

Pro Football with their outstanding performances and were the NFL's and AFL's biggest gate attractions This book is a sequel to my first book Distant Memories The NFL's Best Ever Players of the 60's and 70's I have chronicled the careers of 30 great football players and have provided you a glimpse back at the best seasons longest touchdowns and the big plays of their illustrious careers Most of these men should be in the Hall of Fame J D Hill and Golden Richards will never be selected because they don't have the statistics but they were 2 of the NFL's most sensational players All of these players had Hall of Fame talent and most of them also had Hall of Fame like statistics More Distant Memories is more than a book about great football players It's about the men who played the game and the humanity behind the facemasks These legendary heroes and mavericks provided excitement and happiness to millions of football fans across America These players are lost treasures and have simply been forgotten as time goes by They were brilliant players and dedicated professionals Their place in Pro Football history is secure regardless of any Hall of Fame status It was these trailblazers legends and other stars from the glorious past that made Pro Football our national pastime and America's game Enjoy your trip down memory lane <http://www.starsofthenfl.com/index.html>
