Roman Officers And Frontiers

David J. Breeze

Roman Officers And Frontiers:

Roman Officers and Frontiers David John Breeze, Brian Dobson, 1993 **The Roman Army** David J.

Breeze, 2016-02-11 This authoritative short volume introduces readers to the Roman army its structure tactics duties and development One of the most successful fighting forces that the world has seen the Roman army was inherited by the emperor Augustus who reorganized it and established its legions in military bases many of which survived to the end of the empire He and subsequent emperors used it as a formidable tool for expansion Soon however the army became fossilized on its frontiers and changed from a mobile fighting force to a primarily defensive body Written by a leading authority on the Roman army and the frontiers it defended and expanded this is an invaluable book for students at school and university level as well as a handy guide for general readers with an interest in military history the rise and development and fall of the Roman legions and the ancient world Roman Military Architecture on the Frontiers Rob Collins, Matt Symonds, Meike Weber, 2015-11-30 The Roman army was one of the most astounding organizations in the ancient world and much of the success of the Roman empire can be attributed to its soldiers Archaeological remains and ancient texts provide detailed testimonies that have allowed scholars to understand and reconstruct the army's organization and activities This interest has traditionally worked in tandem with the study of Roman frontiers Historically the early imperial period and in particular the emergence of the frontiers has been the focus of research During those investigations however the remains of the later Roman army were also frequently encountered if not always understood Recent decades have brought a burgeoning interest in not only the later Roman army but also late antiquity more widely It is the aim of this volume to demonstrate that while scholars grappling with the late Roman army may want for a rich corpus of inscriptions and easily identifiable military installations research is revealing a dynamic less predictable force that was adapting to a changing world in terms of both external threats and its own internal structures The dynamism and ingenuity of the late Roman army provides a breath of fresh air after the suffocating uniformity of its forbears The late Roman army was a vital and influential element in the late antique empire Having evolved through the 3rd century and been formally reorganized under Diocletian and Constantine the limitanei guarded the frontiers while the comitatenses provided mobile armies that were fielded against external enemies and internal threats The transformation of the early imperial army to the late antique army is documented in the rich array of texts from the period supplemented by a perhaps surprisingly rich archaeological record **Roman Military Architecture on the Frontiers** Rob Collins, Matt Symonds, Meike Weber, 2015-11-30 The Roman army was one of the most astounding organizations in the ancient world and much of the success of the Roman empire can be attributed to its soldiers Archaeological remains and ancient texts provide detailed testimonies that have allowed scholars to understand and reconstruct the army's organization and activities This interest has traditionally worked in tandem with the study of Roman frontiers Historically the early imperial period and in particular the emergence of the frontiers has been the focus of research

During those investigations however the remains of the later Roman army were also frequently encountered if not always understood Recent decades have brought a burgeoning interest in not only the later Roman army but also late antiquity more widely It is the aim of this volume to demonstrate that while scholars grappling with the late Roman army may want for a rich corpus of inscriptions and easily identifiable military installations research is revealing a dynamic less predictable force that was adapting to a changing world in terms of both external threats and its own internal structures The dynamism and ingenuity of the late Roman army provides a breath of fresh air after the suffocating uniformity of its forbears The late Roman army was a vital and influential element in the late antique empire Having evolved through the 3rd century and been formally reorganized under Diocletian and Constantine the *limitanei* guarded the frontiers while the *comitatenses* provided mobile armies that were fielded against external enemies and internal threats The transformation of the early imperial army to the late antique army is documented in the rich array of texts from the period supplemented by a perhaps surprisingly rich archaeological record

The Army and Frontiers of Rome Lindsay Allason-Jones, 2009 Roman Frontiers in Britain David J. Breeze, 2013-10-10 Hadrian's Wall and the Antonine Wall defined the edge of the Roman Empire in Britain Today the spectacular remains of these great frontier works stand as mute testimony to one of the greatest empires the world has ever seen This new accessible account illustrated with 25 detailed photographs maps and plans describes the building of the walls and reconstructs what life was like on the frontier It places these frontiers into their context both in Britain and Europe examining the development of frontier installations over four centuries Designed for students and teachers of Ancient History or Classical Civilisation at school and in early university years this series provides a valuable collection of guides to the history art literature values and social institutions of the ancient world

Roman Officers and English Gentlemen Richard Hingley, 2013-04-15 This landmark book shows how much Victorian and Edwardian Roman archaeologists were influenced by their own experience of empire in their interpretation of archaeological evidence This distortion of the facts became accepted truth and its legacy is still felt in archaeology today While tracing the development of these ideas the author also gives the reader a thorough grounding in the history of Roman archaeology itself

The Western Frontiers of Imperial Rome , Discusses Rome's challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95

Annotation copyright by Book News Inc Portland OR The Frontiers of the Roman Empire David Breeze, 2011-12-13 Practically all new information on the greatest empire of all and how it controlled and policed its frontiers Absolutely fascinating Books Monthly At its height the Roman Empire was the greatest empire yet seen with borders stretching from the rain swept highlands of Scotland in the north to the sun scorched Nubian desert in the south But how were the vast and

varied stretches of frontier defined and defended Many of Rome's frontier defenses have been the subject of detailed and ongoing study and scholarship Three frontier zones are now UNESCO World Heritage sites the Antonine Wall having recently been granted this status the author led the bid and there is growing interest in their study This wide ranging survey will describe the varying frontier systems describing the extant remains methods and materials of construction and highlighting the differences between various frontiers Professor Breeze considers how the frontiers worked discussing this in relation to the organization and structure of the Roman army and also their impact on civilian life along the empire's borders He then reconsiders the question of whether the frontiers were the product of an overarching Empire wide grand strategy questioning Luttwak's seminal hypothesis This is a detailed and wide ranging study of the frontier systems of the Roman Empire by a leading expert Intended for the general reader it is sure also to be of great value for academics and students in this field The appendixes will include a brief guide to visiting the sites today The result of this book crafting care and Breeze's erudition is a near perfect example of specialized military history done for a popular audience Open Letters Monthly

Romes Desert Frontiers David Kennedy, Derrick Riley, 2012-10-12 Over 100 archaeological sites lying within the desert area of Rome's eastern frontier are examined with accompanying maps plans and air photographs Designed to provide an overview of Roman military works in the Middle East this work is intended to appeal to archaeologists and military historians

Garrison Life on the Roman Frontier Robin Birley, 1991 **Public Archaeologies of Frontiers and Borderlands** Kieran Gleave, Howard Williams, Pauline Magdalene Clarke, 2020-11-26 Select proceedings of the 4th University of Chester Archaeology Student conference Chester 20 March 2019 investigate real world ancient and modern frontier works the significance of graffiti material culture monuments and wall building as well as fictional representations of borders and walls in the arts as public archaeology Frontiers of the Roman Empire Hugh Elton, 2013-04-15 With its succinct analysis of the overriding issues and detailed case studies based on the latest archaeological research this social and economic study of Roman Imperial frontiers is essential reading Too often the frontier has been represented as a simple linear boundary The reality argues Dr Elton was rather a fuzzy set of interlocking zones political military judicial and financial After discussion of frontier theory and types of frontier the author analyses the acquisition of an empire and the ways in which it was ruled He addresses the vexed question of how to define the edges of provinces and covers the relationship with allied kingdoms Regional variation and different rates of change are seen as significant as is illustrated by Civilis revolt on the Rhine in AD 69 He uses another case study Dura Europos to exemplify the role of the army on the frontier especially its relations with the population on both sides of the border The central importance of trade is highlighted by special consideration of Palmyra

Frontiers of the Roman Empire: The Roman Frontier in Egypt David J. Breeze, Michel Reddé, 2021-06-24 The Roman military remains of Egypt are remarkable in their variety and state of preservation forts quarries whose materials were used in the monumental buildings of Rome roads which brought the Mediterranean into contact with the Indian Ocean

each reader of this book will enjoy learning more about the remarkable Roman inheritance of Egypt Frontiers of the Roman Empire Hugh Elton, 2013-04-15 With its succinct analysis of the overriding issues and detailed case studies based on the latest archaeological research this social and economic study of Roman Imperial frontiers is essential reading Too often the frontier has been represented as a simple linear boundary The reality argues Dr Elton was rather a fuzzy set of interlocking zones political military judicial and financial After discussion of frontier theory and types of frontier the author analyses the acquisition of an empire and the ways in which it was ruled He addresses the vexed question of how to define the edges of provinces and covers the relationship with allied kingdoms Regional variation and different rates of change are seen as significant as is illustrated by Civilis revolt on the Rhine in AD 69 He uses another case study Dura Europos to exemplify the role of the army on the frontier especially its relations with the population on both sides of the border The central importance of trade is highlighted by special consideration of Palmyra *Roman Frontier Studies* 1989 Valerie A. Maxfield, Michael J. Dobson, 1991 *Roman Frontier Studies* presents one hundred of the papers given at the Fifteenth International Congress of Roman Frontier Studies First published in 1991 it has been out of print since 1995 This new edition is published to satisfy continuing demand for the volume Geographically the material ranges throughout the frontier regions of the Roman Empire from Britain to the Caucasus the Low Countries to Upper Egypt Spain to Jordan The first section deals with individual frontier regions fort and fortress sites army units and related military matters and includes overall surveys of significant work carried out in Britain and Germany in the 1980s The second section explores three more general themes the relations between Romans and natives on the peripheral areas of the Empire the realities of life in a frontier region and the problems peculiar to desert frontiers *Frontiers of the Roman Empire: The Eastern Frontiers* David J. Breeze, Fawzi Abudanah, David Braund, Mark Driessen, Simon James, Michaela Konrad, Marinus Polak, 2022-08-25 This volume considers the military architecture and its impact on local communities in Rome's eastern frontier which stretched from the north east shore of the Black Sea to the Red Sea Rome and Its Frontiers C R Whittaker, 2004-07-31 Do the Romans have anything to teach us about the way that they saw the world and the way they ran their empire How did they deal with questions of frontiers and migration so often in the news today This collection of ten important essays by C R Whittaker engages with debates and controversies about the Roman frontiers and the concept of empire Truly global in its focus the book examines the social political and cultural implications of the Roman frontiers in Africa India Britain Europe Asia and the Far East and provides a comprehensive account of their significance **The Western Frontiers of Imperial Rome** Steven K. Drummond, Lynn Harry Nelson, 1994 Discusses Rome's challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper

edition unseen 19 95 Annotation copyright by Book News Inc Portland OR *Roman Imperial Frontier in the West* Julie Nelson, Steven K. Drummond, 2015-05-22 Imperial policy on the western frontier of the Roman Empire was the means by which the government controlled the frontier residents This book takes a topical approach to this study of the frontier subjects covered include the army farming commerce manufacturing religion and Romanization
