Roman Curia And The Communion Of Churches Concilium:

The Roman Curia and the Communion of Churches Petrus Huizing, Knut Walf, 1979 **Teaching with Authority** Richard R. Gaillardetz, 1997 This book faithfully represents the teaching of Roman Catholicism on the Church's doctrinal authority while pointing to areas where there remains a gap between an ecclesiological vision of the Church informed by Vatican II and the popular understanding and concrete exercise of that authority in the life of the Church today **Inside the Vatican** Thomas S.J. Reese, 1998-02-19 A comprehensive examination of the world's most complex religious organization There are one billion Catholics in the world today spread over every continent speaking almost every conceivable language and all answering to a single authority The Vatican is a unique international organization both in terms of its extraordinary power and influence and in terms of its endurance Popes come and go but the elaborate and complex bureaucracy called the Vatican lives on For centuries it has served and sometimes undermined popes it has been praised and blamed for the actions of the pope and for the state of the church Yet an objective examination of the workings of the Vatican has been unavailable until now Drawing on more than a hundred interviews with Vatican officials this book affords a firsthand look at the people the politics and the organization behind the institution Thomas Reese brings remarkable clarity to the almost Byzantine bureaucracy of congregations agencies secretariats tribunals nunciature and offices showing how they serve the pope and through him the universal church He gives a lively account of how popes are elected and bishops appointed how dissident theologians are disciplined and civil authorities dealt with Throughout revealing and colorful anecdotes from church history and the present day bring the unique culture of the Vatican to life The Vatican is a fascinating institution a model of continuity and adaptation which remains constant while functioning powerfully in a changing world As never before this book provides a clear objective perspective on how the enormously complex institution surrounding the papacy operates on a day to day level how it has adapted and endured for close to two thousand years and how it is likely to face the challenges of the next millennium Praise for Inside the Vatican Reese does an admirable job of lifting the veil of secrecy surrounding the Holy See to examine the nuts and bolts of the operation He paints a revealingly human portrait of Vatican life Ultimately this is the merit of Inside the Vatican Reese gets it right And in such a place that's no easy task Greg Burke Time Reese paints a clear largely dispassionate and often compelling picture of Vatican operations and in so doing highlights the tensions that tear the church Diego Ribadeneira The Boston Globe This is a useful and even valuable study of the institutional centre of the Roman Catholic Church and of the relations between the centre and the worldwide network of local churches which go to make up the Church catholic Dr Reese brings impressive qualifications and experience as a political scientist to this study It is the special virtue of Dr Reese's study that he succeeds where many have failed in providing an analytic critical and comprehensive account of how the Vatican works Se n Mac R amoinn The Irish Times **Orthodoxy and the Roman Papacy** Adam A. J. DeVille, 2011-03-15 Among the issues that continue to divide the Catholic Church from the Orthodox

Church the two largest Christian bodies in the world together comprising well over a billion faithful the question of the papacy is widely acknowledged to be the most significant stumbling block to their unification For nearly forty years commentators theologians and hierarchs from popes and patriarchs to ordinary believers of both churches have acknowledged the problems posed by the papacy In Orthodoxy and the Roman Papacy *Ut Unum Sint* and the Prospects of East West Unity Adam A J DeVille offers the first comprehensive examination of the papacy from an Orthodox perspective that also seeks to find a way beyond this impasse toward full Orthodox Catholic unity He first surveys the major postwar Orthodox and Catholic theological perspectives on the Roman papacy and on patriarchates enumerating Orthodox problems with the papacy and reviewing how Orthodox patriarchates function and are structured In response to Pope John Paul II s 1995 request for a dialogue on Christian unity set forth in the encyclical letter *Ut Unum Sint* DeVille proposes a new model for the exercise of papal primacy DeVille suggests the establishment of a permanent ecumenical synod consisting of all the patriarchal heads of Churches under a papal presidency and discusses how the pope qua pope would function in a reunited Church of both East and West in full communion His analysis involving the most detailed plan for Orthodox Catholic unity yet offered by an Orthodox theologian could not be more timely

Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit – Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity Dagmar Heller, Péter Szentpétery, 2016-04-02 Das Attribut katholisch wird in vielen Kontexten als Konfessionsbezeichnung einer bestimmten Kirche missverstanden Die in diesem Band vorgelegten Vorträge der 18 Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity which all churches confess in the Creed They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity
