Hollywood Hills on a kitchen counter topless in a Jacuzzi Wine and Quaaludes were consumed balance and innocence were lost and a young girl's life was altered forever eternally cast as a background player in her own story For months on end the Polanski case dominated the media in the US and abroad But even with the extensive coverage much about that day and the girl at the center of it all remains a mystery Just about everyone had an opinion about the renowned director and the girl he was accused of drugging and raping Who was the predator Who was the prey Was the girl an innocent victim or a cunning Lolita artfully directed by her ambitious stage mother How could the criminal justice system have failed all the parties concerned in such a spectacular fashion Once Polanski fled the country what became of Samantha the young girl forever associated with one of Hollywood's most notorious episodes Samantha as much as Polanski has been a fugitive since the events of that night more than thirty years ago Taking us far beyond the headlines *The Girl* reveals a thirteen year old who was simultaneously wise beyond her years and yet terribly vulnerable By telling her story in full for the first time Samantha reclaims her identity and indelibly proves that it is possible to move forward from victim to survivor from confusion to certainty from shame to strength
