Roman Sexualities Hb:

Roman Manliness Myles McDonnell, 2006-07-03 Publisher Description All Things Julius Caesar Michael Lovano, 2014-12-02 Julius Caesar's life and example have fascinated and motivated generations of people for nearly 2 000 years This book explores the people places events and institutions that helped define arguably the most famous individual in the history of Rome Far from being ancient history Roman history and culture from the time of Julius Caesar and the Roman Empire have surprising parallels with the political strife and societal issues in 21st century life Interest and awareness have also been bolstered by recent successful Hollywood films as well as television series that depict Roman history All Things Julius Caesar An Encyclopedia of Caesar's World and Legacy provides a unique reference on topics and themes related to the life and times of Julius Caesar It offers historically accurate information about what he did and did not do and examines his impact on later eras via images and idealized depictions of him popularized in literature and other media up to the present The approximately 200 entries in this two volume set are organized alphabetically according to topic or theme for example individuals such as Marc Antony places such as the province of Gaul events such as Roman elections or battles in the Civil War and institutions such as Roman classes slavery patrons and clients The entries cover all the territories of the Roman Empire during Caesar's time from Britain to Egypt The set includes primary documents such as excerpts from ancient letters essays and biographies and supplements the text with images and maps The bibliography provides print and electronic resources suitable for high school and college student research as well as further reading for general audiences

Prostitution, Sexuality, and the Law in Ancient Rome Thomas A. J. McGinn, 2003 This is a study of the legal rules affecting the practice of female prostitution at Rome approximately from 200 B C to A D 250 It examines the formation and precise content of the legal norms developed for prostitution and those engaged in this profession with close attention to their social context McGinn's unique study explores the fit between the law system and the socio economic reality while shedding light on important questions concerning marginal groups marriage sexual behavior the family slavery and citizen status particularly that of women

Premodern ruling sexualities Gabrielle Storey, Zita Eva Rohr, 2024-06-25 This volume explores a range of premodern rulers and their depictions in historiography literature art and material culture to gain a broader understanding of their sexualities It considers the methodologies and motivations of premodern writers and rulers when fashioning royal and elite sexualities and offers new analyses of an array of texts and artwork from across Europe and the wider Mediterranean

The Routledge Handbook of Gender and Sexuality in Byzantium Mati Meyer, Charis Mesis, 2024-05-23 This Handbook is the first to consider the interrelated subjects of gender and sexuality in the Eastern Roman Empire from an interdisciplinary perspective Drawing on both modern theories and Byzantine perceptions and considering multiple periods and religions Eastern Orthodox Islamic and Jewish it provides evidentiary textual and visual material support for an analysis of the two linked themes Broadly the essays demonstrate that gender and sexual constructs

in Byzantium were porous As a result they expand our knowledge of not only how sex and gender were conceived and performed but also how ideas and practices shaped Byzantine life The Routledge Handbook of Gender and Sexuality in Byzantium will be an indispensable guide for students and scholars of late antique and Byzantine religion history culture and art who will find it a useful critical survey of current scholarship and one that shines new light in their areas of research The focus on issues of gender and sexuality may also be of interest to individuals concerned with Eastern Mediterranean culture as well as to the broader public Chapter 21 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Roman Sexualities Judith P. Hallett, Marilyn B. Skinner, 1997-12-28 In many cases the authors show how these roles could be inverted in ways that revealed citizens' anxieties during the days of the early Empire when traditional power structures seemed threatened *Sons of Hellenism, Fathers of the Church* Susanna Elm, 2015-09-08 This groundbreaking study brings into dialogue for the first time the writings of Julian the last non-Christian Roman Emperor and his most outspoken critic Bishop Gregory of Nazianzus a central figure of Christianity Susanna Elm compares these two men not to draw out the obvious contrast between the Church and the Emperor's neo-Paganism but rather to find their common intellectual and social grounding Her insightful analysis supplemented by her magisterial command of sources demonstrates the ways in which both men were part of the same dialectical whole Elm recasts both Julian and Gregory as men entirely of their times showing how the Roman Empire in fact provided Christianity with the ideological and social matrix without which its longevity and dynamism would have been inconceivable *The Life of Comedy after the Death of Plautus and Terence* Mathias Hanses, 2020-12-10 The Life of Comedy after the Death of Plautus and Terence documents the ongoing popularity of Roman comedies and shows that they continued to be performed in the late Republic and early Imperial periods of Rome Playwrights Plautus and Terence impressed audiences with stock characters as the young man in love the trickster slave the greedy pimp the prostitute and many others A wide range of spectators visited Roman theaters including even the most privileged members of Roman society orators like Cicero satirists like Horace and Juvenal and love poets like Catullus and Ovid They all put comedy's varied characters to new and creative uses in their own works as they tried to make sense of their own lives and those of the people around them by suggesting comparisons to the standard personality types of Roman comedy Scholars have commonly believed that the plays fell out of favor with theatrical audiences by the end of the first century BCE but The Life of Comedy demonstrates that performances of these comedies continued at least until the turn of the second century CE Mathias Hanses traces the plays' reception in Latin literature from the late first century BCE to the early second century CE and shines a bright light on the relationships between comic texts and the works of contemporary and later Latin writers *Robert Graves and the Classical Tradition* A. G. G. Gibson, 2015-07-09 The poet Robert Graves' use of material from classical sources has been contentious to scholars for many years with a number of classicists baulking at

his interpretation of myth and his novelization of history and questioning its academic value This collection of essays provides the latest scholarship on Graves historical fiction for example in *I Claudius* and *Count Belisarius* and his use of mythical figures in his poetry as well as an examination of his controversial retelling of the Greek Myths The essays explore Graves unique perspective and expand our understanding of his works within their original context while at the same time considering their relevance in how we comprehend the ancient world

Slave Theater in the Roman Republic Amy Richlin, 2017-12-28 Roman comedy evolved early in the war torn 200s BCE Troupes of lower class and slave actors traveled through a militarized landscape full of displaced persons and the newly enslaved together the actors made comedy to address mixed class hybrid multilingual audiences Surveying the whole of the Plautine corpus where slaves are central figures and the extant fragments of early comedy this book is grounded in the history of slavery and integrates theories of resistant speech humor and performance Part I shows how actors joked about what people feared natal alienation beatings sexual abuse hard labor hunger poverty and how street theater forms confronted debt violence and war loss Part II catalogues the onstage expression of what people desired revenge honor free will legal personhood family marriage sex food free speech a way home through memory and manumission or escape all complicated by the actors maleness Comedy starts with anger

British & Irish Archaeological Bibliography, 2000 *A Cultural History of Bathing in Late Antiquity and Early Byzantium* Michal Zytka, 2019-03-28 This book discusses social religious and medical attitudes towards bathing in Late Antiquity It examines the place of bathing in late Roman and early Byzantine society as seen in the literary historical and documentary sources from the late antique period The author argues that bathing became one of the most important elements in defining what it meant to be a Roman indeed the social and cultural value of bathing in the context of late Roman society more than justified the efforts and expense put into preserving bathing establishments and the associated culture The book contributes a unique perspective to understanding the changes and transformations undergone by the bathing culture of the day and illustrates the important role played by this culture in contributing to the transitional character of the late antique period In his examination of the attitudes of medical professionals and laymen alike and the focus on its recuperative utility Zytka provides an innovative and detailed approach to bathing

Essays on Propertian and Ovidian Elegy T. E. Franklins, Jennifer Ingleheart, 2024-01-17 This volume brings together eleven chapters on the genre of Latin elegy by leading scholars in the field Latin elegy is typically thought to have flourished for a brief period at Rome between c 40 BC and the early decades of the first century AD it was the pre eminent vehicle for writing about amatory matters in this period and among its principal exponents were Propertius and Ovid whose works constitute the focus of this volume Their poems and poetic collections were however by no means restricted to the themes of love even if amatory concerns often surface at unexpected moments in texts that are not ostensibly concerned with love Both poets were alive to their precursors writings in elegiacs and so aetiological themes and reflection on contemporary political circumstances form an integral part of their

poetry Such concerns are explored in some of the chapters on Propertius on Ovid's Fasti and exile poetry and also in a Renaissance elegy that looks closely to its literary heritage as it comments on the concerns of its day Some contributions to this volume also shed new light on the typically elegiac conceit of separation notably in amatory and exilic texts while others look to conceptions of Roman identity and the relationship between the natural world and the cultural political and literary spheres All of the chapters share an interest in the close reading of texts as the basis for drawing broader conclusions about these fascinating authors their poetry and their worlds

Forthcoming Books Rose Arny, 1999 **Rome and the Mysterious Orient** Plautus, 2005-12-12 Still funny after two thousand years the Roman playwright Plautus wrote around 200 B C E a period when Rome was fighting neighbors on all fronts including North Africa and the Near East These three plays originally written for a wartime audience of refugees POWs soldiers and veterans exiles immigrants people newly enslaved in the wars and citizens tap into the mix of fear loathing and curiosity with which cultures particularly Western and Eastern cultures often view each other always a productive source of comedy These current accessible and accurate translations have replaced terms meaningful only to their original audience such as references to Roman gods with a hilarious inspired sampling of American popular culture from songs to movie stars to slang Matching the original Latin line for line this volume captures the full exuberance of Plautus's street language bursting with puns learned allusions ethnic slurs dirty jokes and profanities as it brings three rarely translated works Weevil Curculio Iran Man Persa and Towelheads Poenulus to a wide contemporary audience Richlin's erudite introduction sets these plays within the context of the long history of East West conflict and illuminates the role played by comedy and performance in imperialism and colonialism She has also provided detailed and wide ranging contextual introductions to the individual plays as well as extensive notes which together with these superb and provocative translations will bring Plautus alive for a new generation of readers and actors

Shakespeare's Verbal Art William Bellamy, 2016-01-14 Shakespeare's Verbal Art is a profoundly important study of the newly rediscovered anagrams that lie hidden below the surface of all Shakespearean texts It explains the essential role played by these concealed figures in Classical and Renaissance poetry demonstrating the revelatory function of anagram by reference to the close analysis of a wide range of examples Special attention is given to Shakespeare's use of these subtextual devices to clarify meaning and intention The focus is first on Shakespeare's Sonnets of 1609 and secondly on Hamlet Othello and Twelfth Night all of which are found to be composed around the concealed anagrams that render these works self interpreting A new kind of language use is revealed in terms of which pre Enlightenment text is envisaged as existing in two distinct dimensions the overt and the covert both of which must be read if any particular poem or play is to be fully understood In effect a wholly new set of Shakespearean texts is made available to the reader who will find Shakespeare's Verbal Art an essential guide to the new discoveries The book will also be indispensable in the fields of Classical and Renaissance literature linguistics poetics rhetoric and literary history and in relation to the pre Enlightenment text in general

and will interest both the specialist and the general reader **Pseudo-Manetho, Apotelesmatica** ,2023-04-12 The corpus of astrological material ascribed to the Egyptian priest Manetho consists of six books of poetry This book serves as the companion to the one published by OUP in 2020 which was the first commentary in any language on the earliest three books of Manetho's poetry two three and six as they appear in the manuscript This volume supplies the remainder books four one and five Manetho was credited with a series of didactic poems which list outcomes for planetary set ups in a birth chart The books covered in this volume are not as easily dated as those in the first volume but the most recent is probably no later than the fourth century and they are still Egyptian As in the first volume their descriptions of the kinds of person who are born under happy and unhappy configurations of stars speak to the lived realities aspirations and fears of the astrologer's clientele Unlike in the first volume however the individual books treated here have different authors and there is more emphasis on profiling individual poets in terms of style metre and mannerisms As in the first volume there is a Greek text with English translation and an apparatus with parallel material to enable comparison with related works But this volume pays more attention to the transmission of traditional material from one author to another and to the special approach required of an editor of material which being in practical use circulated in unstable and minutely varying textual forms Clever Little Books

Ian Frederick Moulton, **Evidence-based Approaches to Sexuality Education** James J. Ponzetti, Jr.,2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence based sexuality education SE programs and practices Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships Noted contributors from various disciplines critically evaluate evidence based programs from around the globe and through the lifespan Examples and discussion questions encourage application of the material Guidance for those who wish to design implement and evaluate SE programs in various social contexts is provided Each chapter follows a consistent structure so readers can easily compare programs Learning Goals Introduction Conclusion Key Points Discussion Questions and Additional Resources The editor taught human sexuality and family life education courses for years This book reviews the key information that his students needed to become competent professionals Highlights of the book's coverage include Interdisciplinary comprehensive summary of evidence based SE programs in one volume Prepares readers for professional practice as a Certified Family Life Educator CFLE or sex educator by highlighting the fundamentals of developing and implementing SE programs Exposes readers to evidence based SE programs from various social contexts including families schools communities and religious institutions Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities Critically reviews SE programs from around the world including the US Europe Asia Africa Latin America and other developing countries The book opens with an historical overview Part I focus on general frameworks of sexuality education including UNESCO's International Technical Guidelines How to develop deliver and implement evidence

based SE programs including ethical concerns are explored in Part II Part III exposes readers to evidence based programs in various social contexts families schools communities and religious institutions Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities Part V examines diverse global contexts from the US Latin America Europe Asia Africa and other developing countries The book concludes with future trends and directions Ideal for graduate or advanced undergraduate courses in sex education sexual health human sexuality sex or marriage counseling intimate relationships family life education or home school and community services taught in human development and family studies psychology social work health education nursing education and religion and in seminaries and family clinics the book also serves as a resource for practitioners counselors researchers clergy members and policy makers interested in evidence based SE programs or those seeking to become CFLEs or sexuality educators

Experiencing Old Age in Ancient Rome Karen Cokayne, 2013-01-11 Old age today is a contentious topic It can be seen as a demographic timebomb or as a resource of wisdom and experience to be valued and exploited There is frequent debate over how we value the elderly and whether ageing is an affliction to be treated or a natural process to be embraced Karen Cokayne explores how ancient Rome dealt with the physical intellectual and emotional implications of the ageing process and asks how the Romans themselves experienced and responded to old age Drawing on a wide range of contemporary material written sources inscriptions and visual evidence the study brings into focus universal concerns including geriatric illness memory loss and senility the status and role of the old sexuality and family relationships The book s unique emphasis on both the individual and society s responses to ageing makes it a valuable contribution to the study of the social history of Rome

Decoding **Roman Sexualities Hb**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
