**S. Patriarca, L. Riall**

## **Romance Of Italy And The English Political Imagination:**

**The Romance of Italy and the English Imagination** Maura O'Connor, 1998-10-14 In blurring the boundaries between fact and fiction diplomats and travellers English nation and Italian nation Maura O'Connor shows us the extent to which imagination pleasure and politics were intimately interwoven in her story of the English middle class fascination with the Italian peninsula from the early 1800s through to the 1860s O'Connor uses a variety of sources ranging from travel writings and the popular press to diplomatic dispatches and official correspondence to illustrate how influential the romance of Italy was to the bourgeois liberal and above all English social order during a time when class society was undergoing reconfiguration Her use of the collective imagination as a crucial historical tool and her emphasis on narrative as a means not only to read texts but also to understand political sources such as diplomatic documents as reflections of culture ensures that this book breaks new ground and defies conventional categorization Also included are the unique assertions that the concepts of Englishness and England were conceived in anything but isolation and that neither high politics nor foreign policy may be viewed as domains separate from the forces of cultural imagination and production **The Romance of Italy**

**and the English Imagination** Maura O'Connor, 1998 The author of this work aims to show the extent to which imagination pleasure and politics were interwoven in her story of the English middle class fascination with the Italian peninsula from the early 1800s through to the 1860s She uses a variety of sources ranging from travel writings and the popular press to diplomatic dispatches and official correspondence to illustrate how influential the romance of Italy was to the bourgeois liberal and above all English social order during a time when class society was undergoing reconfiguration Her use of the collective imagination as a crucial historical tool and her emphasis on narrative as a means not only to read texts but also to understand political sources such as diplomatic documents as reflections of culture ensures that this book breaks new ground and defies conventional categorization Also included are the unique assertions that the concepts of Englishness and England were conceived in anything but isolation and that neither high politics nor foreign policy may be viewed as domains separate from the forces of cultural imagination and production Italian Politics and Nineteenth-Century British Literature and Culture

Patricia Cove, 2019-05-14 This book examines the intersections among literary works by Elizabeth Barrett Browning Mary Shelley and Wilkie Collins journalism parliamentary records and pamphlets to establish Britain's imaginative investment in the seismic geopolitical realignment of Italian unification *Britain, Ireland and the Italian Risorgimento* N. Carter, 2015-04-28 This book offers a unique and fascinating examination of British and Irish responses to Italian independence and unification in the mid nineteenth century Chapters explore the interplay of religion politics exile feminism colonialism and romanticism in fuelling impassioned debates on the Italian question on both sides of the Irish Sea

**Intimacy and Italian Migration** Loretta Baldassar, Donna R. Gabaccia, 2011 Loretta Baldassar is Associate Professor of Anthropology and Sociology at the University of Western Australia *The Cambridge Companion to English Literature*,

1830-1914 Joanne Shattock, 2010-01-28 The nineteenth century witnessed unprecedented expansion in the reading public and an explosive growth in the number of books and newspapers produced to meet its demands These specially commissioned essays examine not only the full range and variety of texts that entertained and informed the Victorians but also the boundaries of Victorian literature the links and overlap with Romanticism in the 1830s and the roots of modernism in the years leading up to the First World War The Companion demonstrates how science medicine and theology influenced creative writing and emphasizes the importance of the visual in painting book illustration and in technological innovations from the kaleidoscope to the cinema Essays also chart the complex and fruitful interchanges with writers in America Europe and the Empire highlighting the geographical expansion of literature in English This Companion brings together the most important aspects of this prolific and popular period of English literature

**Garibaldi** Lucy Riall, 2008-10-20 Giuseppe Garibaldi the Italian revolutionary leader and popular hero was among the best known figures of the nineteenth century This book seeks to examine his life and the making of his cult to assess its impact and understand its surprising success For thirty years Garibaldi was involved in every combative event in Italy His greatest moment came in 1860 when he defended a revolution in Sicily and provoked the collapse of the Bourbon monarchy the overthrow of papal power in central Italy and the creation of the Italian nation state It made him a global icon representing strength bravery manliness saintliness and a spirit of adventure Handsome flamboyant and sexually attractive he was worshiped in life and became a cult figure after his death in 1882 Lucy Riall shows that the emerging cult of Garibaldi was initially conceived by revolutionaries intent on overthrowing the status quo that it was also the result of a collaborative effort involving writers artists actors and publishers and that it became genuinely and enduringly popular among a broad public The book demonstrates that Garibaldi played an integral part in fashioning and promoting himself as a new kind of charismatic political hero It analyzes the way the Garibaldi myth has been harnessed both to legitimize and to challenge national political structures And it identifies elements of Garibaldi's political style appropriated by political leaders around the world including Mussolini and Che Guevara

**The Risorgimento Revisited** S. Patriarca, L. Riall, 2011-12-16 Bringing together the work of a ground breaking group of scholars working on the Italian Risorgimento to consider how modern Italian national identity was first conceived and constructed politically the book makes a timely contribution to current discussions about the role of patriotism and the nature of nationalism in present day Italy

*Victorians and the Virgin Mary* Carol Engelhardt-Herringer, 2013-07-19 This interdisciplinary study of competing representations of the Virgin Mary examines how anxieties about religious and gender identities intersected to create public controversies that whilst ostensibly about theology and liturgy were also attempts to define the role and nature of women Drawing on a variety of sources this book seeks to revise our understanding of the Victorian religious landscape both retrieving Catholics from the cultural margins to which they are usually relegated and calling for a reassessment of the Protestant attitude to the feminine ideal This book will be useful to advanced students and

scholars in a variety of disciplines including history religious studies Victorian studies women s history and gender studies

The Victorian Supernatural Nicola Bown,Carolyn Burdett,Pamela Thurschwell,2004-02-05 Publisher Description

**Italian Forgers** Carol Helstosky,2024-05-15 Italian Forgers takes an unorthodox approach to the fascinating topic of art forgery focusing not on art forgery per se but on the major forgery scandals that shifted the Italian art market in response to constant and often intense demand for Italian objects By focusing on power dynamics that both precipitated forgery scandals and forged Italian cultural identities this book connects the debates and discussions about three well known Italian forgers Giovanni Bastianini Icilio Joni and Alceo Dossena to anchor and investigate the mechanics of the Italian art market from unification through the fascist era Carol Helstosky examines foreign accounts of transactions and Italian writings about the art market The actions and words of Italian dealers illustrate how the Italian art and antiquities market was an undeniably modern industry on par with tourism in terms of its contribution to the Italian economy and to understandings of Italian identity These accounts also reveal how dealers artists go between guides and restorers worked to not only meet the intense demand for Italian products but also to develop highly sophisticated business practices to maintain financial stability and respond to shifts in demand consciously but not always conscientiously Italian Forgers weaves a compelling narrative about the history of Italian identity forgery and the value of the past As a result Helstosky brings historical perspective to the study of art forgery and art fraud She reveals how historical circumstances and structural imbalances of cultural power shaped the market for art and antiquities and amplified incidents of art deception and forgery scandals *The Empire of Stereotypes* R. Casillo,2006-05-13 This book places Germaine de Stael s influential novel Corrine or Italy 1807 in relation to preceding and subsequent stereotypes of Italy as seen in the works of Northern European and American travel writers since the Renaissance *Britannia's Embrace* Caroline Shaw,2015-09-18 On the eve of the American Revolution the refugee was according to British tradition a Protestant who sought shelter from continental persecution By the turn of the twentieth century however British refuge would be celebrated internationally as being open to all persecuted foreigners Britain had become a haven for fugitives as diverse as Karl Marx and Louis Napoleon Sim n Bol var and Frederick Douglass How and why did the refugee category expand How in a period when no law forbade foreigners entry to Britain did the refugee emerge as a category for humanitarian and political action Why did the plight of these particular foreigners become such a characteristically British concern Current understandings about the origins of refuge have focused on the period after 1914 Britannia s Embrace offers the first historical analysis of the origins of this modern humanitarian norm in the long nineteenth century At a time when Britons were reshaping their own political culture this charitable endeavor became constitutive of what it meant to be liberal on the global stage Like British anti slavery its sister movement campaigning on behalf of foreign refugees seemed to give purpose to the growing empire and the resources of empire gave it greater strength By the dawn of the twentieth century British efforts on behalf of persecuted foreigners declined precipitously but its legacies in law and in

modern humanitarian politics would be long lasting In telling this story Britannia's Embrace puts refugee relief front and center in histories of human rights and international law and of studies of Britain in the world In so doing it describes the dynamic relationship between law resources and moral storytelling that remains critical to humanitarianism today **The Lesser Evil** Helmut Dubiel, Gabriel Motzkin, 2004-04-22 In this book scholars debate the evils of Nazism and Communism and explore methods and purposes of comparing the two **Nineteenth-Century Literature in Transition: The 1860s** Pamela K. Gilbert, 2024-02-08 Offering an in depth overview and reappraisal of the 1860s in British literature this innovative volume features in depth analyses from noted scholars at the tops of their fields Covering characteristic literary genres of the 1860s including sensation and lyric as well as Golden Age children's literature and topics of current and enduring interest in the field from empire and slavery to evolution environmental issues and economics it incorporates drama as well as poetry and fiction and emphasizes the history of publishing and periodicals so important to the period Chapters are attentive to the global context from Ireland on the stage to Bengali literature to Britain's muted response to the US Civil War The Introduction gives an overview that places these individual chapters in the historical context of the 1860s as well as the current scholarly conversation in the field **Female Sexual Inversion** Chiara Beccalossi, 2011-10-26 An examination of how female same sex desires were represented in a wide range of Italian and British medical writings 1870-1920 It shows how the psychiatric category of sexual inversion was positioned alongside other medical ideas of same sex desires such as the virago tribade prostitute fiamma and gynaecological explanations **Revolutionary Domesticity in the Italian Risorgimento** Diana Moore, 2021-07-14 This book examines how a group of transnational British Italian women affiliated with the exiled patriots of the Italian Left repurposed traditionally feminine activities such as fundraising gift giving maternity and memory collection to make a substantial contribution to Italian Unification and state building Through their actions Mary Chambers Sara Nathan Giorgia Saffi Julia Salis Schwabe and Jessie White Mario transcended the boundaries of acceptable behavior for middle class women and participated in the broader female emancipation movement By drawing attention to their activities this book reveals how nineteenth century female activists achieved their most revolutionary goals by using conservative domestic or anti Catholic language Adding to the growing understanding of the Italian Risorgimento as a transnational phenomenon it also shows how non Catholic and non Italian women participated in the creation and development of the Italian state Finally the book argues for the continuing importance of religion in both politics and philanthropy throughout the nineteenth century **The Victorians and Germany** John R. Davis, 2007 Of all the parts of the world to interest the Victorians Germany was among the most important Though less well known today partly in consequence of the events of the twentieth century German influences in Britain were strong and their legacy substantial This book charts the emergence development and course of the Victorian interest in Germany Its multidisciplinary approach which binds together for the first time the latest research conducted in a variety of areas shows how a discourse developed in Britain

regarding Germany and the Germans which spilled over from one area of life to another and included some of the most prominent figures in Victorian life It provides a framework for understanding the causes of the Victorian fascination with Germany and argues forcefully that the roots of this lay in the processes of modernisation taking place in each place respectively It also points to the deep impact this had upon the course of British history and reveals how it prepared the ground for the future direction of Anglo German relations     La questione romantica. Rivista interdisciplinare di studi romantici vol. 15-16: Viaggio e paesaggio. Autunno 2003 primavera 2004 ,2007     The Artistry of Exile Jane Stabler,2013-10-24 The Artistry of Exile is a new reading of one of the most important themes of nineteenth century literature Exile represents a crisis in the always present tension between self and culture the disturbance of memory the quest for home and the survival or not of life s heart quakes all of which became identifying features of canonical Romanticism Focusing on two interlinked groups of writers who for various reasons felt cast out of England and sought refuge in Italy this book traces the material and metaphoric dynamics of distance in poems novels and epistolary conversations The book brings into dialogue the self alienation and existential antagonism of the Cain figure with the contingencies of real travel conversations about writing desks lost parcels of books missing pans and stray camels Domestic and cosmic perspectives mingle as the book reveals how writers realize the full resonance of Dante s vivid summation of exile in the taste of different bread and the difficulty of another man s stairs As a country that only exists in the early nineteenth century as a memory Italy both embodies and energises formal attempts to bridge the distance created by exile in the work of the Byron Shelley circle and the later Barrett Browning Browning collaboration Examining these writers in relation to Italian art sound religion narrative art and history the book presents a new perspective on Romantic canonicity and relocates contemporary ideas of cosmopolitanism in the aesthetic ethical and political debates of the late Romantic and early Victorian world

### **Romance Of Italy And The English Political Imagination Introduction**

In today's digital age, the availability of Romance Of Italy And The English Political Imagination books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romance Of Italy And The English Political Imagination books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romance Of Italy And The English Political Imagination books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romance Of Italy And The English Political Imagination versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romance Of Italy And The English Political Imagination books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romance Of Italy And The English Political Imagination books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Romance Of Italy And The English Political Imagination books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Romance Of Italy And The English Political Imagination books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Romance Of Italy And The English Political Imagination books and manuals for download and embark on your journey of knowledge?

### **FAQs About Romance Of Italy And The English Political Imagination Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
