Romance Of Atlantis:

The Romance of Atlantis Taylor Caldwell, Jess Stearn, 2017-08-01 A young queen is torn between her heart's desire and the fate of her kingdom in this first rate fantasy from a New York Times bestselling author Library Journal On his deathbed the four hundred year old emperor of Atlantis has reason to worry Signar the savage ruler of a powerful outlying state is scheming to seize control of the empire and not even its advanced technology can save it But something else can From the frozen north country of Althrustri Signar will halt his invasion if he can take the emperor's daughter the beautiful Empress Salustra as his bride Such a marriage contradicts the deepest feelings of Salustra's heart the secret wisdom of her lineage and her sacred trust as Atlantis's queen But the emperor has a plan Salustra will seduce Signar and then sentence him to death In spite of every effort to harden her heart Salustra soon finds herself falling in love with the lustful barbarian Her loyalties gravely divided the empress must make a decision that will change the course of history Written by author Taylor Caldwell when she was a young girl and revised and published decades later The Romance of Atlantis transforms the legend of a lost kingdom into an extraordinary tale of passion and intrigue TheColumbus Dispatch
