D. Hope and the Ambivalence of Modernity* A. D. Cousins,Dani Napton,2024-10-03 How A D Hope interpreted and reacted to modernity and modernism has been energetically discussed for some time What aspects of modernity did he find useful or prize What precisely did he dislike and why How did he make use even sometimes especially of what he disliked This book offers fresh answers to such questions from some of Australia s best known scholars It is a volume that will be of interest to undergraduates and professional academics alike      [Selected Poems And Four Plays](#) William Butler Yeats,2011-11-08 Since its first appearance in 1962 M L Rosenthal s classic selection of Yeats s poems and plays has attracted hundreds of thousands of readers This newly revised edition includes 211 poems and 4 plays It adds The Words Upon the Window Pane one of Yeats s most startling dramatic works in its realistic use of a seance as the setting for an eerily powerful reenactment of Jonathan Swift s rigorous

idealism baffling love relationships and tragic madness The collection profits from recent scholarship that has helped to establish Yeats's most reliable texts in the order set by the poet himself And his powerful lyrical sequences are amply represented culminating in the selection from Last Poems and Two Plays which reaches its climax in the brilliant poetic plays The Death of Cuchulain and Purgatory Scholars students and all who delight in Yeats's varied music and sheer quality will rejoice in this expanded edition As the introduction observes Early and late he has the simple indispensable gift of enchanting the ear He was also the poet who while very much of his own day in Ireland spoke best to the people of all countries And though he plunged deep into arcane studies his themes are most clearly the general ones of life and death love and hate man's condition and history's meanings He began as a sometimes effete post Romantic heir to the pre Raphaelites and then quite naturally became a leading British Symbolist but he grew at last into the boldest most vigorous voice of this century Selected Poems and Four Plays represents the essential achievement of the greatest twentieth century poet to write in English

**Cultures of the Fragment** Heather Bamford, 2018-06-26 The majority of medieval and sixteenth century Iberian manuscripts whether in Latin Hebrew Arabic Spanish or Aljamiado Spanish written in Arabic script contain fragments or are fragments The term fragment is used to describe not only isolated bits of manuscript material with a damaged appearance but also any piece of a larger text that was intended to be a fragment Investigating the vital role these fragments played in medieval and early modern Iberian manuscript culture Heather Bamford's Cultures of the Fragment is focused on fragments from five major Iberian literary traditions including Hispano Arabic and Hispano Hebrew poetry Latin and Castilian epics chivalric romances and the literature of early modern crypto Muslims The author argues that while some manuscript fragments came about by accident many were actually created on purpose and used in a number of ways from binding materials to anthology excerpts and some fragments were even incorporated into sacred objects as messages of good luck Examining four main motifs of fragmentation including intention physical appearance metonymy and performance this work reveals the centrality of the fragment to manuscript studies highlighting the significance of the fragment to Iberia's multicultural and multilingual manuscript culture

**Reading the Middle Ages** Theodore L. Steinberg, 2010-06-28 Medieval literature is separated from us by so many centuries that it may seem completely foreign both in its concerns and its techniques However this literature has much to say to 21st century readers and Steinberg's book demonstrates its continuing relevance and appeal This introduction to medieval literature provides some of the cultural context that readers need to know in order to understand the literature such as the religious orientation of the people often deep and sincere but sometimes treated casually or subjected to intense scrutiny The first chapter provides a brief explanation of medieval religious thought cosmology and intellectual history The remaining chapters provide introductions to a number of individual works ranging from Beowulf to the works of Chaucer Avoiding the tendency to regard the Middle Ages as an era dominated by Christian men these discussions include works by women writers and Jewish writers and a chapter on the medieval

*Marriage from the Heart* Donald R. Downing,2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart

Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart **FEATURING DRS MELVIN AND ROBIN THORNHILL** Melvin and Robin Thornhill are the founders and presidents of Destiny New Image Ministries They have a combined 50 years of experience in family and marriage counseling Popular Iranian Cinema before the Revolution Pedram Partovi,2017-07-14

Critics and academics have generally dismissed the commercial productions of the late Pahlavi era best known for their songs and melodramatic plots as shallow derivative entertainment Instead they have concentrated on the more recent internationally acclaimed art films claiming that these constitute Iranian national cinema despite few Iranians having seen them Film discourse and even fan talk have long attempted to marginalize the mainstream releases of the 1960s and 1970s with the moniker filmfarsi ironically asserting that such popular favorites were culturally inauthentic This book challenges the idea that filmfarsi is detached from the past and present of Iranians Far from being escapist Hollywood fare merely translated into Persian it claims that the better films of this supposed genre must be taken as both a subject of and source for modern Iranian history It argues that they have an appeal that relies on their ability to rearticulate traditional courtly and religious ideas and forms to problematize in unexpectedly complex and sophisticated ways the modernist agenda that secular nationalist elites wished to impose on their viewers Taken seriously these films raise questions about standard treatments of Iran s modern history By writing popular films into Iranian history this book advocates both a fresh approach to the study of Iranian cinema as well as

a rethinking of the modernity tradition binary that has organized the historiography of the recent past It will appeal to those interested in Iranian cinema Iranian history and culture and more broadly readers dissatisfied with a dichotomous approach to modernity

**Love and anti-Judaism in medieval English romance** Hope Doherty-Harrison,2025-09-02 Love and anti Judaism is a new examination of medieval romance for the questions it poses of the most significant events in Christian history Providing new readings of Sir Gawain and the Green Knight Sir Orfeo Sir Gowther and Sir Amadace the book argues that romance explores depictions of love and the sacrifices it may necessitate in the Hebrew Bible especially where they do not easily fit into interpretations asserting that this history must prefigure Christ and the crucifixion An examination of anti Judaism as a discourse of violence and desire that could be turned inwardly to expose the irresolution in Christianity this book will provoke new investigations into the religious crises of medieval romance

**Dearest Wilding** Yvette Eastman,2015-12-21 A candid and intimate chapter in the life of a modern woman Yvette Eastman s vivid narrative also contributes richly to the life story of Theodore Dreiser Dearest Wilding A Memoir records the journey that took Yvette Szekely from an upper middle class scholar s home in Budapest to the intellectual and artistic centers of urban America in the 1920s and 1930s In 1929 sixteen year old Yvette Szekely met Dreiser who was fifty eight at the time and within a year he became her lover Dreiser remained central to her life as lover father figure and mentor until his death in 1945 Her portrait of Dreiser who is by no means idealized is of a complex man often troubled suspicious and jealous but also caring and supportive The book is much more than an account of a sixteen year relationship however It describes Eastman s attempt to understand her bond with Dreiser forcing her back to her childhood to memories of her distinguished but distant father who remained in Hungary and to the early experiences that made the aging Dreiser so important to her life In an afterword the author thoughtfully reflects on the patterns of love and loss that form part of her past Dearest Wilding is a valuable primary source in literary history and among the last documents from this era One of the most important figures in the memoir is Max Eastman whose early relationship with Yvette Szekely resulted in marriage years later As perhaps the last reminiscence of
