## **Romans A Model For Bible Study Methods:**

*Romans: A Model for Bible Study Methods* Lloyd Perry, Calvin Hanson, 1982-06-08 *Romans A Model for Bible Study Methods* is a unique resource It is both a commentary and study guide full of suggestions and guidelines for individual or group study It includes general study methods for Romans approaches for outlining the letter special study projects and even a comprehensive final exam This resource is recommended for both pastors and lay leaders anyone who wants a thorough grasp of the book of Romans *Romans, a Model for Bible Study Methods* Lloyd Merle Perry, Calvin B. Hanson, 1982-01-01

*Paul and the Roman House Churches* Reta H. Finger, 2006-01-25 In AD 57 or 58 the apostle Paul sent his faithful coworker and patron Phoebe on an eight hundred mile journey to deliver a letter to all the Christians in Rome He was concerned about racial lifestyle and political tensions in the house church groups there Some believers were more conservative some more liberal How could they live in unity and help Paul in his mission Today we have Paul's letter but know little about its historical context Yet similar tensions still trouble churches Too often Romans has been misused to divide Christians from Jews or Christians from each other Finger claims we cannot understand Romans for our day unless we grasp its original setting She guides users of the book to re create house churches as in first century Rome Participants assume various roles and hear Phoebe proclaim Paul's message afresh They will not all agree on what Paul means Where they do catch his meaning they may not accept it How does Jesus gospel teach them to get along together when they can't agree This book will also benefit individual readers and the learning through simulation is adaptable to groups of many ages and levels of education biblical awareness and spiritual maturity Diversity stimulates and enhances discussion The goal is to hear and apply the message of Romans to our lives today and have fun in the process *Roman House Churches for Today* Reta Halteman Finger, 2007-09-14 Placing the biblical book of Romans in its historical and cultural context Reta Halteman Finger here creates a simulation of the Roman house churches that first heard Paul's Romans letter and its call for inclusiveness among the people of God Finger guides readers in small groups to re create house churches as in first century Rome Based on the text of Romans participants play various roles and converse even debate with other characters from different ethnic and religious backgrounds This experiential approach makes Romans come alive in new concrete ways and applies Romans theology to current issues that often still divide groups of Christians *Roman House Churches for Today* includes aids and suggestions for simulation leaders sample character sketches and website links with resources for further deeper study Not only small groups but also individuals will profit from this unique Bible study **Religious Books, 1876-1982**, 1983 Prepared by the R R Bowker Company's Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 **DRS: An Intellectual Approach To Bible Study II** Dr. Shi-Brone (Jake) Jacobs, 2016-12-14 Dr Jacobs book provides a series of methods by which to objectively approach difficult Biblical topics Additionally it offers readers a perspective view held by

many non Christians so that appropriate apologetic stances can be developed American Book Publishing Record ,2007

First Order of Business Judith Marsh Carlson,2018-09-17 Spiritual resource for Bible study and reflection discussion prior to church meetings After years as a member of parish staffs and as a congregational and diocesan consultant Judith Carlson became increasingly aware how seldom Bible study or some spiritual component is incorporated into church meetings Even when they want to busy lay people worry it will take too much time or aren t sure what scripture to use or fear they don t know enough about the Bible Clergy too despite good intentions often have trouble finding time to prepare something This simple model provides a way to add the missing and needed spiritual dimension First Order of Business contains 36 brief sessions 12 minutes a piece Each has a scripture passage and three open ended reflection questions open ended to fit a variety of situations though not automatically suggesting right answers and allowing some genuine reflection in a non threatening way Carlson s hope is that allowing space for the Spirit s presence can transform ordinary business as usual into a broader more spiritual context for a group s work of mission or ministry **New Testament Exposition** Walter L. Liefeld,1989-06-13 Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture New Testament Exposition is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon **Books in Print** ,1982 **NKJV, The Open Bible, eBook** Thomas Nelson,2012-09-10 The study Bible that gets you quickly and fully into the Word Find what you need The Open Bible New King James Version is designed for the hungry reader This Bible is filled with amazing study aids
