Romantic Biography:

Romantic Biography Arthur Bradley, 2017-03-02 Romantic biography lives Despite the so called death of the author popular interest in the lives of the major Romantic writers has reached a new peak Romantic Biography brings together Romantic biographers and critics to consider some of the key questions surrounding this publishing phenomenon What precisely is Romantic biography What is the relationship between it and Romantic writings more generally And to what extent is Romantic biography itself the product of Romantic ideas about the self time and creativity Romantic Biography examines a range of canonical and non canonical biographical subjects from a variety of practical and theoretical standpoints Michael O Neill opens the collection with an analysis of the relationship between Romantic biography and Romantic poetry Jonathan Bate Mark Storey and Kenneth R Johnston reassess Clare Southey and Wordsworth from their position as authors of recent forthcoming biographies of the poets Joe Bray and Alan Rawes explore the Romantic assumptions at work within contemporary biographies of Austen and Byron Gerard Carruthers Julian North Jennifer Wallace and Arthur Bradley put biographies of Burns Scott Coleridge Byron Keats and Shelley into the context of contemporary historicist and theoretical ideas about national and gender identity the body and difference Ralph Pite brings the collection to a close with a further examination of the vexed question of Romantic biography's relation to Romanticism itself Romantic Biography is a major new survey of Romantic life writing and an important contribution to biographical studies more generally

The Romance of Biography. Chapters on the Strange and Wonderful in Human Life Edwin Paxton Hood, 1876

The Encyclopedia of Romantic Literature, 3 Volume Set Frederick Burwick, Nancy Moore Goslee, Diane Long Hoeveler, 2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities

Reading Biography Carl Rollyson, 2004 Most book reviewers know very little about the history or the art of biography Indeed if there is any art in biography it is the rare reviewer that acknowledges it or knows how to discuss it Usually the reviewer regards biography as an occasion to wax eloquent about what he or she thinks of the subject Little space if any is devoted to the biography's structure or style to the biographer's peculiar problems or to how the biography relates to others about the same subject Carl Rollyson a professional biographer and weekly columnist On Biography for The New York Sun explores the ramifications of authorized and unauthorized biographies investigates the relationship between biography and history biography and fiction biography and autobiography as well commenting on

certain perennial biographical subjects such as Napoleon on sub genres such as children s biography and on the most recent developments in life writing Rollyson s aim is to reach not merely scholars but that vast general audience addicted to reading biography enhancing their pleasure by providing insight or you might say the inside word on how biographies are put together

Melancholy and Literary Biography, 1640-1816 J. Darcy, 2013-06-25 This book traces the development of literary biography in the eighteenth century how writers melancholy was probed to explore the inner life Case studies of a number of significant authors reveal the 1790s as a time of biographical experimentation Reaction against philosophical biography led to a nineteenth century taste for romanticized lives

A Companion to Literary Biography Richard Bradford, 2018-09-18 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history

Women Writers in the Romantic Age John Claiborne Isbell, 2025-04-17 This groundbreaking book offers a comprehensive review of six hundred and fifty women writers from over fifty national traditions spanning Europe and the Americas during the transformative years of 1776 to 1848 Framed by revolutionary upheavals the book explores how women writers shaped and reflected Romanticism s global currents It fills a critical scholarly gap connecting disparate traditions and uncovering voices often overlooked in male dominated literary histories Through concise entries the book names every woman writer identified in its vast research from celebrated figures like Phillis Wheatley to lesser known authors whose manuscripts lay buried in archives Each entry provides essential biographical details while select excerpts in seventeen languages bring these voices to life revealing how

women navigated the era's revolutionary ideals and patriarchal barriers. Structured democratically, the volume treats all writers equally, whether anonymous, pseudonymous, or celebrated in their time. It highlights their diverse experiences: poets and novelists, abolitionists and suffragists, mothers and mill workers. From memoirs to political tracts, their works testify to the rich tapestry of women's contributions to Romanticism. By illuminating these stories, this book challenges national silos, offering a panoramic view of Romanticism as a truly transnational, female-inclusive phenomenon. It represents a go-to resource for students and interested readers while setting the ground for future scholars to expand this vital field of study.

Romanticism and the Contingent Self Michael Falk, 2024-05-23. This book offers a new critique of selfhood in Romantic literature. In the past, Romanticism has been seen as an individualistic movement with writers believing in the centrality of the self. Challenging this prevailing view of Romanticism and the modern self, this study unveils an alternative tradition of Romantic writing in which the self is fragile, degenerate, non-existent, or in a word, contingent. It combines philosophy, intellectual history, literary studies, and digital humanities and takes a transnational approach both in its coverage of philosophical thought and literature, including case studies from England, Ireland, Scotland, and colonial Australia, with examples from American and European works as well. The book also uses innovative digital techniques such as text analysis, sentiment mining, and network analysis to enrich the exploration of text and context. It covers all major genres of Romantic writing: fiction, realist novels, poetry, the sonnet, non-fiction, prose, biography, and drama, gothic, tragedy. Providing a new framework for understanding the contingent self, this book is of interest to scholars and students of Romantic literature, philosophy of the self, and digital humanities.

Love & Eroticism Mike Featherstone, 1999-09-20. This major collection explores the contested nature of love and eroticism, examining the ways in which erotic, bodily pleasures have become central to contemporary consumer culture. It investigates the spatial dimension of erotic life through considerations of Bohemian love, the gay city, and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship. Drawing on the work of feminists, sociologists, and cultural theorists, this book contains a wide-ranging and accessible set of contributions to contemporary debates on sexuality, love, and eroticism.

Love, Eroticism Wilhelm Hemecker, Edward Saunders, 2017-08-07. This textbook is an anthology of significant theoretical discussions of biography as a genre and as a literary/historical practice. Covering the 18th to the 21st centuries, the reader includes programmatic texts by authors such as Herder, Carlyle, Dilthey, Proust, Freud, Kracauer, Woolf, and Bourdieu. Each text is accompanied by a commentary placing its contribution in critical context. Ideal for use in undergraduate seminars, this reader may also be of interest for academic researchers in the areas of literary studies and history, aiming to get an overview of historical questions in biographical theory. This revised and updated English language edition also includes new translations of texts by J. G. Herder and Stefan Zweig, as well as an introductory discussion on the possibility of a theory of biography. Note: Due to

copyright reasons the chapter Sade Fourier Loyola Extract 1971 pp 175 177 by Roland Barthes could not be included in the ebook

The Form of Greek Romance B. P. Reardon, 2014-07-14 In the early Roman Empire a new literary genre began to flourish mainly in the Greek world prose fiction or romance Broadly defined as a love story that offers adventure and a romantic vision of life this form of literature emerged long after the other genres and until recently seemed hardly worthy of critical attention Here B P Reardon addresses the growing interest in ancient fiction by providing a literary and cultural framework in which to understand Greek romance and by demonstrating its importance as an artistic and social phenomenon Beginning with a discussion of Chariton s Chaereas and Callirhoe Reardon sets out the generic characteristics of the romance He then moves through a wide range of works including those of Longus and Heliodorus and reveals their sophistication in terms of social observation technique within a convention and the stance adopted by the authors toward their own creations Although antiquity left behind little discussion of the genre Reardon shows how romance can be assessed within its time period by considering the practice of narrative in other Greek literature and the concept of fiction in antiquity Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Recognizing Biography William H. Epstein, 2017-11-15 Epstein s narrative interweaves interpretive and theoretical chapters as it emplots the discourse of English biography from Walton to Strachey In this way familiar generic relationships between biographer subject life text falsehood and readership are analyzed in specific if constantly shifting historical literary cultural and economic texts

A History of American Biography, 1800-1935 Edward H. O'Neill, 2015-09-30 A survey and evaluation of the whole range of American biography from the earliest important lives to book of the present day

The Dictionary of National Biography, Founded in 1882 by George Smith, 1917

Prose in the Age of Poets Annette Wheeler Cafarelli, 2015-09-30 In *Prose in the Age of Poets* Annette Wheeler Cafarelli demonstrates that nonfictional narrative of the time was a central expression of British Romanticism The rise of interest in the individual traditionally associated with Romantic autobiography was actually part of a wider cultural interest in biography especially literary biography Following Johnson s lead in the *Lives of the Poets* virtually every major writer of the period experimented with sequences of short anecdotal lives that became a characteristic Romantic vehicle for discussing theories of creativity canon and the place of the poet in society The Romantics took in new directions the examination of the relation of artists lives and works biographers and their subjects and texts and their readers Romantic biography Cafarelli contends offers a perspective from which to reconsider conventional boundaries of genre periodization and the movement from Neoclassicism to Romanticism In examining the Romantics as prose writers and biographers

Cafarelli explores the affiliations between Romantic theories of reading and writing and twentieth century critical methodologies She situates the biographical writings of the major poets including Wordsworth Coleridge and Byron in the context of detailed analyses of biographies by Johnson Hazlitt De Quincey Scott Southey and other lesser known contemporaries Prose in the Age of Poets will interest scholars and students of Romanticism Johnson biography and autobiography and narrative theory **Between History and Romance** Gifra-Adroher, Pere,2000 It demonstrates that even though Washington Irving s sojourn in Spain from 1826 until 1829 marked a distinct shift in the literary commodification of things Spanish the transition from an enlightened to a romantic representation of Spain was a process triggered by a group of writers who produced Spanish travel narratives of lasting influence Coleridge and German Philosophy Paul Hamilton,2007-05-01 Samuel Taylor Coleridge frequently bridged the gap between British and European Romantic thought This study sets Coleridge s mode of thinking within a German Romantic philosophical context as the place where his ideas can naturally extend themselves stretch and find speculations of comparable ambition It argues that Coleridge found his philosophical adventures in the dominant idiom of his times exciting and as imaginatively engaging as poetry Paul Hamilton situates major themes in Coleridge s prose and poetic writings in relation to his passion for German philosophy He argues that Coleridge s infectious attachment to German post Kantian philosophy was due to its symmetries with the structure of his Christian belief Coleridge is read as an excited and winning expositor of this philosophy s power to articulate an absolute grounding of reality Its comprehensiveness however rendered redundant further theological description undermining the faith it had seemed to support Thus arose Coleridge s anxious disguising of his German plagiarisms aspersions cast on German originality and his claims to have already experienced their insights within his own religious sensibility or in the writings of Anglican divines and neo Platonists This book recovers the extent to which his ideas call to be expanded within German philosophical debate Overland Monthly and Out West Magazine Bret Harte,1910

The Overland Monthly ,1910 **Romanticism, History, Historicism** Damian Walford Davies,2009-01-21 The re turn to history in Romantic Studies in the 1980s marked the beginning of a critical orthodoxy that continues to condition if not define our sense of the Romantic period twenty five years on Romantic New Historicism s revisionary engagements have played a central role in the realignment of the field and in the expansion of the Romantic canon In this major new collection of eleven essays critics reflect on New Historicism s inheritance its achievements and its limitations Integrating a self reflexive engagement with New Historicism s history and detailed attention to a range of Romantic lives and literary texts the collection offers a close up view of Romanticism s hybrid present and a dynamic vision of its future

Romantic Biography Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Romantic Biography free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Romantic Biography free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Romantic Biography free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Romantic Biography. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Romantic Biography any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Romantic Biography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.
