

# Romantic Railways

**Roopa Srinivasan, Manish  
Tiwari, Sandeep Silas**

## Romantic Railways:

Romantic Legacies Shun-Liang Chao, John Michael Corrigan, 2019-03-06 *Romantic Legacies Transnational and Transdisciplinary Contexts* presents the most wide ranging treatment of Romantic regenerations covering the cross pollination between the arts or between art and thought within or across the borders of Germany Britain France the US Russia India China and Japan Each chapter in the volume examines a legacy or afterlife in a comparative context to demonstrate ongoing Romantic legacies as fully as possible in their complexity and richness The volume provides readers a lens through which to understand Romanticism not merely as an artistic heritage but as a dynamic site of intellectual engagement that crosses nations and time periods and entails no less than the shaping of our global cultural currents

**The Romance of Modern Railways** Thomas W. Corbin, 2016-05-18 ORIGINAL DESCRIPTION 1922 The Story of Mechanical Locomotion with a description of the Construction Working of the most up to date Inventions Appliances and Devices for Securing Speed Facility and Safety in Operation The Romance of Modern Railways Thomas W. Corbin, 1922

*The Romance of the Canadian Pacific Railway* R. G. MacBeth, 2022-08-01 R G MacBeth s *The Romance of the Canadian Pacific Railway* is a richly woven narrative that captures the epic journey of one of Canada s most significant infrastructural achievements The book employs a lyrical and evocative style merging historical facts with poetic descriptions that celebrate both the grandeur of the landscape and the trials faced during the railway s construction Set against the backdrop of 19th century Canada MacBeth explores the relationship between nature industry and the human spirit reflecting a romanticism that is central to the literary movements of his time R G MacBeth a prominent figure in early Canadian literature was deeply influenced by his own experiences and the geographic beauty of Canada A writer and historian MacBeth dedicated his career to illuminating the stories of his homeland which must have informed his understanding of the railway s significance in fostering both economic growth and national unity His background as a poet allows for a unique interplay of emotion and fact making his accounts both informative and deeply engaging This book is a must read for historians literary enthusiasts and those interested in Canadian heritage It not only offers an insightful perspective on the Canadian Pacific Railway s construction but also evokes a sense of wonder about the land itself MacBeth s lyrical prose invites readers to embrace the romance inherent in the journey making it a captivating addition to the canon of Canadian literature *Our Railways* John Pendleton, 1894

**Our railways their origin development incident and romance** John Pendleton, 1894 *A Train to Love* Barbara Cartland, 2015-03-16 The beautiful Lola Fenton lives happily in a small cottage in the depths of Worcestershire but she is suddenly orphaned when her father and mother are killed in a railway crash Her uncle the Earl of Kencombe comes to the funeral and then tells her that as she has no money she will have to come and live with him He obviously has no wish for her to do so but feels that it is his duty as her legal Guardian Her mother Lady Cecilia Combe had run away with her father and was ostracised by her family for doing so as he had been employed to be a Tutor to her brother Lola feels that she

cannot face the future with people who will continually be telling her how badly her mother had behaved and she therefore goes to London and visits an employment agency As she is so lovely and so young it seems unlikely that there will be anything to suit her However the Marquis of Halaton has been desperately trying to find someone who could repair the curtains in his famous Elizabethan house and Lola who has been taught by her mother becomes his embroideress How the Marquis who has invented a special electrical engine for trains persuades Lola into pretending to be his wife in order to overcome a tricky situation with an Italian financier How she travels by train to Italy with the Marquis how she is kidnapped and held to ransom by Macedonian partisans and how she finds the sublime love that her father and mother had for each other is all told in this intriguing romantic tale by BARBARA CARTLAND

**The Bürger and Brighton Leonora, Or Romance Versus Railway** I. W. Warre Tyndale,1849

**The Trains Now Departed** Michael Williams,2015-05-07  
SOMETIMES you come across a lofty railway viaduct marooned in the middle of a remote country landscape Or a crumbling platform from some once bustling junction buried under the buddleia If you are lucky you might be able to follow some rusting tracks or explore an old tunnel leading to well who knows where Listen hard Is that the wind in the undergrowth Or the spectre of a train from a golden era of the past panting up the embankment These are the ghosts of The Trains Now Departed They are the railway lines and services that ran on them that have disappeared and gone forever Our lost legacy includes lines prematurely axed often with a gripping and colourful tale of their own as well as marvels of locomotive engineering sent to the scrapyard and grand termini felled by the wrecker s ball Then there are the lost delights of train travel such as haute cuisine in the dining car the grand expresses with their evocative names and continental boat trains to romantic far off places The Trains Now Departed tells the stories of some of the most fascinating lost trains of Britain vividly evoking the glories of a bygone age In his personal odyssey around Britain Michael Williams tells the tales of the pioneers who built the tracks the yarns of the men and women who operated them and the colourful trains that ran on them It is a journey into the soul of our railways summoning up a magic which although mired in time is fortunately not lost for ever  
THIS EDITION REVISED AND UPDATED TO INCLUDE MAPS

**Our Indian Railway** Roopa Srinivasan,Manish Tiwari,Sandeep Silas,2006 This book commemorates 150 years of railways in India Introduced under colonial rule in the second half of the nineteenth century the railways soon embraced the length and breadth of India bringing with it rapid political economic ecological and cultural changes The articles in this book explore the impact of this technological phenomenon from a range of interdisciplinary perspectives From early railway thinking in renaissance Bengal to railway policing in Uttar Pradesh and issues of management to railway themes in literature the writers in this volume reveal the world of the railways in all its exciting facets The photo essay invokes the nostalgic world of steam with a series of evocative images In the twenty first century the ever expanding horizon of the railways continues to draw in people and goods in the third largest railway network in the world

RAIL ROMANCE KRUPA SAGAR SAHOO,2018-03-05 This book depicts the

Indian Railways part and parcel of the life of every Indian The first part is a curious housefly's account of its journey on the Coromandel Express Eager to see the world beyond its habitat the fly sees many different places and people before the train is halted in the face of a super cyclone What happens to the passengers How do different people react in the face of disaster Does anybody come to their aid Can they resume their journey The second part is a collection of fascinating threads interwoven into a beguiling narrative Why did the daughter of a Station Master vanish from the colony one fine morning How a Station Master is tormented by a cobra's presence in his quarters Why a tea stall contractor invites the wrath of a Commercial Officer What happened to the coolie apprehended during a security drive Does the rodent elimination drive end in success or disaster Does the future son in law of G M Sahib get special treatment from the Railway staff How an old lady and a newly married girl display similar emotions when confronted by their spouses What happened to the family stuck in traffic congestion do they make their train The author a retired Railway Officer brings out the joys and woes victories and failures of both railway main and rail users in a delightfully humorous style The eventful journey on the Coromandel Express and the other stories about railway life are bound to keep readers happily engaged to the very last page Railways of Brazil in Postcards and Souvenir Albums João Emilio Gerodetti, 2005 **Nilgiri Mountain Railway (NMR)** V.M. Govind Krishnan, 2018-03-01 This book is a tribute to the relentless campaign by railway enthusiasts and the public of the Nilgiri Hills to keep the beautiful engineering marvel in running condition Their untiring effort continues to this day and it is largely due to this that the unique railway was recognized as a World Heritage Site by UNESCO on July 15 2005 This is a rare compilation of published materials on NMR analyzed and written in eloquent English which will interest anyone who likes the NMR or people's initiatives to propel such actions to save the unique lifeline from oblivion The book serves as an almanac on Nilgiri Mountain Railway NMR with the events chronologically arranged to depict the true picture and more so the public opinion which helped to thwart the Government's moves to close the line The New Indian Express **The Science of Railways** Marshall Monroe Kirkman, 1904 **Train Tracks** Gayle Letherby, Gillian Reynolds, 2020-08-25 This book provides an in depth exploration of trains and train travel Letherby and Reynolds have conducted extensive research with all those concerned with trains from leisure travelers and enthusiasts to railway workers and commuters Overturning conventional wisdom they show that the train has a social life in and of itself and is not simply a way to get from A to B The book also looks at the depiction of train travel through cultural media such as music films books and art The authors consider the personal politics of train travel and political discussion surrounding the railways as well as the relationship trains have to leisure and work The media often paints a gloomy picture of the railways and there is a general view that the romance of train travel ended with the steam locomotive Letherby and Reynolds show that this is far from the case **Edgar Snow** John Maxwell Hamilton, 2003-09-25 Edgar Snow 1905 1972 was one of the most notable Western journalists to report on China in both the revolutionary and postrevolutionary periods He first became famous in the mid 1930s when he broke through a Nationalist

blockade and reached the Communists in northwest China For nearly a decade no foreign reporter had seen the Communists who were widely regarded as a ragtag bandit army Snow took them seriously as a national movement His reporting in the now famous book *Red Star over China* was major news even to the Chinese thousands of whom joined the Communists after reading it It has remained a seminal reference on the early Chinese Communist movement In this award winning biography journalist John Maxwell Hamilton follows Snow from his birth in Kansas City to his rise as a celebrated foreign correspondent for the *Saturday Evening Post* his ostracism during the cold war and his role as a singular journalistic bridge between Communist China and the United States With a new preface by the author this revealing portrait of the widely misunderstood Snow firmly establishes him as a model for the kind of committed reporting that is crucial to understanding our interdependent world

Playing in the Bush Richard White, Caroline Ford, 2012-08-02 *Playing in the Bush* is an engaging account of the ways the national parks of New South Wales have been used over the past 130 years Researched and written by seven young historians from the University of Sydney the book weaves together stories of diverse experiences in our national parks Established for the use of the public forever they have had a long history of popular use and created deep emotional attachments among people from all walks of life

**Millard's Review of the Far East** ,1929 Vol 34 includes Special tariff conference issue Nov 6 1925

The Saturday Review of Politics, Literature, Science, Art, and Finance ,1889

**Honeymoon Chic** ,2011 Whether it s a honeymoon an anniversary or just an idyllic interlude to celebrate a special occasion taking off on that romantic getaway requires meticulous planning and attention to detail The huge range of options available blissful beach or big city adrenaline pumping adventure or sensuous spa retreat makes the decision all the more difficult

This book delves into Romantic Railways. Romantic Railways is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Romantic Railways, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Romantic Railways
- Chapter 2: Essential Elements of Romantic Railways
- Chapter 3: Romantic Railways in Everyday Life
- Chapter 4: Romantic Railways in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Romantic Railways. This chapter will explore what Romantic Railways is, why Romantic Railways is vital, and how to effectively learn about Romantic Railways.
3. In chapter 2, this book will delve into the foundational concepts of Romantic Railways. This chapter will elucidate the essential principles that need to be understood to grasp Romantic Railways in its entirety.
4. In chapter 3, this book will examine the practical applications of Romantic Railways in daily life. This chapter will showcase real-world examples of how Romantic Railways can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Romantic Railways in specific contexts. This chapter will explore how Romantic Railways is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Romantic Railways. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Romantic Railways.
