MACNAGHTEN,1963 **Rome, Its People, Life and Customs. Tr. from Italian by R.D. Macnaghten** Ugo Enrico Paoli,1963 An account of daily life in ancient Rome *North American Cambridge Latin Course Unit 3 Teacher's Manual* Cambridge University Press,2015-11-26 The world s bestselling introductory Latin course Developed by the University of Cambridge School Classics Project this bestselling Latin program provides an enjoyable and carefully paced introduction to the Latin language complemented by background information on Roman culture and civilization Starting in Roman Britain and moving on to imperial Rome itself Unit 3 focuses on the murderous schemes and machinations of Gaius Salvius Liberalis as he plots his ruthless and apparently unstoppable rise to power **The Literature of the Jewish People in the Period of the Second Temple and the Talmud, Volume 1 Mikra** Martin-Jan Mulder,1988-01-01 Series Compendia Rerum Iudaicarum ad Novum Testamentum Section 1 The Jewish people in the first century Historial geography political history social cultural and religious life and institutions Edited by S Safrai and M Stern in cooperation with D Flusser and W C van Unnik Section 2 The Literature of the Jewish People in the Period of the Second Temple and the Talmud Section 3 Jewish Traditions in Early Christian Literature **On Jews in the Roman World** Ranon Katzoff,2019-10-01 The present volume presents a selection of studies by Ranon Katzoff on Jews in the ancient Roman world Common to them is that they deal with Jews in liminal situations confronted with non Jewish mainly Roman laws places government and modes of thought In these studies in which texts in Greek and Latin and rabbinic texts all in translation elucidate each other Jews are shown to be rather loyal to their Jewish traditions a controversial conclusion The first two sections concern law Section one searches the remains of popular Jewish culture for evidence on the degree to which rabbinic law really prevailed through the study of Judaeen Desert documents mainly those of Babatha Section two sifts through rabbinic law for traces of Roman law Section three comprises studies of Jews in to and from the city of Rome and section four a miscellany of studies on Jews confronted with non Jewish life **Roman Urbanism** Helen Parkins,2005-08-18 The contributors to this volume provide an accessible and jargon free insight into the notion of the Roman city what shaped it and how it both structured and reflected Roman society Roman Urbanism challenges the established economic model for the Roman city and instead offers original and diverse approaches for examining Roman urbanization bringing the Roman city into the nineties Roman Urbanism is a lively and informative volume particularly valuable in an age dominated by urban development **To be a Roman** Margaret A. Brucia,Gregory Neil Daugherty,2007-01-01 Each chapter in this workbook designed for middle and high school aged students focuses on a particular topic Several pages explain the topic in a lively and readable fashion and are then followed by objective exercises and suggestions for student projects and classroom discussions **Children and Everyday Life in the Roman and Late Antique World** Christian Laes,Ville Vuolanto,2016-11-10

Children and Everyday Life in the Roman and Late Antique World explores what it meant to be a child in the Roman world what were children s concerns interests and beliefs and whether we can find traces of children s own cultures By combining different theoretical approaches and source materials the contributors explore the environments in which children lived their experience of everyday life and what the limits were for their agency The volume brings together scholars of archaeology and material culture classicists ancient historians theologians and scholars of early Christianity and Judaism all of whom have long been involved in the study of the social and cultural history of children The topics discussed include children s living environments clothing childhood care social relations leisure and play health and disability upbringing and schooling and children s experiences of death While the main focus of the volume is on Late Antiquity its coverage begins with the early Roman Empire and extends to the early ninth century CE The result is the first book length scrutiny of the agency and experience of pre modern children

All Things Under the Sun Lindsay Powell,2011-06 Combing a researcher s skill at finding unexpected connections in everyday events and a historian s knowledge of source material Lindsay Powell takes a clear eyed and often witty look at modern times through the longer perspective of ancient history

Symphosius The Aenigmata T. J. Leary,2014-03-27 The post classical compilation known to modern scholarship as the Latin Anthology contains a collection of a hundred riddles each consisting of three hexameters and preceded by a lemma It would seem from the preface to this collection that they were composed extempore at a dinner to celebrate the Roman Saturnalia The work was to have a defining influence on later collections of riddles yet its title probably the Aenigmata has been debated and almost nothing is known about its author questions have even been asked about his name Symphosius and date 4th 5th century AD In this edition of the riddles the Introduction discusses the work s title and its author s identity as well as his name and date it considers his national origin North African and intellectual background a professional grammarian and argues that he was not Christian as has been suggested It examines the Saturnalian background to the work setting it in its sociological context and discusses the author s literary debts especially to Martial The Introduction also explores the author s ordering and arrangement of the riddles discusses his literary style Latinity and metre and comments briefly on his Nachleben It concludes with a survey of the textual tradition The commentary on each riddle includes a translation general notes on the object it describes with reference as necessary to museums and artefacts and discussion of how it fits into the ordering of the collection of variant readings and with suitable illustration of literary stylistic and metrical considerations Other areas such as history and mythology are also covered where relevant

Martial Peter Howell,2014-02-25 Martial Marcus Valerius Martialis was a Spanish writer who lived in Rome in the second half of the first century AD He wrote only in the genre of epigram invented by the Greeks which he chose because of his dislike of all that was pretentious and escapist in contemporary literature where stale mythological topics were regarded as both elevated and in times of political danger safe His own boundless interest in the life he saw around him in Rome and his sense of humour led him to prefer to express

himself in short and highly polished poems He brought the genre to such a pitch of perfection that his work has defined it for subsequent authors Although only a limited number of his own epigrams conform to the dictionary definition as a short poem ending in a witty turn of thought their effectiveness has shaped this definition This book tells what we know about the man s commonsense attitude to life and his hatred of hypocrisy and malice It assesses his debt to literary tradition and the astonishing influence he had on later writers This book is part of the Ancient in Action series which features short incisive books introducing major figures of the ancient world to the modern general reader including the essentials of each subject s life works and significance for later western civilisation **The Sorrows of the Ancient Romans** Carlin A.

Barton,2020-10-06 This inquiry into the collective psychology of the ancient Romans speaks not about military conquest sober law and practical politics but about extremes of despair desire and envy Carlin Barton makes us uncomfortably familiar with a society struggling at or beyond the limits of human endurance To probe the tensions of the Roman world in the period from the first century b c e through the first two centuries c e Barton picks two images the gladiator and the monster

Arch Of Society Thomas Levy,1995-01-01 This volume marks a departure from earlier descriptive archaeological summaries of the Holy Land Taking an anthropological and socio economic perspective many of the leading archaeologists who work in Israel and Jordan today present timely and concise summaries of the archaeology of this region Chronologically organized each chapter outlines the major cultural transitions which occurred in a given archaeological period To explain the processes which were responsible for culture change a review is made of the most recent research concerning settlement patterns innovations and technology religion and ideology and social organization The material culture of every period of human history in the Holy Land is explored from the earliest prehistoric hominids through the Biblical and historical periods and up to modern 20th century times Each chapter is accompanied by settlement pattern maps and a plate highlighting the major artifacts which archaeologists use to identify the material culture of the period In addition windows are presented which focus on major social issues and controversies such as The Agricultural Revolution the Israelite Conquest of Canaan and Ancient Metal Working and Social Change This volume should provide students and the general reader with a useful reference volume concerning the archaeology of societies which lived and live in the Holy Land **Great Generals of the**

Ancient World Richard A. Gabriel,2017-01-30 The military expert and author of Philip II of Macedonia presents 9 profiles of exemplary leadership from the ancient world Of all the military commanders throughout history only a few are remembered as great leaders of men in battle Is there a combination of personal attributes and historical circumstances that produces great commanders Professor Richard A Gabriel analyses the biographies of ten great generals all of whom lived between 1481 BC and AD 632 in order to identify the characteristics of intellect psychology personality and experience that allowed them to tread the path to greatness Some of the names included in Gabriel s selection such as Moses and Muhammad will surprise many readers as will the historical figures Gabriel chooses to omit including Alexander the Great and Atilla the Hun

But Gabriel is not merely interested in famous military exploits A retired soldier and professor at the Canadian Defence College he distils the timeless essence of military leadership through the examples of Julius Caesar Philip II of Macedonia Thutmose III of Egypt and others A Commentary on the Satires of Juvenal Edward Courtney, 2013 Reprint with minor correction of the first edition first published 1980 by the Athlone Press London UK t p verso

Demography and the Graeco-Roman World Claire Holleran, April Pudsey, 2011-09-01 Through a series of case studies this book demonstrates the wide ranging impact of demographic dynamics on social economic and political structures in the Graeco Roman world The individual case studies focus on fertility mortality and migration and the roles they played in various aspects of ancient life These studies drawn from a range of populations in Athens and Attica Rome and Italy and Graeco Roman Egypt illustrate how new insights can be gained by applying demographic methods to familiar themes in ancient history Methodological issues are addressed in a clear straightforward manner with no assumption of prior technical knowledge ensuring that the book is accessible to readers with no training in demography The book marks an important step forward in ancient historical demography affirming both the centrality of population studies in ancient history and the contribution that antiquity can make to population history in general

Martial, Book IV Rosario Moreno Soldevila, 2017-07-31 This volume is the first comprehensive commentary on the fourth book of Martial's epigrams The introduction discusses its date of publication major themes Domitian literature death the arrangement and form of the epigrams and some issues concerning the transmission of the text Of special note is the author's study of the structure of the book The commentary preceded by the Latin critical text and an English translation aims to provide readers with as much pertinent information as possible to enable them to fully comprehend the epigrams Attention is paid to style and literary tradition as well as to realia Both each individual epigram and the book as a whole are studied as finely accomplished works of art

Roman Dining Barbara K. Gold, John F. Donahue, 2005-06-17 This special issue of the American Journal of Philology illuminates the nature and function of food and dining in the Roman world offering historical sociological literary cultural and material perspectives The articles collected here explore topics from diverse fields to analyze Roman culture and material practice including the dietary practices and nutritional concerns of the Romans dining and its links to ideology during the early imperial period public banqueting and its social function in Roman society and the emphasis placed on the waiting servant in both domestic and funerary settings The American Journal of Philology is renowned for its role in helping to shape American classical scholarship Today the Journal has achieved worldwide recognition as a forum for international exchange among classicists by publishing original research in Greco Roman literature and culture
