Romulus My Father:

Romulus, My Father Raimond Gaita, 1999-09-01 Winner of the 1998 Victorian Premier's Literary Award for Non Fiction

Romulus My Father is an iconic and deeply loved book. Romulus Gaita fled his home in his native Yugoslavia at the age of thirteen and came to Australia with his young wife Christina and their infant son Raimond soon after the end of World War II. Tragic events were to overtake the boy's life but Raimond Gaita has an extraordinary story to tell about growing up with his father amid the stony paddocks and flowing grasses of country Australia. Written simply and movingly, *Romulus My Father* is about how a compassionate and honest man taught his son the meaning of living a decent life. It is about passion, betrayal and madness, about friendship and the joy and dignity of work, about character and fate, affliction and spirituality. No one will read this wonderful book without an enhanced sense of the possibilities of being alive. I know of no other book where the love between father and son has been more beautifully expressed. Robert Manne

Arts This Text Classics edition will be introduced by Walkley Award winning journalist Anne Manne wife of Robert Manne who initially encouraged Gaita to expand the eulogy he gave at his father s funeral into this memoir **The Philosopher's Dog** Raimond Gaita,2016-10-04 In this beautifully written book Raimond Gaita tells inspirational poignant sometimes funny but never sentimental stories of the dogs cats and cockatoos that lived and died within his own family He asks fascinating questions about animals Is it wrong to attribute the concepts of love devotion loyalty grief or friendship to them Why do we care so much for some creatures but not for others Why are we so concerned with proving that animals have minds Reflecting on these questions and drawing on the ideas of Descartes Wittgenstein and J M Coetzee Gaita pleads that we ask ourselves what it means to be creatures of flesh and blood He discusses mortality and sexuality the relations between storytelling philosophy and science and the spiritual love of mountains An arresting and profound book The Philosopher s Dog is a triumph of both storytelling and philosophy This Routledge Classics edition includes a substantial new introduction and afterword by the author **Australian Patriography** Stephen Mansfield,2014-11-01 The Son s Book of the Father as Richard Freadman termed it is a rich field of relational autobiography offering a unique set of tensions and insights into modes of masculinity notions of identity and the ethics of representing another s life in writing one s own This study of modern Australian life writing by sons who focus on fathers places an emerging sub genre within its literary ancestry and its contemporary milieu Providing compelling readings of Raimond Gaita s Romulus My Father Peter Rose s Rose Boys and many others this is the first study of its kind within Australian literature Australian Screen in the 2000s Mark David Ryan,Ben Goldsmith,2017-11-23 This book provides coverage of the diversity of Australian film and television production between 2000 and 2015 In this period Australian film and television have been transformed by new international engagements the emergence of major new talents and a movement away with earlier films preoccupation with what it means to be Australian With original contributions from leading scholars in the field the collection contains chapters on particular genres horror blockbusters and comedy Indigenous Australian film and television women s filmmaking queer cinema representations of history Australian characters in non Australian films and films about Australians in Asia as well as chapters on sound in Australian cinema and the distribution of screen content The book is both scholarly and accessible to the general reader It will be of particular relevance to students and scholars of Anglophone film and television as well as to anyone with an interest in Australian culture and creativity Moral Powers, Fragile Beliefs Joseph Carlisle,James Carter,Daniel Whistler,2011-02-17 **The Self in Moral Space** David Parker,2018-07-05 All of us take our moral bearings from a conception of the good or a range of goods that we consider most important We are in this sense selves in moral space Building on the work of the philosopher Charles Taylor among others David Parker examines a range of classic and contemporary autobiographies including those of St Augustine William Wordsworth Friedrich Nietzsche Edmund Gosse Roland Barthes Seamus Heaney and J M Coetzee to reveal a whole domain of life narrative that has been previously ignored

one that enables a new approach to the question of what constitutes a good life narrative Moving from an ethics toward an aesthetics of life writing Parker follows Wittgenstein's view that ethics and aesthetics are one The Self in Moral Space is distinctive in that its key ethical question is not What is it right for the life writer to do but the broader question What is it good to be This question opens up an important debate with the dominant postmodern paradigms that prevail in life writing studies today In Parker's estimation such paradigms are incapable of explaining why life writing matters in the contemporary context Life narrative he argues faces readers with the perennial ethical question How should a human being live We need a new reconstructive paradigm as offered by this book in order to gain a fuller understanding of life narrative and its humanistic potential

Un-Australian Fictions Eleni Pavlides, 2014-08-11 Un Australian Fictions sets out to analyse a subset of Australian literary fictions published between 1988 and 2008 from the bicentenary of British settlement to the global financial crisis and into a new millennium During a new transnational era Australians faced sober and unsettling times Already accorded the status of national obsession issues of national identity were vigorously contested Concepts such as the nation multiculturalism and globalisation became topics for heated discussion in the public sphere Australia's literary communities were not immune or isolated from these ongoing discussions The un Australian fictions which this book studies represent the challenges which these texts in their own unique way bring to the Australian national ethos and the national mythology which is predicated on traditions such as masculism a bush ethos the pre eminence of white colonial settlement connectedness to an imaginative European geography as well as an unbreakable tie to Britain As un Australian fictions these texts reflect the destabilisation of what were once certain spatial and psychic borders and orders of Australianness They affect as well as reflect the wider conversation that continues today about what being Australian means in a new millennium

"Kangaroo Court" John Hirst, 2005-05-01 The Family Court was a progressive reform of the 1970s Now it is perhaps the most hated institution in Australia In the Kangaroo Court John Hirst investigates what went wrong This is a measured yet unsparing appraisal which interleaves individual cases with compelling legal and moral argument Hirst takes us deep into the workings of the Court and the domestic apocalypses it sees every day He explores the Court's fervour to uphold the best interests of the child no matter what and traces its chilling consequence a court where malicious allegations regularly go unpunished He notes the Court's enormous power over individual lives as well as its self proclaimed status as a caring court and wonders at its ability to overlook the defiance of its own authority In closing he considers how to reform an institution that has bred antagonism and extremism and too often entrenched paranoia and despair Lucid and urgent Kangaroo Court is a cautionary tale about the perils of high mindedness when it comes to dealing with the breakdown of families When Family Court judges talk piously of the caring court I wish they could hear the roar of pain that their piety has caused John Hirst Kangaroo Court This issue also contains correspondence discussing Quarterly Essay 16 Breach of Trust from Paul Kelly Paul Bongiorno Mungo MacCallum Natasha Cica Alex Miller and Raimond Gaita **Romulus, My Father, Raimond Gaita** Ross

Walker,2006 *Romulus My Father* Brian McFarlane,200? This Infocus article discusses the film adaptation of Raimond Gaita s memoir *Romulus my father* Themes of belonging and becoming and sense of place are explored and the way in which these themes shape the drama of the young Raimond s relationships in particular with his father is examined The portrayal of the intense emotion in the film is also discussed **Romulus, My Father, Raimond Gaita** Jane Tibby,2004 **Simone Weil and Continental Philosophy** A. Rebecca Rozelle-Stone,2017-11-08 Simone Weil is an often overlooked thinker whose insights could radically reshape contemporary discourses on religion nature art ethics work politics and education This collection of essays situates Simone Weil s thought alongside prominent Continental thinkers and their philosophical concerns to show the ways in which she belongs to but also stands outside some of the major streams of Continental discourse including phenomenology ethics of embodied disposition and difference and post Marxian political thought For the first time in a major work intersections between the ideas of Weil and figures such as Nietzsche Berdyaev Foucault Blanchot Merleau Ponty Levinas Chr tien Agamben Fanon and Ranci re are closely examined The volume is authored by an international team of leading scholars in Weil studies and in contemporary Continental philosophy of religion more broadly Simone Weil and Continental Philosophy is not only an unprecedented resource for Weil scholars who seek to read her in broader and more current philosophical terms but also an important addition to the libraries of scholars and students of Continental philosophy and theology engaged in thinking about some of the most pressing questions of our time 2012 ,2013-03-01 Particularly in the humanities and social sciences festschrifts are a popular forum for discussion The IJBF provides quick and easy general access to these important resources for scholars and students The festschrifts are located in state and regional libraries and their bibliographic details are recorded Since 1983 more than 659 000 articles from more than 30 500 festschrifts published between 1977 and 2011 have been catalogued
