Ronald Searle In Perspective , *Artist File* Ronald Searle,1970 *Ronald Searle in Le Monde* Ronald Searle,2002-06-01 Ronald Searle a master of modern caricature has tremendously influenced the work of other artists His biting darkly satirical wit and unique graphic style have also earned him admirers from far and wide Groucho Marx called him a genius and John Lennon named him as one of two people along with Lewis Carroll who most affected his life Since 1995 Searle has plied his sardonic trade on the coveted op ed pages of the French daily newspaper Le Monde This book presents more than a hundred of the best of these cartoons ranging across politics the new Europe the nature of the contemporary economy social games and various angels both benign and mischievous Whether skewering the greed of the rich with images of men in suits padding each other s pockets with cash or conducting business under the table or making a poignant comment about how much harder peace has to work than war to stay in the same place Searle displays the same pungent incisive yet infinitely humane wit The deceptive simplicity of his lines and shadings combine with meticulously observed details of dress background and facial expression to produce arresting images that convey his messages powerfully and beautifully By turns delightful amusing and disturbing but always deeply thought provoking Searle s work reaches well beyond the specific occasion that inspired a given cartoon to illuminate key aspects of public life in the West at the end of the millennium This book contains twenty five illustrations not found in the French edition together with a new preface for English speaking readers written by Searle himself Ronald Searle Russell Davies,1990 Ronald Searle's America Ronald Searle,2016-01-13 Dispatched to America in the early 60s the golden age of illustrative reportage Ronald Searle spent several years covering everything in the form of drawings in his trademark satirical and virtuosic style from sports to politics for magazines such as The Saturday Evening Post and TV Guide Topics included Palm Springs Las Vegas the Presidential contest between John F Kennedy and Richard Nixon as seen through the eyes of a caustic Englishman *Ronald Searle's Golden Oldies, 1941-1961* Ronald Searle,1985-01-01 **Ronald Searle** Ronald Searle,1978-01 **Ronald Searle. arrives and mangled contents are revealed in all their deceptive glory But all is not lost Help is at hand After a lifetime of avidly scanning the frequently poisonously tinted pages of innumerable book catalogues Ronald Searle has become expert in the art of decoding those esoteric poetic and usually approximate descriptions of literary come ons Now licking his wounds he publishes his hard earned findings in this fully illustrated pioneer guide designed to foil the devious machinations of scheming and wicked booksellers for ever more No longer will the innocent book collector need to puzzle over the finer meaning of old half road good working copy blind tooled or tail edged shaved The unvarnished truth is here exposed at last both in the shocking explicit drawings and in the devastatingly frank glossary whose revelations will startle even the most battle scarred of bibliophiles The result is one of the funniest most entertaining books to have emerged from the brilliantly perceptive pen of the master No book collector and certainly no bookseller can afford to be without it even the wicked ones

Prisoners of the Japanese Roger Bourke, 2006 Between December 1941 and May 1942 the Japanese army took more than 130 000 allied prisoners of war more than a quarter did not survive their imprisonment Here Bourke analyses the major novels and films of the prisoners of war experience under the Japanese and uncovers the extent to which these fictions have influenced our beliefs Searle's Zoodiac Ronald Searle, 1977 **Something in the Cellar** Ronald Searle, 1987 This lighthearted look at the secrets of the world's wine ceremonies invites vintners and wine drinkers to experience the mysteries of wine and its production Illustrated in Searle's inimitable style are the ancient noble ceremony of slashing the trockenbeerenauslese the inauguration of the first authentic denominazione di origine controllata e garantita and the vinolympics For wine lovers who have never tasted ptolemy nouveau or watched the uncorking of the kangarouge these experiences are related with warmth and humor The many ways to open a bottle of wine are illustrated and the rituals and delights of wine around the world are described **The Terror of St. Trinian's and Other Drawings** Ronald Searle, 2000 Ronald Searle takes us back to the world of the Gothic Public School in The Terror of St Trinian's In this gloriously anarchic academy for young ladies we witness shootings knifings torture and witchcraft as well as many maidenly arts The subject of many evergreen films St Trinian's is synonymous with the sort of outrageous behaviour that would make a convict blench This book also contains a selection of Ronald Searle's work from the non school books including The Rake's Progress Souls in Torment and Merry England etc and their publication in one volume stakes Searle's claim to be the greatest and most influential English satirist since the war
