Ronnie and Rosey Judie Angell, 1977-01-01 Just when things are looking up for thirteen year old Ronnie her father dies creating a void she and her mother have trouble filling **Ronnie and Rosey-CC**, *Death and Dying in Children's and Young People's Literature* Marian S. Pyles, 1988 A boy age four could not understand what had happened to a little girl in his nursery school His mother explained that Angie had died and had been buried in the earth Later she found him and his playmates digging in the backyard trying to find Angie so that we can play with her Books can be a valuable resource in helping a young person understand Fortunately in much of the literature for children folklore the classics modern works there is an abundance of tasteful truthful and artistic material This book discusses death in general adult and child responses to it its treatment in folklore nursery rhymes etc and the classics of children s literature and books currently available in public and school libraries For younger and older children the death of a pet a friend a relative and one s own death Be My Baby Ronnie Spector, 2022-05-03 Do I have to tell you that Ronnie s got one of the greatest female rock and roll voices of all time She stands alone Keith Richards Be My Baby is the behind the scenes story newly updated and with an especially timely message of how the original bad girl of rock and roll Ronnie Spector survived marriage to a monster and carved out a space for herself amid the chaos of the 1960s music scene and beyond Ronnie s first collaboration with producer Phil Spector Be My Baby shot Ronnie and the Ronettes to stardom No one sounded like Ronnie with her alluring blend of innocence and knowing but her voice would soon be silenced as Spector sequestered her behind electric gates guard dogs and barbed wire It took everything Ronnie had to escape her prisonlike marriage and wrest back control of her life her music and her legacy And as shown in this edition which includes a 2021 postscript from Ronnie her life became proof that our challenges do not define us and there is always the potential to forge a fuller life In Be My Baby the incomparable Ronnie Spector offered a whirlwind account of the ever shifting path of an iconic artist And more than anything else she gave us an inspiring tale of triumph **Catalog of Copyright Entries.
