

# Roosevelt And His America

**Geoffrey C. Ward, Ken Burns**

## **Roosevelt And His America:**

**Revival: Roosevelt and His America (1933)** Bernard Fay, 2018-01-16 President Roosevelt gave an opportunity to study American energy and initiative and its freedom from all formulas and methods During the eventful months of 1933 the President and the people of the United States proved that they were able to discard the past entirely everything even the most valuable and cherished tradition to keep life and activity in the country to keep the nation alive working and going ahead **Theodore Roosevelt and His America** Milton Meltzer, 1994 Traces the life and career of Theodore Roosevelt describes his interests in conservation and examines his accomplishments as president **The Definitive FDR** James MacGregor Burns, 2017-09-05 A Pulitzer Prize winning historian s dramatic biography of Franklin Delano Roosevelt US president during the Depression and WWII Franklin Delano Roosevelt was the longest serving president in US history reshaping the country during the crises of the Great Depression and World War II James MacGregor Burns s magisterial two volume biography tells the complete life story of the fascinating political figure who instituted the New Deal Roosevelt The Lion and the Fox 1882 1940 Before his ascension to the presidency FDR laid the groundwork for his unprecedented run with decades of canny political maneuvering and steady consolidation of power Hailed by the New York Times as a sensitive shrewd and challenging book and by Newsweek as a case study unmatched in American political writings The Lion and the Fox details Roosevelt s youth and education his rise to national prominence all the way through his first two terms as president Roosevelt The Soldier of Freedom 1940 1945 The Pulitzer Prize and National Book Award winning history of FDR s final years examines the president s skillful wartime leadership as well as his vision for postwar peace Acclaimed by William Shirer as the definitive book on Roosevelt in the war years and by bestselling author Barbara Tuchman as engrossing informative endlessly readable The Soldier of Freedom is a moving profile of a leader gifted with rare political talent in an era of extraordinary challenges Roosevelt and His America Bernard Fay, 1933 **Roosevelt and His America** Bernard Fay, 1972 *Franklin D. Roosevelt* Teri Kanefield, 2020-10-06 The fifth book in the Making of America series Franklin D Roosevelt examines the life of America s 32nd president his birth into one of America s elite families his domineering mother his marriage to Eleanor Roosevelt his struggle with polio and his political career A Democrat Roosevelt 1882 1945 won a record four presidential elections and is the longest serving US president During his time in office he led the country through the Great Depression and World War II and helped to redefine the role of the US government with the New Deal Scholars often rate him as one of the three greatest presidents along with George Washington and Abraham Lincoln The book includes selections from FDR s writings in addition to endnotes a bibliography and an index Theodore Roosevelt and the Art of American Power William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the

economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest. He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France. He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build, run and defend a Panama canal. He crusaded for progressive reforms as a New York assemblyman, U.S. civil service commissioner, New York City police commissioner and New York governor. He led scientific expeditions across East Africa's savanna and Brazil's rainforest. During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights. As a Dakota rancher during the frontier's twilight he squared off with outlaws and renegade Indians. He was a prolific writer authoring 38 books and hundreds of essays. Roosevelt was among the most charismatic presidents. Yet although most Americans adored him, most Wall Street moguls and political bosses hated him for his reforms. He was complex, simultaneously peacemaker and warmonger, progressive and conservative, Machiavellian and Kantian, avid hunter and nature lover. Roosevelt accomplished all that he did because he mastered the art of American power. His motto, speak softly and carry a big stick, exemplified how he asserted power to defend or enhance American interests. Time after time he bested such titans as J.P. Morgan or Kaiser Wilhelm at the game of power. Although he is the subject of dozens of books, this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous, just and influential nation.

*President Roosevelt and the Coming of the War, 1941* Charles Beard, 2017-09-29. Conceived by Charles Beard as a sequel to his provocative study of American Foreign Policy in the Making, 1932-1940, *President Roosevelt and the Coming of the War* outraged a nation, permanently damaging Beard's status as America's most influential historian. Beard's main argument is that both Democratic and Republican leaders, but Roosevelt above all, worked quietly in 1940 and 1941 to insinuate the United States into the Second World War. Basing his work on available congressional records and administrative reports, Beard concludes that FDR's image as a neutral, peace-loving leader was a smokescreen behind which he planned for war against Germany and Japan even well before the attack on Pearl Harbor. Beard contends that the distinction between aiding allies in Europe like Great Britain and maintaining strict neutrality with respect to nations like Germany and Japan was untenable. Beard does not argue that all nations were alike or that some did and others did not merit American support, but rather that Roosevelt chose to aid Great Britain secretly and unconstitutionally rather than making the case to the American public. President Roosevelt shifted from a policy of neutrality to one of armed intervention, but he did so without surrendering the appearance of the fiction of neutrality. This core argument makes the work no less explosive in 2003 than it was when first issued in 1948.

**Roosevelt, His Life, Meaning and Messages** Theodore Roosevelt, 2015-11-16. **Scholar's Choice Edition** Theodore Roosevelt, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Theodore Roosevelt, the Progressive Party, and the Transformation of American**

**Democracy** Sidney M. Milkis, 2009-09-14 Led by Theodore Roosevelt the Progressive Party made the 1912 campaign a passionate contest for the soul of the American people Promoting an ambitious program of economic social and political reform New Nationalism that posed profound challenges to constitutional government TR and his Progressive supporters provoked an extraordinary debate about the future of the country Sidney Milkis revisits this emotionally charged contest to show how a party seemingly consumed by its leader's ambition dominated the election and left an enduring legacy that set in motion the rise of mass democracy and the expansion of national administrative power Milkis depicts the Progressive Party as a collective enterprise of activists spearheaded by TR who pursued a program of reform dedicated to direct democracy and social justice and a balance between rights and civic duty These reformers hoped to create a new concept of citizenship that would fulfill the lofty aspirations of we the people in a quest for a more perfect union a quest hampered by fierce infighting over civil rights and antitrust policy Milkis shows that the Progressive campaign aroused not just an important debate over reforms but also a battle for the very meaning of Progressivism He describes how Roosevelt gave focus to the party with his dedication to pure democracy even shoe-horning judicial recall into his professed true conservative stance Although this pledge to make the American people masters of their Constitution provoked considerable controversy Milkis

contends that the Progressives were not all that far removed from the more nationally minded of the Founders As Milkis reveals the party's faith in a more plebiscitary form of democracy would ultimately rob it of the very organization it needed in order to survive after Roosevelt Yet the Progressive Party's program of social reform and direct democracy has reverberated through American politics especially in 2008 with Barack Obama appealing to similar instincts By probing the deep historical roots of contemporary developments in American politics his book shows that Progressivism continues to shape American politics a century later Theodore Roosevelt, the American Edward Howe Cotton,1926 **Great Power Rising** John M. Thompson,2019-01-02 The nature of the US political system with its overlapping powers intense partisanship and continuous scrutiny from the media and public complicates the conduct of foreign policy While numerous presidents have struggled under the weight of these conditions Theodore Roosevelt thrived and is widely lauded for his diplomacy Roosevelt played a crucial role in the nation's rise to world power competition with other new Great Powers such as Germany and Japan and US participation in World War I He was able to implement the majority of his agenda even though he was confronted by a hostile Democratic Party suspicious conservatives in the Republican Party and the social and political ferment of the progressive era The president John M Thompson argues combined a compelling vision for national greatness considerable political skill faith in the people and the US system and an emphasis on providing leadership It helped that the public mood was not isolationist but was willing to support all of his major objectives though Roosevelt's feel for the national mood was crucial as was his willingness to compromise when necessary This book traces the reactions of Americans to the chief foreign policy events of the era and the ways in which Roosevelt responded to and sought to shape his political environment Offering the first analysis of the politics of foreign policy for the entirety of Roosevelt's career **Great Power Rising** sheds new light on the twenty sixth president and the nation's emergence as a preeminent player in international affairs Theodore Roosevelt and the Art of American Power William R. Nester,2019 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa's savanna and Brazil's rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier's twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and

hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world's most prosperous just and influential nation The American President William Edward Leuchtenburg, 2015 The American President is an enthralling account of American presidential actions from the assassination of William McKinley in 1901 to Bill Clinton's last night in office in January 2001 William Leuchtenburg one of the great presidential historians of the century portrays each of the presidents in a chronicle sparkling with anecdote and wit Leuchtenburg offers a nuanced assessment of their conduct in office preoccupations and temperament His book presents countless moments of high drama FDR hurling defiance at the economic royalists who exploited the poor ratcheting tension for JFK as Soviet vessels approach an American naval blockade a grievously wounded Reagan joking with nurses while fighting for his life This book charts the enormous growth of presidential power from its lowly state in the late nineteenth century to the imperial presidency of the twentieth That striking change was manifested both at home in periods of progressive reform and abroad notably in two world wars Vietnam and the war on terror Leuchtenburg sheds light on presidents battling with contradictory forces Caught between maintaining their reputation and executing their goals many practiced deceits that shape their image today But he also reveals how the country's leaders pulled off magnificent achievements worthy of the nation's pride Now with a preface new to the paperback edition *The American President* provides a timely reflection on the office that has shaped and continues to shape the destiny of the United States and its people *Theodore Roosevelt, the U.S. Navy and the Spanish-American War* E.

Marolda, 2016-04-30 In the 1890s Assistant Secretary of the Navy Theodore Roosevelt led a campaign to modernize the navy Paramount in Roosevelt's vision was the creation of a fleet of modern steel hulled warships armed with the most powerful weapons available The future president and his intellectual soul mate Captain Alfred Thayer Mahan firmly believed that America's emerging global expansion would only reach its full potential through sea power The swift and overwhelming US victor in the Spanish American War of 1898 vindicated the views of Theodore Roosevelt and Captain Mahan and marked the debut on the world stage of the modern US Navy Theodore Roosevelt the US Navy and the Spanish American War considers the impact Roosevelt had on the US navy in general and how his reforms affected the course and outcome of the Spanish American war in particular The nine contributors to this volume include leading historians and prominent naval officers from the US and Spain With essays ranging from the Roosevelt family's naval heritage to the impact of the Spanish American War

on enlisted forces in the navy this work is a major contribution to our understanding of Theodore Roosevelt and his navy

**Will Rogers and His America** Gary Clayton Anderson, 2023-01-19 Born on a farm in the Cherokee Nation near present Oologah Oklahoma in 1879 Will Rogers shared his rural agricultural beginnings with many Americans at the turn of the century But Rogers brought his small town talents to a national audience becoming a mainstay of early American mass culture Although Rogers is remembered today for his success in vaudeville and the nascent American film industry history has largely forgotten his considerable influence as a political commentator an aspect of Rogers s life that Gary Clayton Anderson explores at length in this brief but complete biography Rogers s contributions to early American mass culture the catalog of powerful personages that he counted among his friends and his extensive writings about the political issues of the day make Rogers an ideal figure through which to explore the American interwar period High school and college students will relate well to Rogers whose political opinions evolved as he gained exposure to people places organizations and ideas beyond rural Oklahoma Rogers s conflicted relationship with his indigenous American heritage also provides a window on the history of race relations in America This paperback edition includes a new afterword by the author along with study and discussion questions for every chapter Franklin D. Roosevelt Michael Heale, 2002-01-04 This compact study assesses the personality political and economic policies in war and peace of America s longest serving president and one of the most important political figures of the twentieth century Franklin D Roosevelt Also providing an overview of the America over which Roosevelt presided the book offers a concise survey of both domestic and foreign affairs *A Humorous Account of America's Past: 1898 to 1945* Richard T. Stanley, 2010-09-02 In 1898 the United States became an empire by accident due to our splendid little war against Spain At the beginning of the 20th Century the most famous men in America were not athletes or politicians they were inventors and businessmen like Bell Edison Morgan and Rockefeller Teddy Roosevelt built the Panama Canal launched the Great White Fleet and became a Bull Moose Woodrow Wilson was reelected in 1916 because He Kept Us Out of War World War I began as a family feud between three European cousins named Georgie Willie and Nicky The War to end all wars set the stage for World War II Americas first female President was Edith Wilson and our first Black President was possibly Warren Harding Aside from Babe Ruth Charles Lindbergh Al Capone Sigmund Freud Emily Post or Sinclair Lewis novels and Hollywoods movies Calvin Coolidge personified the Roaring Twenties Following the Stock Market Crash FDRs New Deal and his fireside chats helped us survive Hoovervilles but it took World War II to end the Great Depression What happened between Pearl Harbor and the Atomic Bomb Read my book *The Roosevelts* Geoffrey C. Ward, Ken Burns, 2014-09-09 This enhanced eBook includes original audio recordings of presidential speeches exclusive chapter introduction videos by Ken Burns and Geoffrey Ward and special footage about the making of the PBS documentary THE ROOSEVELTS An extraordinarily vivid and personal portrait of America s greatest political family and its enormous impact on our nation the tie in volume to the PBS documentary to air in the fall of 2014 This engaging revelatory book is an

intimate history of three extraordinary individuals from the same extraordinary family Theodore Eleanor and Franklin Delano Roosevelt Geoffrey C Ward distilling more than thirty years of thinking and writing about the Roosevelts and the acclaimed filmmaker Ken Burns help us understand for the first time that despite the fierce partisanship of their eras and ours the Roosevelts were far more united than divided All the history the Roosevelts made is here but this is primarily a book about human beings each of whom somehow overcame obstacles that would have undone less forceful personalities and all of whom wrestled in their lives with issues still familiar to the rest of us anger and the need for forgiveness courage and cowardice confidence and self doubt loyalty to family and the need to be oneself This is the story of the Roosevelts no other American family ever touched so many lives

If you ally craving such a referred **Roosevelt And His America** ebook that will present you worth, acquire the entirely best seller from us currently from several preferred authors.
