Roosevelt's Secret War Joseph E. Persico,2002-10-22 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR s wartime leadership his involvement in intelligence and espionage operations Roosevelt s Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler s inner circle reported directly to the Oval Office Roosevelt knew before any other world leader of Hitler s plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler s councils Roosevelt s Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe s Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster s talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America s first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed socialite friends FDR was also spied against Roosevelt s Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill s demand that British scientists be allowed to

work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt s hidden role in World War II Roosevelt and Churchill: The Atlantic Charter Michael Kluger,Richard J. Evans,2021-10-01 The dramatic secret meeting between Churchill and FDR that forged their alliance against global fascism is brought to life in this WWII history On August 14 1941 Prime Minister Winston Churchill and President Franklin D Roosevelt issued a joint declaration of goals for the world after the Second World War The Atlantic Charter was a powerful statement against tyranny and an important display of the Special Relationship between the UK and the US Roosevelt and Churchill The Atlantic Charter tells the story behind this momentous document and the secret meeting that led to its creation Churchill and Roosevelt barely knew each other when they met off the coast of Newfoundland aboard the USS Augusta After a desperate dash across the U boat infested Atlantic Churchill spent four days at sea with Roosevelt establishing both a personal friendship and an international alliance that would change the world Exploring the lives of both men the authors also include biographies of those who were vital to the process Roosevelt s Secretary of Commerce Harry Hopkins and foreign policy advisor Sumner Welles and Churchill s confidants Lord Beaverbrook Lord Cadogan and his son Randolph Churchill **The Greatest of Friends** Keith Alldritt,1995 Relates the story of the friendship that grew up between two of the great leaders of World War II The result of extensive research carried out by the author on Churchill and Roosevelt the book presents Churchill from the perspective of the Roosevelt circle

Churchill and Roosevelt: The Big Sleepover at the White House James Mikel Wilson,2015-10-17 Churchill and Roosevelt The Big Sleepover at the White House received the 2018 Author Academy Award in Historical Fiction A London playwright has converted the work to a stage play with plans to premiere in England in 2019 or early 2020 This book was written for those who enjoy history and political intrigue It will appeal to those who enjoy reading about leadership particularly in an arena where differences in political views temperament and agenda had to be overcome Without collaboration and compromise the world as we presently know it might be considerably different Even though the story occurred over 75 years ago the protagonists speak in first person voice not knowing the outcome of the crisis they must confront Readers may not have known that Winston Churchill visited Franklin Roosevelt two weeks after Japan bombed Pearl Harbor Roosevelt insisted that Winston sleep in the White House The two men had much in common more than they realized There are plenty of other surprises along the way a chance encounter with Adolph Hitler a fishing expedition a shared mentor a favorite movie a movie producer spy Commander Ian Fleming s visit to the Oval Office and canine diplomacy to name but a few During their time together Churchill and Roosevelt shared many private moments as they forged a bond of friendship trust and cooperation that enabled them to defeat their countries common enemies How their relationship evolved is dramatized and personified in this book Most of the narrative is based on documentation but what went on behind the view of the public eye is subject to the imagination and suspense The author fleshes out the story with conversations that may

have occurred over the course of three weeks but not necessarily provable Lastly the writer sets out to humanize these two epic leaders of the 20th century He reveals not only their fears and tears but also their joys humor passions temperaments and schemes He attempts to break into their minds as the two men join together to save the Western world from ruin The author has also published Paw Tracks Here and Abroad A Dog s Tale 2014 and Mr Froggy s Dilemma 2018 Website www.jamesmikelwilson.com
