Hernández,2013-01-18 The novel is divided in ten chapters It starts with the wedding of one the victims of the dictator In the preamble there are two godfathers compadres two fathers one who has baptized the other one son who share their manuscripts about a fictitious community called Dolorosa Village the finding of the original manuscript of Christopher Columbus known as Columbus Journal and about the apocalyptic predictions of the island Then continues the description of the priest of the community followed by the life of the dictator of Dolorosa his origin his political tricks and his repressive measures the adventures of his centaurs the extravagance of his wedding his decadence and his death In the same way the life of the hero is developed parallel to the dictator with all his vicissitudes and struggles against him The novel continues with the desperation and exodus of the younger members of the community and the destruction almost of the whole island caused by a tsunami Finally it is closed with an epilogue where the two godparents make a scrutiny about the books written during the dictatorship Bends and Shades JAHED RAHMAN,2014-02 Bends and Shades is a profile of a life journey As the surrounding setting societal values and practices underwent unexpected changes that life would be seen in a new perspective with every bend Unprecedented political developments in the India Pakistan Bangladesh subcontinent impacted that journey too as did the evolving social fabric of life in the context of different faiths discrete practices and divergent but often conducive community living Some of these bends touch upon the specific characteristics of certain races and societies while other bends capture historical specifics pertaining to geo political conflicts including the Taliban phenomena and current fight against terrorism Another touches upon the enigma faced by many immigrants particularly in raising children in foreign lands and highlights the need for better integration with their adopted society As each bend in a river is shaded with different fragrance so too the bends in the long arc of life The Publishers Weekly ,1996 Maxine Hong Kingston's Broken Book of Life Maureen Sabine,2004-02-29 The numerous studies of Maxine Hong Kingston s touchstone work *The Woman Warrior* fail to take into account the stories in *China Men* which were largely written together with those in *The Woman Warrior* but later published separately Although Hong Kingston s decision to separate the male and female narratives enabled readers to see the strength of the resulting feminist point of view in *The Woman Warrior* the author has steadily maintained that to understand the book fully it was necessary to read its male companion text Maureen Sabine s ambitious study of *The Woman Warrior* and *China Men* aims to bring these divided texts back together with a close reading that looks for the textual traces of the father in *The Woman Warrior* and shows how the daughter narrator tracks down his history in

China Men She considers theories of intertextuality that open up the possibility of a dynamic interplay between the two books and suggests that the Hong family women and men may be struggling for dialogue with each other even when they appear textually silent or apart

The Chinese and the Iron Road Gordon Chang, Shelley Fisher Fishkin, 2023-05-25 Essays examining the Chinese worker experience during the construction of America's Transcontinental Railroad The completion of the transcontinental railroad in May 1869 is usually told as a story of national triumph and a key moment for American Manifest Destiny The Railroad made it possible to cross the country in a matter of days instead of months paved the way for new settlers to come out west and helped speed America's entry onto the world stage as a modern nation that spanned a full continent It also created vast wealth for its four owners including the fortune with which Leland Stanford would found Stanford University some two decades later But while the Transcontinental has often been celebrated in national memory little attention has been paid to the Chinese workers who made up 90 percent of the workforce on the Western portion of the line The Railroad could not have been built without Chinese labor but the lives of Chinese railroad workers themselves have been little understood and largely invisible This landmark volume explores the experiences of Chinese railroad workers and their place in cultural memory The Chinese and the Iron Road illuminates more fully than ever before the interconnected economies of China and the US how immigration across the Pacific changed both nations the dynamics of the racism the workers encountered the conditions under which they labored and their role in shaping both the history of the railroad and the development of the American West Praise for The Chinese and the Iron Road This timely and essential volume preserves the humanity of the often ignored and forgotten immigrant worker while also uncovering just how important Chinese American railroad workers were in the making of America and its place in the world Erika Lee author of *The Making of Asian America* Gordon H Chang and Shelley Fisher Fishkin's meticulously researched and beautifully written book fills a critical gap in our nation's history The Chinese and the Iron Road brings to life the stories of workers who defied incredible odds and gave their lives to unite these states into a nation David Henry Hwang Tony Award winning playwright of *The Dance* and *the Railroad* and *M. Butterfly* Destined to become the go to resource about Chinese railroad workers in the American West Madeline Hsu author of *The Good Immigrants* How the Yellow Peril Became the Model Minority Deeply researched and richly detailed The Chinese and the Iron Road brings to life the Chinese immigrants whose work was essential to the railroad's construction Thomas Bender author of *A Nation Among Nations* America's Place in World History
