

THE ROOTS OF AMERICAN COMMUNISM

BY **THEODORE DRAPER**

The untold story of the formative years of the Communist party in America: a vividly revealing and fully documented survey of its origins, its founding in 1919, its underground activities, and its emergence as a unified, legal party. By tracing the party's earliest ties to Russia and the Comintern, it helps us to understand what is happening to communism throughout the world today.

Roots Of American Communism

John J. Gladchuk

Roots Of American Communism:

The Roots of American Communism , In his special prescient way Theodore Draper himself had the final words on American Communism It is like a museum of radical politics In its various stages it has virtually been all things to all men There are many ways of trying to understand such a movement but the first task is historical In some respects there is no other way to understand it or at least to avoid seriously misunderstanding it Every other approach tends to be static one sided or unbalanced Draper correctly notes that the formative period of the American Communist movement has remained a largely untold and even unknown story In part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East But Draper rescues this chapter with deep appreciation for the fact that communism was not something that happened just in Russia but also in the United States This is a must read for scholars and laypersons alike

BOOK JACKET **The Roots of American Communism** Theodore Draper,1963-08-26 The definitive history of the evolution of the Communist party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s An outstanding contribution to knowledge and understanding of the Communist movement in this country George F Kennan *The Roots of American Communism* Theodore Draper,1977-01-01 The definitive history of the evolution of the Communist party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s An outstanding contribution to knowledge and understanding of the Communist movement in this country George F Kennan **The Roots of American Communism** Victor W. Turner,2017 In this definitive history of the evolution of the Communist Party in America from its early background through its founding in 1919 to its emergence as a legal entity in the 1920s Theodore Draper traces the native and foreign strains that comprised the party He emphasizes its shifting policies and secrets as well as its open activities He makes clear how the party in its infancy was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power a fact that Draper develops in his succeeding volume American Communism and Soviet Russia In his special prescient way Theodore Draper himself had the final words on American Communism It is like a museum of radical politics In its various stages it has virtually been all things to all men There are many ways of trying to understand such a movement but the first task is historical In some respects there is no other way to understand it or at least to avoid seriously misunderstanding it Every other approach tends to be static one sided or unbalanced Draper correctly notes that the formative period of the American Communist movement has remained a largely untold and even unknown story In part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East But Draper rescues this chapter with deep appreciation for the fact that communism was not something that happened just in Russia but also in the United States This is a must read for scholars and laypersons alike This volume is conceived as an independent and self contained study of the American Communist movement Draper correctly notes that the formative period is largely untold and even unknown In

part the reasons for this are that the Communist movement although a child of the West grew to power in the Soviet East Draper appreciates the fact that communism was not something that happened only in Russia but also took place in the United States That experience is the focus of this volume Provided by publisher [American Communism and Soviet Russia](#) Theodore Draper, 2017-07-05 This companion volume to The Roots of American Communism brings to completion what the author describes as the essence of the relationship of American Communism to Soviet Russia in the first decade after the Bolsheviks seized power The outpouring of new archive materials makes it plain that Draper's premise is direct and to the point The communist movement was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power Each generation must find this out for itself and no better guide exists than the work of master historian Theodore Draper American Communism and Soviet Russia is acknowledged to be the classic authoritative history of the critical formative period of the American Communist Party Based on confidential minutes of the top party committees interviews with party leaders and public records this book carefully documents the influence of the Soviet Union on the fundamental nature of American Communism Draper's reflections on that period in this edition are a fitting capstone to this pioneering effort Daniel Bell in Saturday Review remarked about this work that there are surprisingly few scholarly histories of individual Communist parties and even fewer which treat of this crucial decade in intimate detail Draper's account is therefore of great importance Arthur M Schlesinger in The New York Times Book Review says that in reading Draper's closely packed pages one hardly knows whether to marvel more at the detachment with which he examines the Communist movement the patience with which he unravels the dreary and intricate struggles for power among the top leaders or the intelligence with which he analyzes the interplay of factors determining the development of American Communism And Michael Harrington in Commonweal asserted that Draper's book will long be a definitive source volume and analysis of the Stalinization of American Communism [American Communism and Soviet Russia](#) Theodore Draper, 2003 This companion volume to The Roots of American Communism brings to completion what the author describes as the essence of the relationship of American Communism to Soviet Russia in the first decade after the Bolsheviks seized power The outpouring of new archive materials makes it plain that Draper's premise is direct and to the point The communist movement was transformed from a new expression of American radicalism to the American appendage of a Russian revolutionary power Each generation must find this out for itself and no better guide exists than the work of master historian Theodore Draper American Communism and Soviet Russia is acknowledged to be the classic authoritative history of the critical formative period of the American Communist Party Based on confidential minutes of the top party committees interviews with party leaders and public records this book carefully documents the influence of the Soviet Union on the fundamental nature of American Communism Draper's reflections on that period in this edition are a fitting capstone to this pioneering effort Daniel Bell in Saturday Review remarked about this work that there are surprisingly few scholarly histories

of individual Communist parties and even fewer which treat of this crucial decade in intimate detail Draper's account is therefore of great importance Arthur M Schlesinger in The New York Times Book Review says that in reading Draper's closely packed pages one hardly knows whether to marvel more at the detachment with which he examines the Communist movement the patience with which he unravels the dreary and intricate struggles for power among the top leaders or the intelligence with which he analyzes the interplay of factors determining the development of American Communism And Michael Harrington in Commonweal asserted that Draper's book will long be a definitive source volume and analysis of the Stalinization of American Communism Theodore Draper is the author of many books on contemporary politics and international relations He is a Fellow of the American Academy of Arts Sciences and lives in Princeton New Jersey This is the third work of his to be reissued by Transaction

The Soviet World of American Communism Harvey Klehr, John Earl Haynes, Kyrill M. Anderson, 2008-10-01 The Secret World of American Communism 1995 filled with revelations about Communist party covert operations in the United States created an international sensation Now the American authors of that book along with Soviet archivist Kyrill M Anderson offer a second volume of profound social political and historical importance Based on documents newly available from Russian archives The Soviet World of American Communism conclusively demonstrates the continuous and intimate ties between the Communist Party of the United States of America CPUSA and Moscow In a meticulous investigation of the personal organizational and financial links between the CPUSA and Soviet Communists the authors find that Moscow maintained extensive control of the CPUSA even of the American rank and file The widely accepted view that the CPUSA was essentially an idealistic organization devoted to the pursuit of social justice must be radically revised say the authors Although individuals within the organization may not have been aware of Moscow's influence the leaders of the organization most definitely were The authors explain and annotate ninety five documents reproduced here in their entirety or in large part and they quote from hundreds of others to reveal the actual workings of the American Communist party They show that the USSR covertly provided a large part of the CPUSA budget from the early 1920s to the end of the 1980s Moscow issued orders which the CPUSA obeyed on issues ranging from what political decisions the American party should make to who should serve in the party leadership the CPUSA endorsed Stalin's purges and the persecution of Americans living in Russia

James P. Cannon and the Origins of the American Revolutionary Left, 1890-1928 Bryan D. Palmer, 2010-10-01 Bryan D Palmer's award winning study of James P Cannon's early years 1890-1928 details how the life of a Wobbly hobo agitator gave way to leadership in the emerging communist underground of the 1919 era This historical drama unfolds alongside the life experiences of a native son of United States radicalism the narrative moving from Rosedale Kansas to Chicago New York and Moscow Written with panache Palmer's richly detailed book situates American communism's formative decade of the 1920s in the dynamics of a specific political and economic context Our understanding of the indigenous currents of the American revolutionary left is widened just as

appreciation of the complex nature of its interaction with international forces is deepened *American Communism* James Oneal, 1927

Hollywood and Anticommunism John J. Gladchuk, 2013-10-11 This work concentrates on tracing the evolution of the so called red menace phenomenon as a means of demonstrating the correlation between growing American paranoia and the success of the anticommunist campaign 1935 1955 The House Committee on Un American Activities 1947 investigation of Hollywood the nation s most visible industry served a critical role in conjuring up anti red hysteria and fanning the flames of virulent anticommunism Using conveniently unjust tactics the Committee painted targeted Hollywood personalities red and established the infamous blacklist certified proof in the minds of many that subversives were indeed conspiring from within A failed attempt on behalf of the Hollywood Ten to demonstrate the Committee s undemocratic nature allowed HUAC to forge ahead with its investigation and establish the anticommunist foundation upon which Joseph McCarthy would construct his campaign Hollywood and Anticommunism stands as an important contribution to McCarthy era literature and should appeal to all interested in the early Cold War and the impact that unwarranted hysteria has had and continues to have on the growth and development of the nation

The Socialist Party of America Jack Ross (Historian), 2015 At a time when the word socialist is but one of numerous political epithets that are generally divorced from the historical context of America s political history The Socialist Party of America presents a new mature understanding of America s most important minor political party of the twentieth century From the party s origins in the labor and populist movements at the end of the nineteenth century to its heyday with the charismatic Eugene V Debs and to its persistence through the Depression and the Second World War under the steady leadership of America s conscience Norman Thomas The Socialist Party of America guides readers through the party s twilight ultimate demise and the successor groups that arose following its collapse Based on archival research Jack Ross s study challenges the orthodoxies of both sides of the historiographical debate as well as assumptions about the Socialist Party in historical memory Ross similarly covers the related emergence of neoconservatism and other facets of contemporary American politics and assesses some of the more sensational charges from the right about contemporary liberalism and the radicalism of Barack Obama

A Conservative History of the American Left Daniel J. Flynn, 2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it s okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J Flynn uncovers the surprising origins of today s Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America s shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left s amnesia is convenient Who wouldn t want to forget an ugly history

that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn't pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable

Commonsense Anticommunism Jennifer Luff, 2012-05-21 Between the Great War and Pearl Harbor conservative labor leaders declared themselves America's first line of defense against Communism In this surprising account Jennifer Luff shows how the American Federation of Labor fanned popular anticommunism but defended Communists civil liberties in the aftermath of the 1919 Red Scare The AFL's commonsense anticommunism she argues steered a middle course between the American Legion and the ACLU helping to check campaigns for federal sedition laws But in the 1930s frustration with the New Deal order led labor conservatives to redbait the Roosevelt administration and liberal unionists and abandon their reluctant civil libertarianism for red scare politics That frustration contributed to the legal architecture of federal anticommunism that culminated with the McCarthyist fervor of the 1950s Relying on untapped archival sources Luff reveals how labor conservatives and the emerging civil liberties movement debated the proper role of the state in policing radicals and grappled with the challenges to the existing political order posed by Communist organizers Surprising conclusions about familiar figures like J Edgar Hoover and unfamiliar episodes like a German plot to disrupt American munitions manufacture make Luff's story a fresh retelling of the interwar years *A Fire in Their Hearts* Tony

Michels, 2009-04-15 In a compelling history of the Jewish community in New York during four decades of mass immigration Tony Michels examines the defining role of the Yiddish socialist movement in the American Jewish experience The movement founded in the 1880s was dominated by Russian speaking intellectuals including Abraham Cahan Mikhail Zametkin and Chaim Zhitlovsky Socialist leaders quickly found Yiddish essential to convey their message to the Jewish immigrant

community and they developed a remarkable public culture through lectures and social events workers education societies Yiddish schools and a press that found its strongest voice in the mass circulation newspaper *Forverts* Arguing against the view that socialism and Yiddish culture arrived as Old World holdovers Michels demonstrates that they arose in New York in response to local conditions and thrived not despite Americanization but because of it And the influence of the movement swirled far beyond the Lower East Side to a transnational culture in which individuals ideas and institutions crossed the Atlantic New York Jews in the beginning exported Yiddish socialism to Russia not the other way around The Yiddish socialist movement shaped Jewish communities across the United States well into the twentieth century and left an important political legacy that extends to the rise of neoconservatism A story of hopeful successes and bitter disappointments *A Fire in Their Hearts* brings to vivid life this formative period for American Jews and the American left *The Communist Experience in America* Harvey Klehr, 2017-07-28 Arguments about whether distinctive features of American society culture political structure economic system or population account for the relative weakness of American radicalism have engaged historians sociologists and political scientists for decades Influential concepts such as frontier theory have been linked with the absence of class conflict in America Other analysts have attributed the failure of the American Left to fierce repression giving red scares and the McCarthy era as illustrations Some have linked the American Left's failure to American immigration winner take all elections and the cultural values of individualism The Communist Party one of America's largest and longest lasting radical groups offers many lessons about how radical political groups can take advantage of or squander their opportunities Klehr focuses on the theme of American exceptionalism and problems that America's capitalist society raised for Marxism and other radical groups *The Communist Experience in America* deals with dissident communist formulations Such groups included a number of talented men who went on to a variety of political and literary careers Klehr also deals with fellow travelers some of whom wrote fascinating essays on American exceptionalism and the decline of political extremism In part Klehr hopes to inspire the same moral outrage about Communism that fuels those dedicated to ensuring that Nazi crimes are never forgotten or obfuscated Communism in practice everywhere in the world also came at enormous human cost Regardless of their other virtues or qualities those who supported or defended Communism from the safety of the United States must be called to account This work does just that in detail and depth **Seeing Reds** Charles H. McCormick, 2010-06-15 During World War I fear that a network of German spies was operating on American soil justified the rapid growth of federal intelligence agencies When that threat proved illusory these agencies staffed heavily by corporate managers and anti union private detectives targeted antiwar and radical labor groups particularly the Socialist party and the Industrial Workers of the World *Seeing Reds* based largely on case files from the Bureau of Investigation Military Intelligence Division and Office of Naval Intelligence describes this formative period of federal domestic spying in the Pittsburgh region McCormick traces the activities of L M Wendell a Bureau of Investigation special employee who infiltrated the IWW's

Pittsburgh recruiting branch and the inner circle of anarchist agitator and lawyer Jacob Margolis Wendell and other Pittsburgh based agents spied on radical organizations from Erie Pennsylvania to Camp Lee Virginia intervened in the steel and coal strikes of 1919 and carried out the Palmer raids aimed at mass deportation of members of the Union of Russian Workers and the New Communist Party McCormick's detailed history uses extensive research to add to our understanding of the security state cold war ideology labor and immigration history and the rise of the authoritarian American Left as well as the career paths of figures as diverse as J Edgar Hoover and William Z Foster

Black Marxism, Revised and Updated Third Edition Cedric J. Robinson, 2020-12-16 In this ambitious work first published in 1983 Cedric Robinson demonstrates that efforts to understand Black people's history of resistance solely through the prism of Marxist theory are incomplete and inaccurate Marxist analyses tend to presuppose European models of history and experience that downplay the significance of Black people and Black communities as agents of change and resistance Black radicalism Robinson argues must be linked to the traditions of Africa and the unique experiences of Blacks on Western continents and any analyses of African American history need to acknowledge this To illustrate his argument Robinson traces the emergence of Marxist ideology in Europe the resistance by Blacks in historically oppressive environments and the influence of both of these traditions on such important twentieth century Black radical thinkers as W E B Du Bois C L R James and Richard Wright This revised and updated third edition includes a new preface by Tiffany Willoughby Herard and a new foreword by Robin D G Kelley

Marxian Socialism in the United States Daniel Bell, 2018-10-18 First published in 1952 then out of print in recent years this classic account of the American Left is once again available In his introduction to the Cornell paperback edition Michael Kazin reevaluates the book viewing it in the context of subsequent work on the subject and of the recent history of the Left itself

Claude McKay, Rebel Sojourner in the Harlem Renaissance Wayne F. Cooper, 1996-02 Cooper paints a meticulous and absorbing portrait of McKay's restless artistic intellectual and political odyssey The definitive biography on McKay Choice Although recognized today as one of the genuine pioneers of black literature in this century the author of *If We Must Die* *Home to Harlem* *Banana Bottom* and *A Long Way from Home* among other works Claude McKay 1890-1948 died penniless and almost forgotten in a Chicago hospital In this masterly study Wayne Cooper presents a fascinating detailed account of McKay's complex chaotic and frequently contradictory life In his poetry and fiction as well as in his political and social commentaries McKay searched for a solid foundation for a valid black identity among the working class cultures of the West Indies and the United States He was an undeniably important predecessor to such younger writers of the Harlem Renaissance as Langston Hughes and Countee Cullen and also to influential West Indian and African writers such as C L R James and Aimé Césaire Knowledge of his life adds important dimensions to our understanding of American radicalism the expatriates of the 1920s and American literature Mr Cooper's most original contribution is his careful and perceptive analysis of McKay's nonfiction writing especially his social and political commentary which often contained prophetic

statements on a range of important social political and historical issues New York Times Book Review **The Secret World of American Communism** Harvey Klehr, John Earl Haynes, Fridrikh Igorevich Firsov, 1995-01-01 The hidden world of American communism can now be examined with the help of documents from the recently opened archives of the former Soviet Union Interweaving narrative and documents the authors of this book present a convincing new picture of the Communist Part of the the United States of America CPUSA providing proof that it was involved in espionage and other subversive activities 16 illustrations

Roots Of American Communism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roots Of American Communism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roots Of American Communism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Roots Of American Communism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Roots Of American Communism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Roots Of American Communism any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Roots Of American Communism Books

1. Where can I buy Roots Of American Communism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
