Roots Of Rebellion:

ROOTS OF REBELLION: PART I. Anthony Bell, 2022 **Roots of Rebellion** Anne S. Williams, III, 1924-12-01 **The Nationalist Crusade in Syria** Elizabeth Pauline MacCallum, 1928 *The Raid on Harpers Ferry* Ellis Roxburgh, 2017-07-15

No study of the American Civil War is complete without an understanding of the events that unfolded in Harpers Ferry Virginia in 1859 Abolitionist John Brown became a martyr to many through his raid on the federal arsenal there in support of a slave rebellion But he became a reviled enemy to those opposed to abolition This in depth account provides many fascinating details of the planning of the raid such as Brown s attempt to recruit Frederick Douglass to the cause It also explains the aftershocks of the attack in a nation truly on the brink of war *The Seminole Wars* Ellis Roxburgh, 2017-07-15

The Seminole Wars were comprised of three separate clashes between the United States and the Seminole Indians of Florida between 1817 and 1858 The first touched off when the U S Army invaded Seminole territory in order to capture fugitive slaves living among the native people The Seminoles were pushed farther and farther south into Florida Ultimately the Seminoles lost their land and Florida became American territory opened up for white settlers This well researched narrative provides essential facts about an important chapter in the history of Native Americans in the growing United States **The Amistad Revolt** Ellis Roxburgh, 2017-07-15

The slave revolt on the ship Amistad in 1839 was a crucial event in the early abolitionist movement in the United States When the vessel arrived in America a fierce debate began about whether the Africans were free or enslaved and whether they should be allowed to return to Africa The argument became a legal battle that eventually ended up in the U S Supreme Court with former president John Quincy Adams representing the Africans This remarkable story and its repercussions are presented in this beautifully designed volume replete with images to complement the narrative and a timeline that summarizes key events **Usurping Suicide** Suman Gupta, Milena Katsarska, Theodoros A. Spyros, Mike Hajimichael, 2017-08-15

Can an individual act of suicide be socially significant or does it present too many imponderable features This book examines suicide like no other Unconcerned with the individual dispositions that lead a person to commit such an act Usurping Suicide focuses on the reception suicides have produced their political social and cultural implications How does a particular act of suicide enable a collective significance to be attached to it And what contextual circumstances predispose a politicised public response From Mohamed Bouazizi s self immolation during regime change in Tunisia to Dimitris Christoulas s public shooting at a time of increased political upheaval in Greece and beyond this remarkable work examines how the individuality of the act of suicide poses a disturbing symbolic conundrum for the dominant liberal order *Boxers* Gene Luen Yang, 2013-09-10

Boxer Saints Boxer Saints is an innovative novel in two volumes the parallel stories of two young people caught up on opposite sides of violent rift *Roots of Rebellion* Clarence Adam Weber, 1971 **The Social Life of Indianism** Tathagatan Ravindran, 2025-06-10

A sophisticated analysis of an influential Indigenous political ideology When the political ideology known as Indianism developed in Bolivia in the 1960s it

was premised on a rejection of Bolivian nationalism Over the ensuing decades however it underwent several mutations as it moved out of a close circle of intellectuals to grip the urban masses that brought Evo Morales the first Indigenous president to power in 2006 The Social Life of Indianism offers a fresh perspective by examining Bolivian Indigenous politics through the lens of political ideology Through an ethnographic study of Indianism in the city of El Alto Tathagatan Ravindran shows how canonical Indianism the original ideology that rejects Bolivia as enslaver of the Indian nation provided philosophical ballast for exponents of a more popular folk Indianism that accommodates the Bolivian state and pursues Indigenous empowerment within it Synthesizing approaches from several disciplines Ravindran demonstrates how canonical Indianism was not refuted or supplanted it refracted in the broader public into a new common sense A sophisticated analysis of a complex political landscape The Social Life of Indianism brings much needed nuance to one of the most prominent forms of Indigenous ideology and offers a unique framework for analyzing political ideologies across the contemporary world

Sweet Land of Security: America's Responses to Terror--From the Revolution Through Today's "War on Terror" Michael T. Geary,2007-08 Are the post 9 11 measures initiated by the government and law enforcement agencies the products of a totalitarian impulse or panic or are they simply a prudent response to a seriously perilous world Are our liberties likely to be narrowed down forever or will we restore them when the crisis is over How will we know when it s over One way to begin thinking carefully about that is to consider how Americans have responded in the past Our struggle to reconcile the conflicting claims of liberty and security is not an easy one but it turns out to have a history It is in fact one of the threads the historical fabric of our nation is woven from Here a lawyer and professor does what a lawyer does he examines the precedents from the Alien and Sedition Acts of 1799 through the Civil War the forced relocation of Japanese Americans in World War II the Red Scares of the 20th Century to our present war on terror This work shows the balance of liberty and security from the Alien and Sedition Acts in the Adams administration through the creation of military commissions in the Mexican War Lincoln s suspension of habeas corpus in the Civil War the internment of Japanese Americans in World War II the Red Scares of the twentieth century to the War on Terror About the author Michael Geary is the Coordinator of the Criminal Justice Program at Albertus Magnus College in New Haven Connecticut He joined the College s faculty in 2003 after retiring as a sergeant from the New York City Police Department Professor Geary received his B S in Criminal Justice in 1983 his M S 1995 and his J D from Pace University School of Law in 1996
