Rosa Ponselle:

Rosa Ponselle Mary Jane Phillips-Matz, 1997 The life of Rosa Ponselle one of the greatest American opera singers of the twentieth century Jacket *Rosa Ponselle* James A. Drake, 1997 Chronicles the life and career of the great soprano Rosa Ponselle Rosa Ponselle, 1996 **American Opera Singers and Their Recordings** Clyde T. McCants, 2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli's voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer's last name and provide critical analyses of key recordings and of the artists' gifts and limitations Official Bulletin, 1925 Musical Digest, 1926 The Musical Monitor, 1918 Singing, 1927 **In the Eye of the Beholder** Robert W. Parson, 2016-05-11 Everything worthwhile in life comes at a cost Wisdom must be earned Love must be nurtured Peace must be brokered Many of these sacrifices are negotiations of the individual with the greater universe and many sadly don't survive the journey or are broken by it Bob Parson was one of them Separation divorce and being isolated from his daughter filled his life with despair But then everything changed In the Eye of the Beholder is Bob Parson's autobiographical account of his journeys and life lessons learned from traversing the world during the turbulent 1960s and 1970s an era when being part of the Silent Generation came with unparalleled beauty and unexpected consequences Through it all he was a US soldier an accomplished businessman a loving father and a grateful soul thankful for second chances His colorful stories span several decades of domestic and international adventures defined by the sadness of war the thrill of exotic travel and the cost of personal enlightenment **The Illustrated London News**, 1929 **Columbia Record Catalog**, 1925 *The British Musician and Musical News* Sydney Grew, 1929 Includes music **Andre Kostelanetz on Records and on the Air** James H. North, 2011 This discography gives full details of Andre Kostelanetz's commercial recordings with appendixes that cross reference the recordings by composers song titles and album titles alphabetically Other appendixes are devoted to Compact Discs and to V Discs A final section Koste **Overture of Hope** Isabel Vincent, 2022-09-13 Schindler's List meets The Sound of Music as best selling New York Post investigative journalist Isabel Vincent delves into pre World War II history to recover the amazing story of two British spinsters who masterminded a plan to spirit dozens of Jewish stars and personnel of the German and Austrian opera to England and save them from a terrible fate under the Third Reich Will resonate with readers
